

WHAT'S NEW FOR THIS ELECTION

Top Two Primary

What is it?

In 2010, California voters approved Proposition 14 creating the "Top-Two Primary," which replaced the traditional party-nominated primary. Under the Top-Two Primary laws, all candidates running, regardless of their party preference, appear on a single combined ballot, and voters can vote for any candidate from any political party. The candidates who receive the highest and second-highest number of votes cast at the Primary election advance to the General election. This change applies to federal and state contests, except for President. The rules for non-partisan contests (i.e. counties, cities, school and special districts) did not change.

For the Presidential Primary, Party Ballots Still Exist

Since the Top Two Primary rules do not affect the election of party nominee for President, party-specific ballots will be issued for this Presidential Primary Election. Only voters who are registered to vote with a specific party are allowed to vote in that party's Presidential nominee contest.

All Other Contests Are Open to All Voters

The new rules apply to U.S. Senate, U.S. Congressional, statewide and state legislative offices. Candidates for these offices are no longer nominated by party. As a result, voters can vote for any candidate on the ballot regardless of the candidate's party preference. These contests are now referred to as "voter-nominated offices." Again, in these contests, only the two candidates who receive the highest and second-highest vote totals will be on the ballot in the November General Election.

Party Preference and Political Party Endorsement

The term "party preference" is now used in place of the term "party affiliation". Similarly, voters who were previously known as "decline-to-state" voters (because they did not have a party affiliation) are now known as "no party preference" or "NPP" voters.

On the ballot, the political party preference, or no party preference, as indicated on the candidate's voter registration will be listed next to or below the candidate's name. The party designation is shown on the ballot for the information of the voters only and it does not constitute or imply an endorsement by the party designated. Parties may provide

a list of candidates for voter-nominated offices, who have received the official endorsement of the party for printing in this booklet.

PARTY ENDORSEMENTS

Party	Contests	Candidate
American Independent	U.S. Senate U.S. Representative, 24th State Assembly, 35th	Robert Lauten Chris Mitchum K. H. "Katcho" Achadjian
Democratic	U.S. Senate U.S. Representative, 24th State Senate, 17th	Dianne Feinstein Lois Capps Bill Monning
Peace and Freedom	U.S. Senate	Marsha Feinland
Republican	U.S. Senate State Senate, 17th State Assembly, 35th	Elizabeth Emken Larry Beaman K. H. "Katcho" Achadjian

Write-In Candidates

Write-in candidates are eligible to run in the Primary, and voters can cast their vote for that candidate by writing in the candidate’s name and filling in the oval next to the write-in line. If a qualified write-in candidate is one of the top two candidates, under the new rule, that candidate will advance to and have their name printed on the General election ballot.

Changes due to Redistricting

After the 2010 decennial census, all legislative district lines for federal, state and county offices were redrawn. These lines have been put into place and the candidates on the ballot which you are issued are determined by the district in which you reside. Voters in San Luis Obispo County remain in one state senate district (the 17th) and one assembly district (the 35th). The county is once again represented by one congressional district (the 24th). In addition, the lines designating the 5 districts represented by the Board of Supervisors were redrawn and your residence may now be located in a different district than before. Contact us if you have any questions about the district contests on your ballot.

Sample Ballot and Voter Information Pamphlet Format

To help save Taxpayers' money, the Clerk-Recorder's office has instituted some cost-savings measures with regard to the Sample Ballot and the Voter Information Pamphlet.

Digest-Sized Booklet

The first thing you may have noticed is that the booklet is half the size of those in previous elections. This is due to recent changes which increased postage to send full-sized booklets. By reformatting our booklets to the “digest-sized” booklet, the county will be sending the sample ballot at the most efficient postage rates.

Sample Ballot Layout

In order to accommodate the digest-sized booklet format and still be readable, the sample ballot showing all contests on your ballot is laid out across multiple pages.

The sample ballot does not look exactly like the official ballot you will be voting, but the contests are laid out in the booklet in the same order as the official ballot. The partisan contests, if applicable, will be listed first followed by contests for the Voter-Nominated and Non-Partisan contests, State Propositions and any Local Measures.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

ABEL MALDONADO

Age: 44

Occupation: Farmer, Business Owner

Education and Qualifications: Washington's failed economic policies and \$1 trillion budget deficits hurt all of us. To get our country back on track, we need leaders who will help fix Congress and do what's right for the people.

As a business owner, I helped turn a half-acre plot of land into a family farm that employs 250 people. I know how to create jobs and how to repair mistakes made in Washington that caused the economic meltdown. I'm a fiscal conservative who opposes the irresponsible deficit spending that created a \$15 trillion national debt and slows economic recovery. Count on me to oppose bank bailouts, corrupt pork barrel spending and other government waste. By repealing policies that chase jobs to China, I'll help rebuild America's economic engine. I'll push for tax credits for employers who create new jobs. I'll fight to reduce the price of gasoline by making the US energy independent.

As a public servant, I have exposed corrupt public officials, refused pay raises and wrote a new law to outlaw pay increases for politicians when the state had a budget deficit. The California Taxpayers Association gave me repeated 100% ratings for opposing billions in new taxes on working families. I also opposed efforts to raise tuition on U.C. and Cal-State students.

In Congress, I'll renew my efforts to stand tall against corruption, waste, fraud and excessive government spending - because that's what it will take to fix Congress and get America back on track.

**DECLARACIÓN DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO ELECTORAL**

ABEL MALDONADO

Edad: 44 años

Ocupación: Agricultor, propietario de empresa

Educación y competencia: Las políticas económicas de Washington y los déficits presupuestarios de \$1 billón nos hacen daño a todos. Para que nuestro país se recupere, necesitamos líderes que ayuden a arreglar el Congreso y a hacer lo correcto por la gente.

Como propietario de una empresa, ayudé a convertir un terreno de aproximadamente 2020 metros cuadrados en una granja familiar que emplea a 250 personas. Sé cómo crear empleos y reparar los errores de Washington que causaron el colapso económico. Soy conservador en cuestiones de economía; me opongo al gasto irresponsable que provoca déficits, el cual originó la deuda nacional de \$15 billones y disminuye la velocidad de la recuperación económica. Cuento con mi oposición a los rescates bancarios, al gasto corrupto en proselitismo electoral y demás derroches del gobierno. Al revocar las políticas que cazan empleos en China, ayudaré a reconstruir el motor económico de Estados Unidos. Presionaré por que se den créditos tributarios a los empleadores que generen nuevos empleos. Lucharé para reducir el precio de la gasolina al volver independiente la energía de Estados Unidos.

Como servidor público, he expuesto a funcionarios públicos corruptos, he rechazado aumentos y escribí una nueva ley para prohibir aumentos en el sueldo de los políticos si el estado tiene un déficit presupuestario. La Asociación de Contribuyentes de California me dio calificaciones del 100% en repetidas ocasiones por oponerme a nuevos impuestos de miles de millones para las familias trabajadoras. También me opuse a los esfuerzos por aumentar las colegiaturas de los estudiantes de la Universidad de California y la Universidad Estatal de California.

En el Congreso, renovaré mis esfuerzos para mantenerme firme contra la corrupción, el derroche, el fraude y los gastos excesivos del gobierno, porque eso es lo que se necesita para arreglar el Congreso y para que Estados Unidos se recupere.

**STATEMENT OF CANDIDATE FOR
STATE SENATOR, 17TH DISTRICT**

BILL MONNING

Age: 60

Occupation: Assemblymember

Education and Qualifications: Since 2008, when I was elected to the Assembly, I've used my skills in conflict resolution and mediation to tackle our state's challenges.

As an Assemblymember, I can tell you – as bad as things seem in Sacramento – we're turning a corner. That's why I'm asking you to send me to the State Senate.

In 2012, you have the chance to make a difference by being part of the solution. It would be an honor to represent the people of San Luis Obispo County.

In the past three years, under both Republican and Democratic Governors, I've had 26 bills signed into law. As Chair of the Assembly Committee on Health, I've fought to promote healthy lifestyles, battle the scourge of child obesity, and protect our most vulnerable, including people with mental health issues and the disabled living in long-term care facilities.

I'll continue to focus on job growth by supporting agriculture, tourism, and small businesses, including the many wineries critical to the County's economic health. I'll make sure we're providing our schools, colleges, and universities the funding to allow our kids to thrive. And, I'll fight to give our first responders the support they need to keep our communities safe.

I'm asking for your vote to allow me to represent you in the 17th State Senate District. Together, we can preserve what's special about San Luis Obispo County and keep our State moving forward.

Please visit www.billmonning.org. I'd be honored to receive your vote on June 5th. Thank you.

**DECLARACIÓN DEL CANDIDATO A
SENADOR ESTATAL, 17.º DISTRITO**

BILL MONNING

Edad: 60 años

Ocupación: Miembro de la Asamblea

Educación y competencia: Desde 2008, cuando me eligieron para la Asamblea, he usado mis habilidades de resolución de conflictos para enfrentar los retos de nuestro estado.

Como miembro de la Asamblea, puedo decirle que, a pesar de lo mal que parecen estar las cosas en Sacramento, estamos superando una etapa. Es por eso que le pido que me envíe al Senado Estatal.

En 2012, usted tiene la oportunidad de hacer la diferencia y ser parte de la solución. Sería un honor representar a la gente del condado de San Luis Obispo.

Durante los últimos tres años, en periodos de gobernadores tanto republicanos como demócratas, he logrado que se aprueben 26 proyectos de ley. Como presidente del Comité de Salud de la Asamblea, he luchado por promover estilos de vida saludables, frenar el flagelo de la obesidad infantil y proteger a la gente más vulnerable, incluidas las personas con problemas de salud mental y con discapacidades que viven en establecimientos de cuidado a largo plazo.

Seguiré concentrándome en el crecimiento de empleos mediante el apoyo a la agricultura, al turismo y a los pequeños negocios, incluidas las diversas bodegas que son fundamentales en la salud económica del condado. Me aseguraré de que nuestras escuelas y universidades cuenten con los fondos para que nuestros hijos salgan adelante. Y lucharé para dar a nuestros socorristas el apoyo que necesitan para mantener nuestras comunidades a salvo.

Le pido su voto para que me permita representarlo en el 17.º Distrito del Senado Estatal. Juntos podemos conservar lo que hace especial al condado de San Luis Obispo y hacer que nuestro estado siga progresando.

Visite www.billmonning.org. Sería un honor para mí recibir su voto el 5 de junio. Gracias.

También trabajo en la Junta de la Fundación Comunitaria de Morro Bay.

Sé que el componente clave para seguir brindando servicios de calidad a nuestros ciudadanos es la solidez y viabilidad de nuestra economía local. Apoyo los programas sostenibles y rentables y las instalaciones para la Infraestructura y Alcantarillado de nuestra ciudad, que minimizarán los impactos económicos sobre los ancianos, nuestras familias y los negocios.

Al trabajar juntos como equipo, Morro Bay puede conservar su patrimonio cultural, de pesca y de recursos para futuras generaciones.

Contar con su voto sería un honor para mí.

Gracias por su confianza.

Did You Know...

...that all dogs in the County of San Luis Obispo over the age of 4 months are required to be licensed?

If you haven't done so already, licensing your dog is easy! You can download a license application in the "Forms" section at: www.sloanimalservices.com and mail it in. You can also license your dog online at www.petdata.com, or come into the Animal Services office at 885 Oklahoma Ave. in San Luis Obispo.

WHY LICENSE YOUR DOG?

- ◆ Your dog's license is his ticket home if he is ever picked up running at large. Animal Control Officers would rather reunite you with your pet than impound him. If he's wearing a current license, they'll bring him home instead of to the shelter.
- ◆ License revenues help support Animal Services efforts to address the needs of homeless and neglected pets and to resolve our community's animal related problems.
- ◆ It's the law.

HELPFUL INFORMATION FOR LICENSING YOUR DOG

- ◆ State law requires all dogs to have a current rabies vaccination before they can be licensed. If your dog doesn't have license information on file with Animal Services, you will need to submit it with your application.
- ◆ By law, the duration of your dog's license validity cannot exceed the expiration date of his current rabies vaccine.
- ◆ The metal tag your vet gives you when your pet is vaccinated *is not* a license tag.
- ◆ License fees are significantly discounted if your dog has been spayed or neutered.

Avoid possible citations and fines by licensing your dog today!

HELPFUL HINTS MAKE ELECTION DAY EASIER!

Your precinct workers are citizens like you. They sincerely want to make voting easy while protecting your voting rights and ensuring that all election laws are followed. Here are some ideas for you to make Election Day easier for all.

- Your polling place is listed on the back page of this Sample Ballot booklet. It may have changed since the last election.
- If you are not planning on voting by mail, check to make sure you know where your polling place is located. If you are not sure how to locate your polling place, go to our polling place look-up on the web (www.slocounty.ca.gov/clerk) or contact us before Election Day, if possible.
- Go to the polls prepared. Read and mark the contests prior to Election Day and take this Sample Ballot booklet with you to refer to while you are in the voting booth. This is especially helpful with a lengthy ballot and can also help the precinct workers locate your name and address on the voter roster.
- If you are a first time voter, be prepared to show identification, see below.

NEW REQUIREMENTS FOR FIRST TIME VOTERS

The Help America Vote Act requires first time voters to show identification when voting. If you registered to vote by mail after January 1, 2003 and have not previously voted in San Luis Obispo County you will be required to show your current valid photo I.D. or a copy of one of the following that shows your name and address when you go to the polls on election day: Current Utility Bill, Bank Statement, Government Check, Government Paycheck or a Government Document. The same requirement applies if you request to vote by absentee ballot. You will be required to send a copy of one of the above with your voted vote-by-mail ballot. If you have questions about your status as a First Time Voter, contact us.

Develop your Personal Voting Plan

The San Luis Obispo County Clerk-Recorder wants to help you create a voting plan that works for you. See your options below!

- 1. Vote at the Polls** – Polling places are open from 7 am – 8 pm on Election Day. We recommend that you bring your completed sample ballot to help you save time. The information on the back cover can also help the precinct workers find your name and address in the voting roster.
 - You can find your polling place on your sample ballot or our website at www.slocounty.ca.gov/clerk
- 2. Vote by Mail** – Sign up by completing the application in your sample ballot, or by sending a request. Return the application well before the election so you have time to complete and return your ballot. Mail your ballot in early, or drop it off at any polling place to be received by 8 pm on Election Day.
 - You can also request to **permanently vote by mail**, and you will receive a mail-in ballot automatically for each election.

Assistance for Voters with Special Needs

San Luis Obispo offers voters with disabilities options that provide a private and independent voting environment.

- Check the accessibility of your polling place or the status of your vote-by-mail ballot at www.slocounty.ca.gov/clerk
- AutoMARK Ballot Marking Machines are available in every polling place on Election Day and at the County Clerk-Recorder's Office 22 days prior to the election for early voting.
- Curbside voting is also available. If you arrive at your polling place and cannot get to the voting area, ask for assistance.

Other Assistance for Visually, Hearing or Speech Impaired:

The Secretary of State's Office has a TDD (Telecommunications Device for the Deaf) to provide elections information: **1-800-833-8683 (1-800-TDD-VOTE)**. Audio tapes and large print format of the state ballot measures and audio tapes of local measures and candidates are available from the Clerk-Recorder's Department.

Sample Ballot Opt Out

Voters can now “Opt Out” of receiving a sample ballot, voter pamphlet (information guide), notice of polling place, and associated materials by mail, and instead obtain them electronically on the County’s Website.

By opting out you will reduce the number of booklets to be printed and mailed (about 50-70 cents each) and be sensitive to the environment

About a month prior to Election Day, the Clerk-Recorder will directly email to voters, as well as post announcements on the Clerk-Recorder’s Twitter and Facebook accounts, that this information is available online.

Two ways to “Opt Out” of receiving these materials in the mail:

- 1) Check the box on the attached postcard (be sure to sign the form and furnish an email) and return it to the Clerk-Recorder’s office.
- 2) Send a message by emailing the Clerk-Recorder’s office requesting to Opt Out of receiving the Sample Ballot in the mail. You must provide your name as it appears on the voter rolls, residence address, and either California driver’s license or ID number or last four numbers of your Social Security Number in your request (as required by law).

If you decide later that you would like to resume receiving these materials by mail for future elections, you may “Opt In” by contacting the Clerk-Recorder’s office.

REQUESTING A VOTE BY MAIL BALLOT

If you find that for any reason you will be unable to vote in person on Election Day, promptly complete and sign the application for a vote by mail ballot printed on the reverse side of this page, detach the post card, apply postage and mail. Your application must reach the office of the **Clerk-Recorder** not less than 7 days before the day of election. The deadline for the Clerk-Recorder to receive Vote By Mail applications is May 29, 2012.

PERMANENT VOTE BY MAIL QUALIFICATION

State law now allows any voter, upon written request, to be a Permanent Vote By Mail Voter. If you check the Permanent Vote By Mail box on the Application for Vote By Mail Ballot, a vote by mail ballot will automatically be sent to you for future elections. Failure to vote in four consecutive statewide general elections may cancel your Permanent Vote By Mail Status and you will need to reapply.

RETURNING YOUR VOTE BY MAIL BALLOT

Voters may return only their own voted vote by mail ballot, in person or by mail, to the Clerk-Recorder's Office. On Election Day the ballot can be returned to any polling place in the County. To be counted, a ballot must be received no later than the close of the polls at 8:00 p.m. on Election Day. However, a voter who is unable to return his/her ballot because of illness or other physical disability, may designate his/her spouse, child, parent, grandparent, grandchild, sibling or a person residing in the same household as the voter to return the ballot to the Clerk-Recorder or any election day polling place in San Luis Obispo County.
