MEASURES SUBMITTED TO THE VOTERS

STATE

PROPOSITION 13 - LIMITS ON PROPERTY TAX ASSESSMENT. SEISMIC RETROFITTING OF EXISTING BUILDINGS. LEGISLATIVE CONSTITUTIONAL AMENDMENT.

Provides that construction to seismically retrofit buildings will not trigger reassessment of property tax value. Sets statewide standard for seismic retrofit improvements that qualify. Fiscal Impact: **Minor reduction in local property tax revenues related to the assessment of earthquake upgrades.**

YES NO

PROPOSITION 14 - ELECTIONS. INCREASES RIGHT TO PARTICIPATE IN PRIMARY ELECTIONS.

Changes the primary election process for congressional, statewide, and legislative races. Allows all voters to choose any candidate regardless of the candidate's or voter's political party preference. Ensures that the two candidates receiving the greatest number of votes will appear on the general election ballot regardless of party preference. Fiscal Impact: No significant net change in state and local government costs to administer elections.

YES NO

PROPOSITION 15 - CALIFORNIA FAIR ELECTIONS ACT.

Repeals ban on public funding of political campaigns. Creates a voluntary system for candidates for Secretary of State to qualify for a public campaign grant if they agree to limitations on spending and private contributions. Each candidate demonstrating enough public support would receive same amount. Participating candidates would be prohibited from raising or spending money beyond the grant. There would be strict enforcement and accountability. Funded by voluntary contributions and biennial fee on lobbyists, lobbying firms, and lobbyist employers. Fiscal Impact: **Increased revenues (mostly from charges related to lobbyists) totaling over \$6 million every four years.** These funds would be spent on public financing for campaigns of Secretary of State candidates for the 2014 and 2018 elections.

YES NO

PROPOSITION 16 - IMPOSES NEW TWO-THIRDS VOTER APPROVAL REQUIREMENT FOR LOCAL PUBLIC ELECTRICITY PROVIDERS. INITIATIVE CONSTITUTIONAL AMENDMENT.

Requires two-thirds voter approval before local governments provide electricity service to new customers or establish a community choice electricity program using public funds or bonds. Fiscal Impact: **Unknown net impact on state and local government costs and revenues-unlikely to be significant in the short run-due to the measure's uncertain effects on public electricity providers and on electricity rates.**

YES NO

PROPOSITION 17 - ALLOWS AUTO INSURANCE COMPANIES TO BASE THEIR PRICES IN PART ON A DRIVER'S HISTORY OF INSURANCE COVERAGE. INITIATIVE STATUTE.

Permits companies to reduce or increase cost of insurance depending on whether driver has a history of continuous insurance coverage. Fiscal Impact: **Probably no significant fiscal effect on state insurance premium tax revenues.**

YES NO

CITY

CAMPAIGN FINANCE REFORM

Among all state legislative candidates appearing on the ballot in San Luis Obispo County, only the candidates listed below have pledged to abide by campaign spending limits as specified in the California Government Code. This is a result of Proposition 34 adopted by the voters at the November 2000 General Election, and a statute passed by the Legislature and signed by the Governor in 2001.

Candidates agreeing to the campaign spending limits also have the opportunity to have a Statement of Qualifications printed in the local sample ballot booklet, at their own expense.

33RD ASSEMBLY DISTRICT CANDIDATES

K. H. "Katcho" Achadjian, Republican Party
Matt Kokkonen, Republican Party
Paul K. Polson, Libertarian Party
Fred Strong, Republican Party
Etta Waterfield, Republican Party
Hilda Zacarias, Democratic Party

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE ASSEMBLY, 33RD DISTRICT**

K.H. "KATCHO" ACHADJIAN Age: 58
Occupation: San Luis Obispo County Supervisor/Businessman

Education and Qualifications: I am a graduate of Cal Poly San Luis Obispo. I know first hand how to achieve efficiency in government while being accountable and fiscally responsible.

As County Supervisor I helped make the tough cuts needed to balance \$400 million budgets for 11 consecutive years and helped build up \$81 million in reserves without raising taxes. I brought my expertise as a small business owner to my government work to create new jobs and to keep good jobs from leaving the central coast. I led by example and opposed every effort to raise my pay on the Board.

I will take these conservative values and my experience to Sacramento and get our fiscal house in order. I will work to pass real reforms that tie the hands of big spending liberal politicians by imposing a strict cap on spending and will audit government bureaucracy to root out waste, fraud and abuse. I will work to deport illegal immigrant prisoners thereby saving taxpayers millions of dollars.

Conservatives know they can count on me to support and protect Proposition 13, to oppose job killing tax hikes and to fight excessive regulations. I have received the endorsement of the California Republican Taxpayers Association and hundreds of conservative leaders who know I have the experience to fix what's wrong with our state budget and economy. Join my fight to clean up Sacramento, stop deficit spending and get California back to work.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE ASSEMBLY, 33RD DISTRICT**

ETTA WATERFIELD Age: 53
Occupation: Economic Development Director

Education and Qualifications: In the Assembly, I will fight to cut taxes, end runaway government spending, and focus on helping small businesses grow and create jobs. I want to get our economy moving by freezing the excessive taxes and regulations that are driving businesses to other states.

Any legislation that seeks to increase taxes, balloon spending, or make it more difficult to do business in our state, will be met with my strong opposition.

As a conservative Republican, I strongly oppose higher taxes, and I will protect our Proposition 13 property-tax limits. That's why I've been endorsed by the Howard Jarvis Taxpayers Association, the National Tax Limitation Committee, and Senator Tony Strickland. I will also fight to end excessive spending and balance the state budget by cutting non-essential programs.

As the Santa Maria Valley Economic Development Commission Director, I worked with local small businesses and saw firsthand the challenges they face from high taxes and over-regulation. Small businesses fuel our economic and job growth, and our government must stop throwing up road blocks.

My Assembly votes will reflect my strong beliefs that: taxpayers need to pay less, not more in taxes; we need to regulate businesses less, not more; our state needs to spend less, not more; and our government needs to balance its budget like you and I do every day.

Californians are over-taxed, and government spends too much. I am running to fix both of these problems. I would be honored to have your support. For more information, please visit www.EttaForAssembly.com.

**DECLARACIÓN DE LA CANDIDATA A
MIEMBRO DE LA ASAMBLEA, DISTRITO 33**

ETTA WATERFIELD Edad: 53
Occupación: Directora de Desarrollo Económico

Educación y Cualificaciones: En la Asamblea, lucharé por reducir los impuestos, terminar con los gastos gubernamentales de desperdicio, y me concentraré en ayudar a los negocios en pequeña escala a crecer y crear puestos de trabajo. Quiero poner en movimiento nuestra economía mediante la congelación de impuestos y regulaciones excesivos que están enviando a los negocios a otros estados.

Toda legislación que busque aumentar impuestos, hacer gastos inflados o dificultar el comercio en nuestro estado, se encontrará con mi fuerte oposición.

Como Republicana conservadora, me opongo fuertemente a impuestos más altos, y protegeré nuestra Propuesta 13 sobre la limitación de impuestos a la propiedad. Es por eso que he recibido el apoyo de la Asociación de Contribuyentes Howard Jarvis, el Comité Nacional de Limitación de Impuestos, y el Senador Tony Strickland. También lucharé por terminar con los gastos excesivos y equilibrar el presupuesto estatal mediante los recortes de programas no esenciales.

Como Directora de la Comisión de Desarrollo Económico de Santa Maria Valley, he trabajado con los negocios en pequeña escala locales y he visto de primera mano los desafíos que enfrentan por los impuestos altos y la excesiva regulación. Los negocios en pequeña escala alimentan nuestro crecimiento económico y laboral, y nuestro gobierno debe dejar de bloquear el camino.

Mis votos en la Asamblea reflejarán mi fuerte creencia acerca de: los contribuyentes deben pagar menos, no más impuestos; necesitamos regular menos a los negocios, no más; nuestro estado necesita gastar menos, no más; y nuestro gobierno debe equilibrar su presupuesto como usted y yo lo hacemos todos los días.

Los Californianos tienen demasiados impuestos, y el gobierno gasta demasiado. Me estoy postulando para arreglar ambos problemas. Me honraría contar con su apoyo. Para más información, por favor visite www.EttaForAssembly.com.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE ASSEMBLY, 33RD DISTRICT**

FRED STRONG

Occupation: Mayor Pro Tem

Education and Qualifications: As a local elected official I've been a fulltime, qualified, available and responsive representative of the people. I've fought for your rights, improved services, transportation, jobs, resources, and criminal justice services at the lowest possible taxpayer cost. Three times I've voted to reduce property taxes.

I've defended your Constitutional rights, basic services and local governance for decades at the local, state and national levels.

As a consultant and elected or appointed leader I've written legislation and reports for over three dozen local and regional jurisdictions, three states and the United States Senate during my career. Most of it was to protect and defend your rights and minimize costs in the areas of agriculture, education, tax reform, housing, economic strategies and jobs, transportation, public health and safety, criminal justice, property rights, resource development and management, blight elimination, conservation, parks and recreation and basic government.

I work to retain cooperative local control over decisions, improve productivity and technology while reducing costs, minimize State mandates and eliminate the state's micromanagement. We must keep big money, from whatever source, from buying our government! Together we can do that.

My background includes being a university administrator/educator, print and electronic media professional, business owner, president or CEO of large homeowners and concerned citizens' organizations and a land use consultant. These activities have kept me actively fighting for you in Sacramento for over 30 years. For additional information go to www.fredstrong.com. I respectfully ask for your vote.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE ASSEMBLY, 33RD DISTRICT**

MATT KOKKONEN

Occupation: Financial Planner

Education and Qualifications: As your Assemblyman, and as a financial planner for over 35 years, I will work to bring back jobs, cut state spending, oppose illegal immigration, reduce taxes, balance the budget, reduce regulations, rein in excessive employee public pensions, place people over smelt fish and resist the agenda of radical environmentalists which is driving our businesses, farmers and ranchers out of business.

I'm not a politician. I'm a citizen-activist, local business owner, father and grandfather. In 2008, I was the Republican nominee for Congress against Lois Capps, winning over 80,000 votes. My campaign against Lois Capps was an example of my willingness to step forward and fight for conservative values and beliefs:

When the Gray Davis Recall battle heated up in 2003, I organized the Recall campaign in the 33rd District.

When it was time to say "no" to granting driver's licenses to illegal aliens, I led the local petition drive.

When it was time to honor America's fighting troops abroad (including my daughter USAF Maj. Jana Kokkonen, a military doctor), I launched the annual 9-11 rallies to remember the terrorist attack and to raise much-needed supplies to meet the needs of our troops.

When it was time to raise our collective voices against rampaging, out-of-control government trampling our fundamental liberties, I organized the San Luis Obispo Tea Party.

When it was time to answer the public's questions about "Obamacare," I organized town hall meetings to address these critical health care issues. To learn more, please go to www.mattforassembly.com.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 4TH DISTRICT**

PAUL TEIXEIRA

Age: 54

Occupation: Businessman/Parks Commissioner

Education and Qualifications: During the 46 years that I have lived in San Luis Obispo County I have always felt that community involvement is the key to a great living environment. To this end, one of the greatest accomplishments that I have experienced as a Parks and Recreation Commissioner is the establishment of the Jack Ready Park in Nipomo for "special needs kids". As a Trustee on the Lucia Mar Unified School District Board I was equally pleased when we were able to purchase the Oceano Community Center, thus saving it from having to close. Today the Center still stands, serving the needs of the community and the school district.

As a Rotarian I worked to secure funds for an immunization project, and the establishment of a cleft palate clinic. As a Charter Representative for the Camino Real Boy Scout District I was immensely pleased to serve Troop 450.

As Supervisor I would be honored to serve the people of the 4th District while offering the most fair, honest and transparent leadership possible.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 4TH DISTRICT**

MIKE ZIMMERMAN

Age: 57

Occupation: Attorney/Rancher

Education and Qualifications: Cal Poly, SLO, Farm Management. Western State University School of Law, Juris Doctor. I have practiced law in Arroyo Grande for 31 years in Estate Planning, Medi-Cal Planning, Business Law and Real Estate Law. As the only candidate with a background in law I can bring perspective and common sense to the Board. My seat on the board will be an asset in wading through the complexities that are sure to arise. As a rancher, president of the SLO Range Improvement Association, 4-H leader, member of Farm Bureau and Cattleman's association I am a strong advocate for property rights, protection of the Williamson Act and Proposition 13. I will be an advocate for small business owners, farmers and ranchers by fighting against unreasonable regulations. I am for making local government less intrusive into our lives. If businesses are encouraged to do business here rather than taxed and regulated out of existence then we will have opportunities to create more jobs. We need controlled steady growth in order to provide jobs and a strong local economy. I am Pro-life, pro-second amendment and am for faith, freedom and family. Your vote for me, Mike Zimmerman, will be appreciated.

**DECLARACIÓN DEL CANDIDATO A
LA JUNTA DE SUPERVISORES, DISTRITO 4**

PAUL TEIXEIRA

Edad: 54

Ocupación: Hombre de Negocios/Comisionado de Parques

Educación y Cualificaciones: Durante los 46 años en los que he vivido en el Condado de San Luis Obispo siempre he sentido que la participación en la comunidad es la clave para un gran entorno de vida. Con este fin, uno de los más grandes logros que he experimentado como Comisionado de Parques y Recreación es el establecimiento del Parque Jack Ready en Nipomo para "niños con necesidades especiales". Como Síndico de la Junta del Distrito Escolar Unificado de Lucia Mar me sentí igualmente complacido cuando pudimos comprar el Centro Comunitario Oceano, y de esta manera no hubo que cerrarlo. En la actualidad el Centro aún funciona, satisfaciendo las necesidades de la comunidad y del distrito escolar.

Como Rotariano he trabajado para garantizar los fondos para un proyecto de vacunación, y el establecimiento de la clínica de paladar hendido. Como un Representante Fundador del Distrito de Niños Exploradores de Camino Real tuve la inmensa satisfacción de prestar servicio en la Tropa 450.

Como Supervisor me honraría servir al pueblo del Distrito No. 4 mientras ofrezco el liderazgo más justo, honesto y transparente posible.

To help fund that effort I will donate 20% of my Sheriff's salary to gang prevention programs.

MARK J. ADAMS

Age: 52

Occupation: Deputy Sheriff

Education and Qualifications: It's time we set aside politics, personal interest and controversy to address the issue of increasing crime, the annual budget and administrative responsibility. If I am elected sheriff I will provide leadership as a True Public Servant of the people, by the people and for the people - and not for some underlying political gain.

**STATEMENT OF CANDIDATE FOR
SHERIFF-CORONER**

JOE CORTEZ

Age: 56

Occupation: Veteran/Former Police Chief

Education and Qualifications: My law enforcement career spans 36 years with 15 of those years as Chief of Police. As Chief, I worked hard to successfully establish transparency and restore public trust, while ensuring the highest levels of safety for our families and neighborhoods. I have succeeded within prescribed budgets and returned surplus tax dollars to the community every year without sacrificing any level of safety or service. I have a proven track record of successful leadership through accountability while replacing controversy with stability. This is exactly what I will bring to the Sheriff's Department.

Resource management does not mean drowning the County in ever more debt with expensive technology and programs we can't afford. We must live within our means and ensure we run smart, tight budgets, just as I have for the past 15 years.

As a military veteran I know the meaning of 'pride of service' and 'commitment to country'. I'm also proud of my 34-year marriage, and of our two sons who also serve in law enforcement.

Truly, I bring the highest level of experience to the position of Sheriff, and stand ready to lead on Day One!

Thank you for your vote of confidence!

**STATEMENT OF CANDIDATE FOR
SHERIFF-CORONER**

BEN HALL

Occupation: Sheriff's Commander

Education and Qualifications: I am a 35-year veteran of the Sheriff's Department, starting as a correctional officer in 1975, moving on to become a Deputy, Sergeant, Assistant Jail Commander, Civil Commander, and currently Patrol Commander. I have run the South County Substation in Oceano, and the Coast Substation. I've supervised the county jail, the courthouse security detail, and headed up the department headquarters, which includes dispatch, crime prevention, gang task force, special problems unit, and the DARE program in our schools. I've done it all and seen it all, so to speak.

70% of all our crimes are drug or alcohol-related and we can see just two hours north of us how a city (Salinas) has been turned into a virtual war zone by criminal street gangs. Much of this gang activity has to do with drugs and obtaining money to buy drugs.

I believe we should begin making use of gang injunctions to prevent known gang members from gathering and associating in public. We should also consider the use of random drug testing in our schools to curb drug usage. We also need to admit the involvement of some illegal immigrants in gang activity and be prepared to take action.

**DECLARACIÓN DEL CANDIDATO PARA
ALGUACIL-PESQUISIDOR**

JOE CORTEZ

Edad: 56

Ocupación: Veterano/Ex Jefe de Policía

Educación y Cualificaciones: Mi carrera en la aplicación de la ley se remonta a 36 años con 15 de ellos como Jefe de Policía. Como Jefe, he trabajado duro para establecer con éxito la transparencia, y devolver la confianza del público mientras garantice altos niveles de seguridad para nuestras familias y vecindarios. He tenido éxito dentro de los presupuestos prescritos y devolví los dólares de impuestos excedentes a la comunidad todos los años sin sacrificar ningún nivel de seguridad ni servicio. Tengo antecedentes comprobados de liderazgo exitoso mediante la rendición de cuentas mientras reemplazaba la controversia con la estabilidad. Esto es exactamente lo que aportaré al Departamento del Alguacil.

La administración de recursos no significa ahogar al Condado en más deudas con tecnología cara y programas que no podemos pagar. Debemos vivir dentro de nuestros presupuestos y asegurarnos de administrar presupuestos inteligentes, y reducidos, tal como lo hice durante los últimos 15 años.

Como veterano militar conozco el significado de 'orgullo de servicio' y 'compromiso con el país'. También estoy orgulloso de mi matrimonio de 34 años, y de nuestros dos hijos que también sirven en la aplicación de la ley.

¡Verdaderamente, apporto el nivel más alto de experiencia al cargo de Alguacil, y estoy listo para ser el líder desde el Primer Día!

¡Gracias por su voto de confianza!

**IMPARTIAL ANALYSIS
MEASURE A-10**

Measure A-10 was unanimously placed on the ballot by the Arroyo Grande City Council to ask voters to approve issuing and selling general obligation bonds in an amount up to \$6,000,000 to construct a new Police Station facility. California law authorizes cities to issue general obligation bonds to finance "municipal improvements", including the construction of police stations. The proposed new 30 year bond issue includes an amount sufficient to retire the bonds that were issued in 2003 to construct the Fire Station.

The proposed funding includes repaying the bonds partly through a real property tax at a tax assessment rate equal to or below the existing tax rate for the Fire Station bonds, and also using funds from the 2006 Local Sales Tax Measure to pay the balance of the bond payment. Funding is also based upon purchase of the bonds by the U.S. Department of Agriculture through a low-interest community facility financing program, for which a preliminary application has been approved.

The real property tax would be assessed on the value of commercial, residential, industrial, agricultural and utility property within the City. According to the tax rate statement provided by the City's financial consultant, the best estimate of highest annual tax rate to property owners is \$8.20 for each \$100,000 of assessed value, which is the current tax rate for the Fire Station bonds.

The existing police station was acquired in 1973 and was last expanded in 1989. Since 1973, staffing has grown from 12 full-time and 6 part-time employees to 36 full-time and 20 part-time employees in 2010. The proposed new Police Station will meet the following needs that have been identified by City staff: an emergency operations center, expansion of the dispatch center, expansion of evidence and equipment storage and additional parking for police vehicles and staff. The City has entered into an agreement with the County of San Luis Obispo to acquire property for the proposed new Police Station at no cost.

A "yes" vote is a vote in favor of authorizing the City of Arroyo Grande to issue general obligation bonds not to exceed the principal amount of \$6,000,000 to retire the 2003 Fire Station bonds and construct a new Police Station.

A "no" vote is a vote to not authorize the issuance and sale of said bonds.

The Measure will pass if two-thirds of those voting on the measure vote "yes".

City of Arroyo Grande

**TAX RATE STATEMENT
MEASURE A-10**

An election will be held in the City of Arroyo Grande (the "City") on June 8, 2010, to authorize the sale of up to \$6,000,000 in bonds by the City to finance construction of a new Police Station and refinance the 2003 Fire Station bonds as described in the proposition. If the bonds are approved, the City expects to sell the bonds in single series in calendar year 2010. Principal of and interest on the bonds will be payable in part from the proceeds of tax levies made upon the taxable property in the City. The following information is provided in compliance with Sections 9400-9405 of the Elections Code of the State of California.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the bonds, based on estimated assessed valuations available at the time of filing of this statement, is .00820 cents per \$100 assessed valuation (\$8.20 per \$100,000 of assessed valuation) in fiscal year 2011-12.

2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is .00820 cents per \$100 assessed valuation (\$8.20 per \$100,000 of assessed valuation) in fiscal year 2011-12.

Voters should note that it is the intention of the City to pay a portion of annual bond payments with revenues from the 2006 Local Sales Tax Measure so as to maintain the tax rate at or below the existing tax rate for the Fire Station Bonds, which is currently .00820 cents per \$100 assessed valuation.

Voters should note that the estimated tax rates are based on the *assessed value* of taxable property on the official tax roles of the city, *not* on the property's market value. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based on the City's current projections and estimates only. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of the bond sale, the amount of bonds sold, interest rates at the time of bond sale, and actual assessed valuations over the term of repayment of the bonds. The date of sale and the amount of bonds sold will be determined by the City based on need for construction funds and other factors. The actual interest rate at which the bonds will be sold, not to exceed 5% per annum, will depend on the bond market at the time of sale. Actual future assessed valuations will depend upon the amount of taxable property within the City as determined by the County Assessor in the annual assessment and the equalization process.

ARGUMENT IN FAVOR OF MEASURE A-10

Your "YES" vote on Measure A-10 will provide funding to construct a much needed new Police Station at West Branch Street and Rodeo Drive. The project and financing have been designed to ensure it is completed in the most cost effective way possible without raising your annual tax rates.

The Arroyo Grande Police Department has a distinguished history of keeping our community safe by providing outstanding public safety services. However, important facilities are needed to continue to accomplish this.

The Police Department has grown to meet the community's needs since the existing building began housing the City's police force in 1973. As a result, it no longer has adequate space to perform necessary functions. Upgrade and expansion of the emergency operations center, 9-1-1, emergency communications, detective offices, evidence and equipment storage, and parking are needed.

An independent study determined construction of a new station is the most cost effective option to address these needs. It is important to construct the project at this time to take advantage of current low construction costs. To further minimize costs, property was acquired at no additional expense to the City through an innovative agreement with the County, and the existing station will be sold to generate a portion of the revenue needed.

The remainder of funding will be generated by issuing bonds. In order to repay the bonds without raising property tax rates, bonds issued in 2003 to expand the Fire Station will be refinanced for a 30 year term. The balance of debt costs will be paid from local sales tax proceeds from the 2006 ballot measure.

Arroyo Grande citizens depend on the Police Department for protection. Now officers are depending on you to provide them the facilities needed to do their job. Your City Council strongly urges you to vote "YES" on Measure A-10.
