

WHAT'S NEW FOR THIS ELECTION

Top Two Primary

What is it?

In 2010, California voters approved Proposition 14 creating the "Top-Two Primary," which replaced the traditional party-nominated primary. Under the Top-Two Primary laws, all candidates running, regardless of their party preference, appear on a single combined ballot, and voters can vote for any candidate from any political party. The candidates who receive the highest and second-highest number of votes cast at the Primary election advance to the General election. This change applies to federal and state contests, except for President. The rules for non-partisan contests (i.e. counties, cities, school and special districts) did not change.

For the Presidential Primary, Party Ballots Still Exist

Since the Top Two Primary rules do not affect the election of party nominee for President, party-specific ballots will be issued for this Presidential Primary Election. Only voters who are registered to vote with a specific party are allowed to vote in that party's Presidential nominee contest.

All Other Contests Are Open to All Voters

The new rules apply to U.S. Senate, U.S. Congressional, statewide and state legislative offices. Candidates for these offices are no longer nominated by party. As a result, voters can vote for any candidate on the ballot regardless of the candidate's party preference. These contests are now referred to as "voter-nominated offices." Again, in these contests, only the two candidates who receive the highest and second-highest vote totals will be on the ballot in the November General Election.

Party Preference and Political Party Endorsement

The term "party preference" is now used in place of the term "party affiliation". Similarly, voters who were previously known as "decline-to-state" voters (because they did not have a party affiliation) are now known as "no party preference" or "NPP" voters.

On the ballot, the political party preference, or no party preference, as indicated on the candidate's voter registration will be listed next to or below the candidate's name. The party designation is shown on the ballot for the information of the voters only and it does not constitute or imply an endorsement by the party designated. Parties may provide

a list of candidates for voter-nominated offices, who have received the official endorsement of the party for printing in this booklet.

PARTY ENDORSEMENTS

Democratic	U.S. Senate U.S. Representative, 24th State Senate, 17th	Dianne Feinstein Lois Capps Bill Monning
Peace and Freedom	U.S. Senate	Marsha Feinland
Republican	U.S. Senate State Senate, 17th State Assembly, 35th	Elizabeth Emken Larry Beaman K. H. "Katcho" Achadjian

Write-In Candidates

Write-in candidates are eligible to run in the Primary, and voters can cast their vote for that candidate by writing in the candidate’s name and filling in the oval next to the write-in line. If a qualified write-in candidate is one of the top two candidates, under the new rule, that candidate will advance to and have their name printed on the General election ballot.

Changes due to Redistricting

After the 2010 decennial census, all legislative district lines for federal, state and county offices were redrawn. These lines have been put into place and the candidates on the ballot which you are issued are determined by the district in which you reside. Voters in San Luis Obispo County remain in one state senate district (the 17th) and one assembly district (the 35th). The county is once again represented by one congressional district (the 24th). In addition, the lines designating the 5 districts represented by the Board of Supervisors were redrawn and your residence may now be located in a different district than before. Contact us if you have any questions about the district contests on your ballot.

Sample Ballot and Voter Information Pamphlet Format

To help save Taxpayers' money, the Clerk-Recorder's office has instituted some cost-savings measures with regard to the Sample Ballot and the Voter Information Pamphlet.

Digest-Sized Booklet

The first thing you may have noticed is that the booklet is half the size of those in previous elections. This is due to recent changes which increased postage to send full-sized booklets. By reformatting our booklets to the “digest-sized” booklet, the county will be sending the sample ballot at the most efficient postage rates.

Sample Ballot Layout

In order to accommodate the digest-sized booklet format and still be readable, the sample ballot showing all contests on your ballot is laid out across multiple pages.

The sample ballot does not look exactly like the official ballot you will be voting, but the contests are laid out in the booklet in the same order as the official ballot. The partisan contests, if applicable, will be listed first followed by contests for the Voter-Nominated and Non-Partisan contests, State Propositions and any Local Measures.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

ABEL MALDONADO

Age: 44

Occupation: Farmer, Business Owner

Education and Qualifications: Washington's failed economic policies and \$1 trillion budget deficits hurt all of us. To get our country back on track, we need leaders who will help fix Congress and do what's right for the people.

As a business owner, I helped turn a half-acre plot of land into a family farm that employs 250 people. I know how to create jobs and how to repair mistakes made in Washington that caused the economic meltdown. I'm a fiscal conservative who opposes the irresponsible deficit spending that created a \$15 trillion national debt and slows economic recovery. Count on me to oppose bank bailouts, corrupt pork barrel spending and other government waste. By repealing policies that chase jobs to China, I'll help rebuild America's economic engine. I'll push for tax credits for employers who create new jobs. I'll fight to reduce the price of gasoline by making the US energy independent.

As a public servant, I have exposed corrupt public officials, refused pay raises and wrote a new law to outlaw pay increases for politicians when the state had a budget deficit. The California Taxpayers Association gave me repeated 100% ratings for opposing billions in new taxes on working families. I also opposed efforts to raise tuition on U.C. and Cal-State students.

In Congress, I'll renew my efforts to stand tall against corruption, waste, fraud and excessive government spending - because that's what it will take to fix Congress and get America back on track.

**DECLARACIÓN DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO ELECTORAL**

ABEL MALDONADO

Edad: 44 años

Ocupación: Agricultor, propietario de empresa

Educación y competencia: Las políticas económicas de Washington y los déficits presupuestarios de \$1 billón nos hacen daño a todos. Para que nuestro país se recupere, necesitamos líderes que ayuden a arreglar el Congreso y a hacer lo correcto por la gente.

Como propietario de una empresa, ayudé a convertir un terreno de aproximadamente 2020 metros cuadrados en una granja familiar que emplea a 250 personas. Sé cómo crear empleos y reparar los errores de Washington que causaron el colapso económico. Soy conservador en cuestiones de economía; me opongo al gasto irresponsable que provoca déficits, el cual originó la deuda nacional de \$15 billones y disminuye la velocidad de la recuperación económica. Cuento con mi oposición a los rescates bancarios, al gasto corrupto en proselitismo electoral y demás derroches del gobierno. Al revocar las políticas que cazan empleos en China, ayudaré a reconstruir el motor económico de Estados Unidos. Presionaré por que se den créditos tributarios a los empleadores que generen nuevos empleos. Lucharé para reducir el precio de la gasolina al volver independiente la energía de Estados Unidos.

Como servidor público, he expuesto a funcionarios públicos corruptos, he rechazado aumentos y escribí una nueva ley para prohibir aumentos en el sueldo de los políticos si el estado tiene un déficit presupuestario. La Asociación de Contribuyentes de California me dio calificaciones del 100% en repetidas ocasiones por oponerme a nuevos impuestos de miles de millones para las familias trabajadoras. También me opuse a los esfuerzos por aumentar las colegiaturas de los estudiantes de la Universidad de California y la Universidad Estatal de California.

En el Congreso, renovaré mis esfuerzos para mantenerme firme contra la corrupción, el derroche, el fraude y los gastos excesivos del gobierno, porque eso es lo que se necesita para arreglar el Congreso y para que Estados Unidos se recupere.

STATEMENT OF CANDIDATE FOR STATE SENATOR, 17TH DISTRICT

BILL MONNING

Age: 60

Occupation: Assemblymember

Education and Qualifications: Since 2008, when I was elected to the Assembly, I've used my skills in conflict resolution and mediation to tackle our state's challenges.

As an Assemblymember, I can tell you – as bad as things seem in Sacramento – we're turning a corner. That's why I'm asking you to send me to the State Senate.

In 2012, you have the chance to make a difference by being part of the solution. It would be an honor to represent the people of San Luis Obispo County.

In the past three years, under both Republican and Democratic Governors, I've had 26 bills signed into law. As Chair of the Assembly Committee on Health, I've fought to promote healthy lifestyles, battle the scourge of child obesity, and protect our most vulnerable, including people with mental health issues and the disabled living in long-term care facilities.

I'll continue to focus on job growth by supporting agriculture, tourism, and small businesses, including the many wineries critical to the County's economic health. I'll make sure we're providing our schools, colleges, and universities the funding to allow our kids to thrive. And, I'll fight to give our first responders the support they need to keep our communities safe.

I'm asking for your vote to allow me to represent you in the 17th State Senate District. Together, we can preserve what's special about San Luis Obispo County and keep our State moving forward.

Please visit www.billmonning.org. I'd be honored to receive your vote on June 5th. Thank you.

DECLARACIÓN DEL CANDIDATO A SENADOR ESTATAL, 17.º DISTRITO

BILL MONNING

Edad: 60 años

Ocupación: Miembro de la Asamblea

Educación y competencia: Desde 2008, cuando me eligieron para la Asamblea, he usado mis habilidades de resolución de conflictos para enfrentar los retos de nuestro estado.

Como miembro de la Asamblea, puedo decirle que, a pesar de lo mal que parecen estar las cosas en Sacramento, estamos superando una etapa. Es por eso que le pido que me envíe al Senado Estatal.

En 2012, usted tiene la oportunidad de hacer la diferencia y ser parte de la solución. Sería un honor representar a la gente del condado de San Luis Obispo.

Durante los últimos tres años, en periodos de gobernadores tanto republicanos como demócratas, he logrado que se aprueben 26 proyectos de ley. Como presidente del Comité de Salud de la Asamblea, he luchado por promover estilos de vida saludables, frenar el flagelo de la obesidad infantil y proteger a la gente más vulnerable, incluidas las personas con problemas de salud mental y con discapacidades que viven en establecimientos de cuidado a largo plazo.

Seguiré concentrándome en el crecimiento de empleos mediante el apoyo a la agricultura, al turismo y a los pequeños negocios, incluidas las diversas bodegas que son fundamentales en la salud económica del condado. Me aseguraré de que nuestras escuelas y universidades cuenten con los fondos para que nuestros hijos salgan adelante. Y lucharé para dar a nuestros socorristas el apoyo que necesitan para mantener nuestras comunidades a salvo.

Le pido su voto para que me permita representarlo en el 17.º Distrito del Senado Estatal. Juntos podemos conservar lo que hace especial al condado de San Luis Obispo y hacer que nuestro estado siga progresando.

Visite www.billmonning.org. Sería un honor para mí recibir su voto el 5 de junio. Gracias.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 3RD DISTRICT**

ED WAAGE

Age: 69

Occupation: City Councilmember

Education and Qualifications: There is a reason that our region is considered one of the best places to be – it is.

And it's important that we do all we can to protect and preserve our community. In order to do so, I believe we need to strengthen our local economy and create an environment where local businesses can grow and prosper. We need to protect our tourism industry to continue to generate revenue and jobs. This will in turn provide vital services like public safety and infrastructure improvements. We deserve to have more than adequate county services.

I want to make sure that the Board of Supervisors is respectful and responsive to the public. At the end of the day, I know that as a Supervisor, I am accountable to you, the voter. I see it as my duty to serve you, not push my own agenda.

I have a PhD in chemistry and career full of experience preparing, executing and leading in both the public and private sector. I plan to draw from this background to ensure San Luis Obispo County stays safe and successful.

I invite you to call me if you have any questions or concerns. You can reach me at 805-440-5039.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 3RD DISTRICT**

ADAM HILL

Age: 45

Occupation: County Supervisor

Education and Qualifications: What a terrific pleasure and privilege it has been to represent you on the Board of Supervisors. When I left Cal Poly in 2009 to start my term, county government was in dire need of true, independent leadership. It's what I promised and what I have delivered.

Getting our fiscal house in order was critical. I led on policies that reformed pension and pay, reduced county staff by over 250 positions without lay-offs, and kept our reserves over \$80 million, while still providing essential county services and projects such as public safety and infrastructure.

Co-chairing the county's first public private economic strategy has already helped create hundreds of jobs by assisting our key local companies plus approving two large solar farms, with more work ahead of us.

I have also been a leader in decisions that have slowed sprawl, protected scenic treasures and water supplies, and reduced coastal and air pollution.

Our county has a stronger fiscal foundation, a brighter economic outlook, and a quality of life that retains its character.

There is still much to do. I ask for your vote to keep us moving in the best direction. To learn more, please visit www.adamhill.us

**DECLARACIÓN DEL CANDIDATO PARA
LA JUNTA DE SUPERVISORES, 3.^{er} DISTRITO**

ED WAAGE

Edad: 69 años

Ocupación: Miembro del Concejo Municipal

Educación y competencia: Hay una razón por la cual nuestra región es considerada uno de los mejores lugares para estar: porque lo es.

Y es importante que hagamos todo lo que podamos para proteger y conservar nuestra comunidad. Para poder hacerlo, considero que necesitamos fortalecer la economía local y crear un ambiente en el que los negocios locales puedan crecer y prosperar. Necesitamos proteger nuestra industria turística para seguir generando ingresos y empleos. Esto a su vez brindará servicios vitales como seguridad pública y mejoras en la infraestructura. Merecemos tener más que servicios adecuados en el condado.

Quiero asegurarme de que la Junta de Supervisores sea respetuosa y receptiva al público. Al fin y al cabo, sé que como supervisor soy responsable ante usted, el votante. Considero que mi deber es servirle a usted, no promover mi propia agenda.

Tengo un doctorado en química y una carrera llena de experiencia en preparación, ejecución y dirección tanto en el sector público como en el privado. Pienso partir de estos antecedentes para asegurarme de que el condado de San Luis Obispo se mantenga seguro y exitoso.

Lo invito a que me llame si tiene alguna pregunta o inquietud. Puede llamarme al 805-440-5039.

**DECLARACIÓN DEL CANDIDATO PARA
LA JUNTA DE SUPERVISORES, 3.^{er} DISTRITO**

ADAM HILL

Edad: 45 años

Ocupación: Supervisor del condado

Educación y competencia: Qué gran placer y privilegio ha sido representarlo en la Junta de Supervisores. Cuando me fui de Cal Poly en 2009 para comenzar mi mandato, el gobierno del condado tenía una gran necesidad de un liderazgo verdadero e independiente. Fue lo que prometí y lo que he brindado.

Poner nuestro sistema fiscal en orden era vital. Dirigí políticas que reformaron las pensiones y los pagos, redujeron el personal del condado en una cantidad mayor a 250 puestos sin despidos y mantuvieron nuestras reservas arriba de los \$80 millones, al mismo tiempo que se siguieron proporcionando servicios y proyectos esenciales del condado, como seguridad pública e infraestructura.

Ser copresidente de la primera estrategia económica pública y privada ya ha ayudado a generar cientos de empleos al apoyar a nuestras compañías locales clave y al aprobar granjas solares grandes. Y tenemos más trabajo por delante.

También he sido líder en decisiones que han disminuido la velocidad de la expansión descontrolada, protegido tesoros panorámicos y suministros de agua, y reducido la contaminación costera y del aire.

Nuestro condado tiene un cimiento fiscal más fuerte, una perspectiva económica más brillante y una calidad de vida que conserva su carácter.

Aún hay mucho por hacer. Le pido su voto para poder seguir moviéndonos en la mejor dirección. Para obtener más información, visite www.adamhill.us

Sample Ballot Opt Out

Voters can now “Opt Out” of receiving a sample ballot, voter pamphlet (information guide), notice of polling place, and associated materials by mail, and instead obtain them electronically on the County’s Website.

By opting out you will reduce the number of booklets to be printed and mailed (about 50-70 cents each) and be sensitive to the environment

About a month prior to Election Day, the Clerk-Recorder will directly email to voters, as well as post announcements on the Clerk-Recorder’s Twitter and Facebook accounts, that this information is available online.

Two ways to “Opt Out” of receiving these materials in the mail:

- 1) Check the box on the attached postcard (be sure to sign the form and furnish an email) and return it to the Clerk-Recorder’s office.
- 2) Send a message by emailing the Clerk-Recorder’s office requesting to Opt Out of receiving the Sample Ballot in the mail. You must provide your name as it appears on the voter rolls, residence address, and either California driver’s license or ID number or last four numbers of your Social Security Number in your request (as required by law).

If you decide later that you would like to resume receiving these materials by mail for future elections, you may “Opt In” by contacting the Clerk-Recorder’s office.

Contact Information on the Front Cover

REQUESTING A VOTE BY MAIL BALLOT

If you find that for any reason you will be unable to vote in person on Election Day, promptly complete and sign the application for a vote by mail ballot printed on the reverse side of this page, detach the post card, apply postage and mail. Your application must reach the office of the **Clerk-Recorder** not less than 7 days before the day of election. The deadline for the Clerk-Recorder to receive Vote By Mail applications is May 29, 2012.

PERMANENT VOTE BY MAIL QUALIFICATION

State law now allows any voter, upon written request, to be a Permanent Vote By Mail Voter. If you check the Permanent Vote By Mail box on the Application for Vote By Mail Ballot, a vote by mail ballot will automatically be sent to you for future elections. Failure to vote in four consecutive statewide general elections may cancel your Permanent Vote By Mail Status and you will need to reapply.

RETURNING YOUR VOTE BY MAIL BALLOT

Voters may return only their own voted vote by mail ballot, in person or by mail, to the Clerk-Recorder's Office. On Election Day the ballot can be returned to any polling place in the County. To be counted, a ballot must be received no later than the close of the polls at 8:00 p.m. on Election Day. However, a voter who is unable to return his/her ballot because of illness or other physical disability, may designate his/her spouse, child, parent, grandparent, grandchild, sibling or a person residing in the same household as the voter to return the ballot to the Clerk-Recorder or any election day polling place in San Luis Obispo County.
