WHAT'S NEW FOR THIS ELECTION

Something Has Changed!

All voters can now vote for all contests in the Primary Election, regardless of party preference.

Top Two Primary

To Summarize:

- There are no party-affiliated ballots in this election. Everyone votes the same ballot.
- You can vote for any candidate regardless of the candidate's party preference.
- The candidates who receive the highest and second-highest votes cast during the Primary election advance to the General election, even if the two candidates have the same party preference or both have no party preference.
- The Top Two Primary laws only pertain to federal, statewide, and state legislative offices: U.S. Congressional, statewide and state legislative offices. It does not affect non-partisan contests (i.e. counties, cities, school and special districts)

Write-In Candidates

Write-in candidates are eligible to run in the Primary, and voters can cast their vote for that candidate by writing in the candidate's name and filling in the oval next to the write-in line. If a qualified write-in candidate is one of the top two candidates, that candidate will advance to and have their name printed on the General election ballot. As a result, there will no longer be a Write-In line for Voter-Nominated contests during a November General election.

Party Preference and Political Party Endorsement

The term "party preference" is now used in place of "party affiliation." On the ballot, the political party preference, or no party preference, as indicated on the candidate's voter registration will be listed next to the candidate's name. The party designation is shown on the ballot for information to the voters only and it does not constitute or imply an endorsement by the party designated. Parties have provided a list of candidates for voter-nominated offices, who have received the official endorsement of the party for printing in this booklet.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SANDRA MARSHALL

Age: 62

Occupation: Publisher/Community Organizer

Education and Qualifications: Since moving to San Luis Obispo in 1974, I have been actively involved in local issues, elections, and community causes. As a volunteer, community organizer, and business person, I have developed personal strength and learned effective communications skills.

Currently I serve as Chairperson on the Board of the Environmental Center of San Luis Obispo (ECOSLO). For the last 20 years I have coordinated an annual Earth Day Fair for SLO County, and have sponsored free public events on health as well as local peace rallies and marches. In 1977, I co-founded the Abalone Alliance and participated in the Occupations at the Diablo Canyon Nuclear Power Plant.

In 1991, as corporations took over the media, I created the Information Press, a free monthly publication to raise awareness, offer solutions, and empower the reader. I continue to serve as the Publisher, Chief Editor and Operations Manager.

I am deeply concerned about the state of our nation, healthcare, the economy, military spending, privacy rights, equality, minimum wage, foreign relations and climate change. I can no longer stand by and watch a do nothing Congress.

My professional career and volunteerism demonstrates my abilities as a person of action who is familiar to politics, and shows how I work well with others, seek creative solutions, and get positive results. If elected I will take these same skills to Washington D.C.

I promise to serve actively and be a strong voice as your representative to the 24th Congressional District.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

LOIS CAPPS

Occupation: Member of Congress

Education and Qualifications: I've been honored to serve San Luis Obispo County in Congress, representing your values and priorities. My commitment to serving you comes from my experience raising my family here on the Central Coast, and working as a nurse and teacher in our public schools. I know what a special place the Central Coast is. That's why I've worked in Congress for all our communities, helping rebuild Highway 46, funding Cal Poly research and supporting our agriculture industry.

I am proud of my work to safeguard our environment, protecting the Central Coast from the threat of more offshore oil drilling. I am committed to growing our economy in a way that helps middle class families. That's why I support targeted investments in infrastructure, clean energy and high tech research and development - to put people to work and promote new business.

And it's why I have worked to make high-quality education available for our children and to increase financial aid to make college more affordable.

I will continue to protect Social Security and Medicare. And I will always be a champion for our veterans and their hard-earned benefits. I support sensible healthcare policies that improve quality, expand access and lower costs. And I will always protect women's access to comprehensive healthcare, such as birth control.

On June 3rd, I would be honored to have your support so we can continue making a positive difference in people's lives.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

DALE FRANCISCO

Age: 60

Occupation: Santa Barbara City Councilmember

Education and Qualifications: Representative government is a right of all Americans. Gridlock is common in Congress because many of our representatives vote "the party line" rather than understanding the issues and crafting solutions that work.

As a two-term Santa Barbara City Councilmember, I have experience solving real problems: Enhancing public safety, rebuilding city finances, fostering business vitality, making essential infrastructure improvements, and finding humane solutions to the problem of homelessness.

Our nation faces many problems: A stagnant economy, few jobs for young people and our experienced workforce, rising energy prices, declining respect for America in a dangerous world, and a staggering burden of debt to be passed on to our children and grandchildren. Congress must get to work on behalf of the American people.

Current national policies have led to slow growth and increasing government dependence. Free markets have always provided consumers the best choices.

Increasing the size and power of the federal government is exactly the wrong solution. This has been tried, and continues to fail. Americans deserve a better future, and so we must live within our means, reduce the size and power of government, and expand individual choice - and thereby opportunity.

I ask for your vote. My record proves I can work with others to achieve agreement. You can depend on me as your Congressman to fight for balanced budgets and lower taxes, to promote job growth and lower energy prices, and to work to preserve the exceptional quality of life that we enjoy here in the 24th District.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

JUSTIN DONALD FAREED

Age: 25

Occupation: Cattle Rancher/Businessman

Education and Qualifications: Now, more than ever, we need to create a renewed leadership in Washington and rededicate ourselves to government that values common sense over ideology, collaboration over partisanship, and team work over special interest. We must be stewards of California's resources, and of its future. I was born and raised in our district with the well-reasoned notion of conserving and preserving our natural resources while harnessing them to bring economic bounty for generations to come.

As a graduate from UCLA, a small businessman in Santa Barbara and a third generation cattle rancher, I know first hand the struggles facing Californians in today's troubled economy. As a former legislative policy aide in Washington, I know that government must do a better job helping people with their struggles. Congress needs to replace its current dysfunction from divisive gridlock with a clearer and more dedicated vision of public service.

My three point Freedom Platform is forged from respect for our natural resources, devotion to the aspirations of Californians and concern for the legacy we leave to our children's children. Free from Debt, Free to Succeed Economically, Free from Intrusive Government – these are three pillars that I believe can get us back on track to a more prosperous tomorrow.

With the lack of collaboration and common purpose in D.C., I remain deeply concerned with our fiscal sustainability and generational equity. I am committed to fulfilling the promises made in the past and to ensuring the needed investments for future generations.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

BRADLEY ALLEN

Occupation: Pediatric Heart Surgeon

Education and Qualifications: As a medical doctor, I've spent 30 years practicing, studying, researching, and teaching medicine, all to help people live better lives. As your congressman, I'll take this same problem solving approach I learned as a doctor to Washington D.C.

Unfortunately, career politicians in Washington just keep worsening Californian's daily lives. That is why I'm running for Congress; to help people.

Healthcare. I can't just sit by and let the best healthcare system in the world be destroyed by Obamacare. As a doctor, I know that Obamacare should be replaced with market driven solutions that lower costs, improve access, and empower Americans. Having worked in private practice, universities, Canada, and Veterans Hospitals, I understand all aspects of healthcare, and how to best fix our system.

Economy. For those who are out of work, it is a personal crisis for them and their families. The growing federal bureaucracy and overregulation is punishing working families and small businesses. I will reign in government overreach to give small businesses the freedom to grow and create new middle class jobs. Government should work for us, not against us.

My goals are simple — I want to bring common sense back to Congress and fix the mess that career politicians have created. As your Congressman, I promise to listen to your concerns and use the pragmatic approach I learned as a doctor to change the current situation in Washington, DC.

I humbly ask for your vote for Congress. Questions, feel free to contact me at 805-350-9870.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

ALEXIS STUART

Occupation: Credit Building Consultant, Author, Real Estate Broker

Education and Qualifications: I am not a politician, nor will I ever strive to be one. I am a voter and small business owner; who, like you, is tired of what is going on in Washington, D.C.

I am very good at recognizing a problem and coming up with common sense solutions that will benefit the entire country, not just a few.

Reducing regulations, taxes, government departments, restoring freedom and abolishing the Affordable Care Act are my main goals. The federal government has drastically expanded to 524 federal government departments compared to approximately 230, 2 1/2 years ago.

To be assigned to the Congressional Budget, Financial Services Committees and The Joint Committee on Taxation would be the best use of my knowledge and experience.

I am proof that each of us can make a difference. My correspondences with the Social Security Administration resulted in them adding a webpage where the public can make tax deductible donations directly to the Social Security Fund. One day I hope to have the same results with Medicare and the DOD. When I first called, the three departments had no idea they could accept donations. The heads of these three federal government departments did not know about this important law and only one is now taking advantage of it. My communications with these departments can be found on my campaign website.

**DECLARACIÓN DE LA CANDIDATA A
DIPUTADA DE EE. UU., 24.º DISTRITO DEL CONGRESO**

SANDRA MARSHALL

Edad: 62

Ocupación: Editora/Organizadora comunitaria

Educación y competencias: Desde que me mudé a San Luis Obispo en 1974, he participado activamente en asuntos locales, elecciones y causas comunitarias. Como voluntaria, organizadora comunitaria y persona de negocios, he desarrollado fuerza personal y he aprendido habilidades de comunicación efectivas.

Actualmente sirvo como presidenta de la Junta del Centro Ambiental de San Luis Obispo (ECOSLO). Durante los últimos 20 años he coordinado una feria anual del Día de la Tierra para el Condado de SLO y he patrocinado eventos públicos gratuitos sobre la salud, además de eventos y marchas locales por la paz. En 1977 cofundé la Alianza Aballone y participé en las ocupaciones en la planta de energía nuclear Diablo Canyon.

En 1991, mientras las corporaciones se apoderaban de los medios, creé la Information Press, una publicación mensual gratuita para crear conciencia, ofrecer soluciones y empoderar al lector. Continué sirviendo como la editora, la directora editorial y la administradora de operaciones.

Estoy profundamente preocupada sobre la condición de nuestra nación, la atención médica, la economía, los gastos militares, los derechos a la privacidad, la igualdad, el salario mínimo, las relaciones exteriores y el cambio climático. No puedo seguir al margen y ver un Congreso que no hace nada.

Mi carrera profesional y mis actividades como voluntaria demuestran mis habilidades como una persona de acción que está familiarizada con la política y muestran que trabajo bien con los demás, busco soluciones creativas y obtengo resultados positivos. Si soy elegida, llevaré estas mismas habilidades a Washington D.C.

Prometo servir activamente y ser una voz fuerte como su representante del Distrito 24 del Congreso.

**DECLARACIÓN DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO DEL CONGRESO**

DALE FRANCISCO

Edad: 60

Ocupación: Miembro del Concejo Municipal de Santa Barbara

Educación y competencias: Un gobierno representativo es derecho de todos los estadounidenses. El atasco es común en el Congreso porque muchos de nuestros diputados votan por la tendencia del partido en lugar de entender los asuntos y crear soluciones que funcionen.

Como miembro del Concejo Municipal de Santa Barbara durante dos periodos, tengo experiencia en la resolución problemas reales: la mejora de la seguridad pública, la reconstrucción de las finanzas de la ciudad, el fomento de la vitalidad de los negocios, la realización de mejoras esenciales en la infraestructura y la búsqueda de soluciones humanas al problema de la indigencia.

Nuestra nación se enfrenta a muchos problemas: una economía estancada, pocos empleos para los jóvenes y para nuestra fuerza laboral con experiencia, precios de la energía que van en aumento, menor respeto hacia Estados Unidos en un mundo peligroso y una carga abrumadora de deuda que se transferirá a nuestros hijos y nietos El Congreso debe ponerse a trabajar por los estadounidenses.

Las políticas nacionales actuales han llevado al crecimiento lento y a un aumento en la dependencia del gobierno. Los mercados libres siempre les han dado las mejores opciones a los consumidores.

Incrementar el tamaño y el poder del gobierno federal es exactamente la solución equivocada. Esto se ha puesto a prueba y sigue fracasando. Los estadounidenses merecen un mejor futuro y por eso debemos vivir dentro de nuestros medios, reducir el tamaño y el poder del gobierno y expandir las libertades de decisión individuales y por lo tanto la oportunidad.

Le pido su voto. Mi historial prueba que puedo trabajar con los demás para lograr acuerdos. Puede contar conmigo como su congresista para que luche por los presupuestos equilibrados y menores impuestos, para promover el incremento de empleos y los precios de energía más bajos, y para trabajar para preservar la calidad de vida excepcional que disfrutamos aquí en el Distrito 24.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 2nd DISTRICT**

MURIL N. CLIFT

Age: 71

Occupation: Director, Cambria Community Services District

Education and Qualifications: We need a return to integrity and open dialogue to maintain the vibrant and resilient communities we all treasure. Our public infrastructure is deteriorating and needs attention. As Supervisor, I will listen and then lead; bringing us together, while respecting the unique needs and values of each community. Throughout my education, business and public service experience I've learned the value of listening to everyone, collaborative problem solving, and the importance of working together.

Serving on many boards, I've dealt with issues of water, sewer, land development, transportation and education. I was elected Director, Santa Maria Airport District; and Trustee, Kern High School District. I currently serve as Director, Cambria Community Services District; and Commissioner, San Luis Obispo Local Agency Formation Commission (land use).

My wife of 50 years and I have enjoyed life on the Central Coast since 1982. Our son lives in Los Osos, and owns a business in Cambria. We moved here for the beautiful environment and unique lifestyle, and I promise to protect it for future generations.

For a Supervisor committed to our county, and a leader who understands the value of community, I would ask you to vote for me, Muril Clift. www.electmurilclift.com.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 2nd DISTRICT**

BRUCE GIBSON

Age: 61

Occupation: County Supervisor

Education and Qualifications: With 'vision, leadership and service' as my guiding principles, I've been privileged to serve as District 2 County Supervisor. I'm honored to ask for your vote.

As your county supervisor, I've worked hard to preserve our incomparable coastal resources and bring responsive government to county citizens:

Under my leadership, the Los Osos wastewater project is nearing completion. Together with the community, I helped bring a new library to Cambria. I've helped keep the county's finances on solid footing – without tax increases, labor strife or painful layoffs. Our county survived the economic downturn and we're coming back stronger and better.

I will continue the fight for common ideals we share in District 2, particularly the solid environmental and economic progress my neighbors and friends have come to expect.

A fifth-generation Californian, I've lived in Cayucos and Cambria since 1989 and was first elected Supervisor in 2006. I've always pledged to be fair, respectful and open-minded, and I believe I have been.

After graduating from Pomona College, I completed my master's degree in geophysics at the University of Hawaii and my doctorate in geophysics at Rice University.

**DECLARACIÓN DEL CANDIDATO A
LA JUNTA DE SUPERVISORES, 2.º DISTRITO**

BRUCE GIBSON

Edad: 61

Ocupación: Supervisor del condado

Educación y competencias: Con 'visión, liderazgo y servicio' como los principios que me guían, he tenido el privilegio de servir como supervisor del condado del Distrito 2. Es un honor para mí pedirle su voto.

Como supervisor del condado he trabajado duro para conservar nuestros incomparables recursos costeros y traer un gobierno responsable a los ciudadanos del condado:

Bajo mi liderazgo, el proyecto de aguas residuales de Los Osos está a punto de completarse. Junto con la comunidad, ayudé a traer una nueva biblioteca a Cambria. He ayudado a mantener las finanzas del condado en bases sólidas, sin aumentos de impuestos, dificultades laborales ni despidos dolorosos. Nuestro condado sobrevivió a la recesión económica y estamos resurgiendo más fuertes y mejores.

Continuaré la lucha por los ideales comunes que compartimos en el Distrito 2, particularmente el progreso ambiental y económico sólido al que mis vecinos y amigos se han acostumbrado.

Como californiano de quinta generación he vivido en Cayucos y Cambria desde 1989 y fui elegido como supervisor por primera vez en 2006. Siempre me he comprometido a ser justo, respetuoso y de mente abierta y creo que lo he sido.

Después de graduarme de Pomona College, completé mi maestría en geofísica en la University of Hawaii y mi doctorado en geofísica en la Rice University.

STATEMENT OF CANDIDATE FOR COUNTY CLERK-RECORDER

AMANDA S. KING

Occupation: Deputy Clerk-Recorder and Precinct Worker Trainer

Education and Qualifications: A vote for me, Amanda S. King, is a vote for continued quality customer interaction between the public and their County Clerk-Recorder.

You already know me from my nearly 8 years in the Clerk-Recorder's office. You may have seen me recording official documents or on the County website clerking for the Assessment Appeals Board meetings. Perhaps I issued your marriage license or filled your vital records request. Maybe you checked your polling place on the website and saw a photo progression from the parking lot to inside the voting area, which I conceived. When you went to vote, I was there, helping elections run smoothly with the work I do training precinct workers.

You know me, and I know the County Clerk-Recorder's Office.

I am committed to conducting transparent and honest elections, eliminating fraudulent document recordings, processing timely vital requests, and keeping an accurate record of public meetings. Educación y competencias: En mi primer término, dirigí con integridad, compromiso y paciencia. **STATEMENT OF CANDIDATE FOR
MEMBER OF CITY COUNCIL
City of Morro Bay**

MATT MAKOWETSKI

Age: 46

Occupation: Teacher

Education and Qualifications: During six years of work on Morro Bay's Public Works Advisory Board (MBPWAB), I have gained an understanding of the process by which public infrastructure projects are evaluated and approved. Infrastructure touches the basic needs of every citizen. Water rates, sewer rates and the condition of our streets are critical issues for all of Morro Bay. No one in the city is left out of this equation.

Our new wastewater reclamation facility is the largest and most costly project the city has ever faced. It is the most important issue in our next fifty years as a city and will determine the sustainability of our community. Every single citizen, young and old, has a stake in this project. We must develop the best project but we must also consider the ability of citizens to pay the cost now and in the future.

As chair of MBPWAB, I have worked with community members who bring a variety of viewpoints. I value the input of all citizens. The give and take required is essential to ensure that the interests of all stakeholders are considered.

I would be honored to continue my service to Morro Bay as a member of the City Council.

**STATEMENT OF CANDIDATE FOR
MEMBER OF CITY COUNCIL
City of Morro Bay**

JOHN HEADDING

AGE: 61

Occupation: Pharmacist / Business Owner

Education and Qualifications: Four years ago I opened our family pharmacy in Morro Bay and moved here 2 1/2 years ago. My love for Morro Bay grows daily, but as my involvement in the community increases my concern for the City's viability deepens.

We residents experience the great joy of the natural beauty that abounds here and share a deep sense of community. Some would say that we live in paradise.

After researching the City's financial status, attending council meetings, networking with business owners and elected officials as Chamber of Commerce President-Elect, I find the City often divided, disgruntled, and devoid of a vision for the future.

We are at a crossroad. We must challenge the status quo, focusing on strategies for our future including fiscal responsibility, economic vitality and a clear results oriented vision.

My education includes a Doctor of Pharmacy and Masters in Healthcare Administration degree. My career history includes being a COO/CEO of hospitals, chairman of several county-wide economic and workforce boards and I am currently a small business owner.

I will bring strong moral values, integrity, accountability, collaboration and big business experience to our Council.

I would appreciate your vote for City Councilmember, June 3, 2014.

**STATEMENT OF CANDIDATE FOR
MEMBER OF CITY COUNCIL
City of Morro Bay**

NANCY JOHNSON

Occupation: Incumbent / Retired Business Owner

Education and Qualifications: It's time for progress. As a member of City Council, I will continue to work toward fiscally responsible budget policies, returning money to our reserves, supporting our Police and Fire Departments, and finding long-term solutions to our water crisis.

I have the leadership, experience and values to advocate for all our citizens while continuing to maintain our quality of life that leaves a legacy for our children and grandchildren.

Several years ago, my husband and I chose to move to Morro Bay for that quality of life and where our children and grandchildren continue to share in the livability of our community.

We need to eliminate wasteful spending and pursue all potential opportunities that return good jobs to our City. We need to support our tourism industry and our fishermen and their families. We must also deal responsibly with the homeless problem and address the impact of the new wastewater plant on our community.

As a homeowner, small business owner as well as community organizer and volunteer, I'm holding true to the values of Morro Bay.

I value our community: a vote for me is a vote for leadership you can trust. I can be reached at 772-3738.

**DECLARACIÓN DEL CANDIDATO A
MIEMBRO DEL CONCEJO MUNICIPAL
Ciudad de Morro Bay**

JOHN HEADING

EDAD: 61

Ocupación: Farmacéutico/Propietario de empresa

Educación y competencias: Hace cuatro años abrí nuestra farmacia familiar en Morro Bay y me mudé aquí hace 2 años y medio. Mi amor por Morro Bay crece todos los días, pero a medida que me involucre más en la comunidad mi inquietud por la viabilidad de la ciudad se hace más profunda.

Nosotros los residentes experimentamos la gran alegría de la belleza natural que abunda aquí y compartimos un profundo arraigo a la comunidad. Algunos dirían que vivimos en el paraíso.

Después de investigar el estado financiero de la ciudad, asistir a reuniones del concejo y formar redes de contacto con los propietarios de empresas y los oficiales electos en mi cargo de presidente electo de la Cámara de Comercio, me doy cuenta de que a menudo la ciudad está dividida, descontenta y sin una visión para el futuro.

Estamos en una encrucijada. Debemos desafiar el status quo y concentrarnos en estrategias para nuestro futuro, incluidas la responsabilidad fiscal, la vitalidad económica y una visión clara orientada hacia los resultados.

Mi educación incluye un doctorado en Farmacia y una maestría en Administración de la Atención Médica. Mi historial de carrera incluye haber sido un COO/CEO de hospitales y presidente de varias juntas económicas y de fuerza laboral a lo largo del condado y actualmente soy propietario de una pequeña empresa.

Traeré valores morales fuertes, integridad, responsabilidad, colaboración y experiencia en grandes negocios a nuestro concejo.

Apreciaría su voto para miembro del Concejo Municipal el 3 de junio de 2014.

**DECLARACIÓN DE LA CANDIDATA A
MIEMBRO DEL CONCEJO MUNICIPAL
Ciudad de Morro Bay**

NANCY JOHNSON

Ocupación: Titular/Propietaria de empresa jubilada

Educación y competencias: Es tiempo de progresar. Como miembro del Concejo Municipal seguiré trabajando para crear políticas presupuestarias fiscalmente responsables, regresar dinero a nuestras reservas, apoyar a nuestros Departamentos de Policía y Bomberos y encontrar soluciones a largo plazo a nuestra crisis de agua.

Tengo el liderazgo, la experiencia y los valores para defender a todos nuestros ciudadanos mientras seguimos manteniendo nuestra calidad de vida y dejamos un legado para nuestros hijos y nietos.

Hace varios años, mi esposo y yo decidimos mudarnos a Morro Bay para tener esa calidad de vida y es aquí en donde nuestros hijos y nietos siguen disfrutando de la habitabilidad de nuestra comunidad.

Necesitamos eliminar los gastos innecesarios y buscar todas las oportunidades potenciales que traigan buenos empleos de vuelta a nuestra ciudad. Necesitamos apoyar a nuestra industria turística, a nuestros pescadores y a sus familias. También tenemos que lidiar de manera responsable con el problema de los indigentes y atender el impacto de la nueva planta de tratamiento de agua en nuestra comunidad.

Como propietaria de una casa y de una pequeña empresa así como organizadora comunitaria y voluntaria, me mantengo fiel a los valores de Morro Bay.

Valoro nuestra comunidad: un voto por mí es un voto por un liderazgo en el que puede confiar. Puede comunicarse conmigo al 772-3738.
