# PRESIDENTIAL PRIMARY ELECTION

## Presidential Nominee Contest is "Party-Nominated"

- The Presidential Primary contest continues to be a partisan office, elected by voters affiliated with each party.
- Only those voters who are registered with a specific party can vote that party's ballot (with the exception of cross over voters – see below).
- Voters registered with a qualified political party cannot vote another party's ballot.
- Check on your voter registration status and party affiliation at www.slovote.com
- The rules for non-partisan contests (i.e. County Supervisor) did not change and will appear on every ballot.

## **Cross Over Voting**

- The ballots are comprised of 6 different party ballots and a Non-Partisan ballot. Voters who are listed as No Party Preference (formerly Decline to State) voters can vote the Non-Partisan ballot (no Presidential race) or cross over and vote a party ballot from the <u>American Independent</u>, <u>Democratic</u>, and <u>Libertarian</u> parties only.
- To vote a <u>Green</u>, <u>Peace and Freedom</u>, or <u>Republican</u> party ballot, one must be registered with the respective party.
- Again, if you are already affiliated with one of the parties listed above, you will be issued that party's ballot.

# Top Two "Voter-Nominated" Contests

- Applies to U.S. Senate, U.S. Congressional, Statewide and State legislative offices.
- All voter-nominated contests will appear on every ballot. Candidates, regardless of their party preference, will appear on a single combined ballot and voters can vote for any candidate from any political party.
- Only the two candidates who receive the highest number of votes cast in the Primary Election are on the ballot for the General Election.
- Write-in candidates are not allowed for these contests during the General Election.

# Party Preference & Political Party Endorsement

- The political party preference, or no party preference, as indicated on the candidate's voter registration is listed next to or below the candidate's name on the ballot.
- The party designation shown is for the information of the voters only. It is not an endorsement by the party designated.

Parties may provide a list of candidates who have received the official endorsement of the party for printing in this booklet.

#### STATEMENT OF CANDIDATE FOR U.S. REPRESENTATIVE, 24<sup>TH</sup> CONGRESSIONAL DISTRICT

#### WILLIAM "BILL" OSTRANDER

Occupation: Farmer/Director of Non-Profit Citizens Congress

Age: 56

**Education and Qualifications:** I am running for Congress because our political system is corrupted and directed by money. I have advocated in Washington but I'm not a career politician. I am a farmer and Director of Citizens Congress, which seeks to remove the influence of money in politics. We need to dilute the influence of money so representatives work for the community at large – not just those that can afford campaign contributions. Reform of how candidates finance campaigns is critical to address the "calculated inequalities" facing Americans today.

Most of us recognize the big issues that Congress should be working to fix: Campaign Finance Reform: Money always affects relationships; Wealth inequality: Does your good fortune result in my misfortune? Let's invest in infrastructure and create jobs; Post Secondary Education: Investing public funds into college and trade education returns over 700% to our economy; Global Warming: A cleaner environment is a good thing for everyone; Terrorism: Our security is important but so is being rational. We are 4,706 times more likely to drink ourselves to death than die from terrorism; Health Care: Affordable, accessible medical care is a right, not a privilege.

As a farmer, I believe in conserving our natural resources and protecting a healthy food supply. As a parent, I'm concerned for the cost of my sons' education and the programs that match their interests. As a union member, I understand the necessity of collective bargaining. And I believe all of us must participate in our governance.

Vote for Bill Ostrander

#### STATEMENT OF CANDIDATE FOR U.S. REPRESENTATIVE, 24<sup>TH</sup> CONGRESSIONAL DISTRICT

#### JUSTIN FAREED

Occupation: Third Generation Cattle Rancher/Vice President of Small Business

**Education and Qualifications:** I'm running for Congress to reform the institution, to get it working again for the American people, and to solve long-range issues that affect this and future generations. I believe that Congress needs to be held accountable instead of kicking the can down the road to the next generation.

I was born and raised on the Central Coast. I attended Santa Barbara High School and continued my education at UCLA where I earned a B.A. in Political Science. After coaching football at my alma mater, I worked for a senior member of Congress where I helped draft several bills, built consensus among members, worked to move things forward and led a congressional staff delegation to Turkey to learn first-hand the cultural, political and economic interests in the region.

A third generation California rancher and Vice President of my family's small business, I understand the burdensome taxes and regulations coming out of Washington, and the implications it has on small businesses and the agricultural community along the Central Coast. Additionally, I understand the dysfunction, polarization and empty rhetoric coming out of Washington from my time spent on Capitol Hill.

As your representative, I will work to rein-in out of control spending, ensure economic stability, and advocate for a concerted approach to our national security in order to provide economic certainty and entrepreneurial freedom for all Americans.

#### STATEMENT OF CANDIDATE FOR U.S. REPRESENTATIVE, 24<sup>TH</sup> CONGRESSIONAL DISTRICT

#### HELENE SCHNEIDER

Age: 45

Occupation: Mayor of Santa Barbara

**Education and Qualifications:** These are troubling times for our nation. Washington is broken and people are tired of the shouting and partisan gridlock that threatens our democracy. It's time we had members of Congress willing to be bold, take risks and challenge the status quo to fundamentally change the way we do business in Washington, D.C. I'm running for Congress to make our country work again for the people—not the politicians and special interests.

As Mayor, I've shown what tough, decisive and collaborative leadership can do to improve our communities by creating new jobs; improving public safety—police, 911 emergency and fire services; protecting our environment, water and coastline; expanding nutrition and after-school programs for at-risk youth; cutting waste and balancing our budget. It's time we sent an outsider to Washington who can bring Democrats, Independents and Republicans together to get things done.

I don't have millions of dollars in special interest money. I have the support of real people, like you, who care deeply about our country and want to change Washington. I am proud to have earned the support of local leaders and organizations like Senator Hannah-Beth Jackson and the League of Conservation Voters. They know I will protect our open spaces and natural resources, fight for clean water and ensure that women can make reproductive health care decisions without undue government intrusion, as I did for 11 years working at Planned Parenthood.

Please join me. I'd be honored to have your support!

#### STATEMENT OF CANDIDATE FOR U.S. REPRESENTATIVE, 24<sup>TH</sup> CONGRESSIONAL DISTRICT

#### JOHN UEBERSAX

Occupation: Social Scientist, Biostatistician, Anti-War Writer

**Education and Qualifications:** BA from USC, PhD in psychology from the University of Texas at Austin. 25-years' experience in healthcare research and higher education, including positions at the RAND Corporation and as Associate Professor of Public Health at Wake Forest Medical School.

Controlled by the military-industrial complex and Wall Street, our government has made our country a global military empire. In Iraq, Afghanistan, Pakistan, Libya, Syria, Yemen, Yugoslavia and elsewhere, the pattern is the same: wars fought for economic gain, then justified by pretexts of humanitarianism and national security. As citizens, the duty to rein in our imperialist government is ours alone. I'm running so that by voting for me, an anti-war candidate, citizens may act against government militarism. In Congress I would staunchly oppose all US wars, except for immediate self-defense, and work to make peace our explicit, sincere and steadfast objective.

Healthcare. The solutions are very different from what the government says. The present system incentivizes sickness and expensive and unnecessary treatments. We should instead incentivize prevention and healthy lifestyles. The culture of healthcare must change to be more congenial to patients and providers to improve communication, decision-making and quality of care. College. As Director of Californians for Higher Education Reform (caledreform.org) I've taken a lead in documenting outrageous tuition inflation and outlining simple steps to achieve debt-free college education. For example, students should be granted credit for any course they can test out of, and 'diploma discrimination' by employers should be banned.

For more information on my platform please visit john-uebersax.com/2016. CS-0080-2

#### STATEMENT OF CANDIDATE FOR U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT

#### SALUD CARBAJAL

**Occupation:** Member, Board of Supervisors

Education and Qualifications: I'm Salud Carbajal. I'm a proud husband, father and Marine Corps veteran. I was the first in my family to graduate from college, working two jobs to pay for my education at UCSB. I know what it's like to struggle, and I'm committed to making sure other families have the same chance I had to get ahead.

For the last 12 years as a Santa Barbara County Supervisor, I've strived to represent our Central Coast values. Standing up for Planned Parenthood and women's reproductive rights, fighting for marriage equality and protecting our environment.

I've worked with my Republican and Democratic colleagues to expand health insurance to 14,000 county children; invested in widening Highway 101 and other roads projects to reduce congestion: and protected funding for law enforcement to keep our communities safe, even during tough economic times. We've done that while using your tax dollars wisely--balancing the budget every year, building up the largest rainy day fund in County history, and earning the highest bond rating in the state.

In Congress, I'll bring that same bipartisan spirit to tackling big issues: bringing down the cost of college; protecting our environment; creating new jobs by supporting small businesses and renewable energy; defeating ISIS; passing comprehensive immigration reform; reducing gun violence; and standing up for women's rights and health care access.

For more information on our campaign, please visit SaludCarbajal.com.

I hope to earn your support in the Primary election on June 7<sup>th</sup>.

#### STATEMENT OF CANDIDATE FOR U.S. REPRESENTATIVE, 24<sup>™</sup> CONGRESSIONAL DISTRICT

#### K.H. "KATCHO" ACHADJIAN

Occupation: Assemblyman/Small Businessman

**Education and Qualifications:** Now more than ever my international background, combined with my business and public service experiences, prepares me to be an instrumentally effective voice for our Central Coast in Washington D.C. I'm prepared to address our national security, debt, and economy without typical partisan gridlock. It's time to bring local consensus-building skills to the Capitol. I propose holding Congress accountable for passing on-time balanced budgets, otherwise they shouldn't get paid. I'll work to stimulate our economy, empower small businesses, and fully fund and strengthen our Military to keep America safe.

I'm wholeheartedly committed to our Central Coast and have been since immigrating to the United States 45 years ago. After graduating from Cal Poly SLO, I started a small business and in 38 years have grown to three locations. One of my proudest accomplishments has been earning my Citizenship in 1982; my gratitude runs deep for the opportunities America has given me. Community service is the foundation of my story and my leadership roles are rooted in several of our local organizations, including Rotary, Farm Bureau, Chamber of Commerce and many others.

I've consistently worked in a bipartisan manner to craft policies that help hardworking families on both the County Board of Supervisors and in the State Assembly. I've worked across the aisle to ease burdens on small businesses, pass balanced budgets on time, reduce taxes, and elevate California toward prosperity by creating nearly \$4.5 billion in rainy day surplus funds.

It would be my honor to have your vote. www.Katcho2016.com

**Occupation:** Chief Engineer/Businessman

**Education and Qualifications:** I have lived in this district for more than 40 years and have followed the local issues and volunteered my time. I am committed to this district and want to represent the individuals and businesses by working for you in Congress.

Deadlock and dysfunction has paralyzed Congress. It is time for a major change to break the gridlock and allow positive action. I will work with both sides to provide positive changes to benefit all the people in this district.

I am a scientist and have degrees in physics and computer science from Cal Poly and a PhD in electrical and computer engineering from UCSB. I have run my engineering consulting business for over 30 years. I currently work full time for an electronics manufacturing firm as Chief Engineer where I am valued for my ability to work with and mentor others as well as my problem solving skills.

With my analytical background I understand the causes of and effective solutions for current issues such as the drought cycle, the growing debt, and the debt's effect on our future. I will work with other members of Congress to resolve issues for the benefit of all citizens.

#### DECLARACIÓN DEL CANDIDATO A DIPUTADO DE EE. UU., 24.º DISTRITO ELECTORAL

#### JUSTIN FAREED

Ocupación: Tercera Generación de Ganaderos/Vicepresidente de Pequeña Empresa

Educación y preparación: Me postulo para el Congreso para reformar la institución, para que trabaje nuevamente para el pueblo Americano, y para resolver problemas de largo alcance que afectan a esta y futuras generaciones. Creo que el Congreso debe rendir cuentas en lugar de pasar el problema a la siguiente generación.

Nací y crecí en la Costa Central. Asistí a la Escuela Preparatoria Santa Barbara y seguí mi educación en UCLA donde obtuve un título de B.A. en Ciencias Políticas. Después de ser entrenador de futbol en mi universidad, trabajé para un miembro principal del Congreso donde ayudé a redactar varios proyectos de ley, generé consenso entre miembros, trabajé para hacer avanzar las cosas y lideré una delegación de personal del congreso a Turquía para aprender de primera mano los intereses culturales, políticos y económicos de la región.

Como tercera generación de ganaderos de California y Vicepresidente de mi pequeña empresa familiar, entiendo los agobiantes impuestos y regulaciones provenientes de Washington, y las repercusiones que tienen sobre las pequeñas empresas y la comunidad agrícola a lo largo de la Costa Central. Además, entiendo la disfunción, polarización y retórica vacía que viene de Washington gracias al tiempo que pasé en Capitol Hill.

Como su representante, trabajaré para tomar las riendas de los gastos que están fuera de control, garantizar la estabilidad económica, y defender un enfoque concertado para nuestra seguridad nacional con el fin de proporcionar certeza económica y libertad emprendedora a todos los Americanos.

#### DECLARACIÓN DEL CANDIDATO A DIPUTADO DE EE. UU., 24.º DISTRITO ELECTORAL

#### K.H. "KATCHO" ACHADJIAN

#### Ocupación: Asambleísta/Pequeño Empresario

Educación y preparación: Ahora más que nunca mis antecedentes internacionales, en combinación con mi experiencia empresarial y de servicio público, me preparan para ser una voz eficaz para nuestra Costa Central en Washington D.C. Estoy preparado para hacer frente a nuestra seguridad nacional, deuda, y economía sin el típico estancamiento partidista. Es hora de llevar habilidades de creación de consenso local al Capitolio. Propongo hacer responsable al Congreso de aprobar presupuestos equilibrados a tiempo, de lo contrario que no se les pague. Trabajaré para estimular nuestra economía, empoderar a las pequeñas empresas, y fortalecer y financiar completamente nuestro Ejército para mantener segura a América.

Estoy completamente comprometido con nuestra Costa Central y ha sido así desde que inmigré a los Estados Unidos hace 45 años. Después de graduarme de Cal Poly SLO, comencé una pequeña empresa que en 38 años se ha expandido a tres ubicaciones. Uno de los logros que más me enorgullece ha sido obtener mi Ciudadanía en 1982; mi gratitud es profunda para las oportunidades que América me ha dado. El servicio comunitario es la base de mi historia y mis funciones de liderazgo tienen raíces en varias de nuestras organizaciones locales, que incluyen el Rotary, la Farm Bureau, la Cámara de Comercio y muchas otras.

He trabajado constantemente de forma bipartidista para elaborar políticas que ayuden a las familias trabajadoras en la Junta de Supervisores del Condado y en la Asamblea del Estado. He trabajado junto con el otro partido político para disminuir la carga para las pequeñas empresas, aprobar presupuestos equilibrados a tiempo, reducir impuestos, y llevar a California hacia la prosperidad con la creación de casi \$4.5 mil millones en fondos excedentes para tiempos de dificultad.

Contar con su voto sería un honor para mí.

#### STATEMENT OF CANDIDATE FOR STATE SENATOR, 17<sup>TH</sup> DISTRICT

#### BILL MONNING Occupation: CA State Senator

**Education and Qualifications:** Eight years ago, you sent me to Sacramento to make a difference, and I am proud of what we have been able to accomplish together. Since joining the State Legislature, I've authored over 80 bills signed into law by the Governor, including the ground-breaking End of Life Options Act to give terminally ill patients a compassionate way to take control of their own lives – subject to strict guidelines.

After years of hard work with many key partners, the new California Central Coast Veterans Cemetery is scheduled to open this July. My legislation in Sacramento and ability to secure funding helped break the logiam to honor those who served our nation with a final resting place, fulfilling a promise made over two decades ago.

In Sacramento, we've passed balanced, on-time budgets five years in a row and put the State's fiscal house in order. We've made great strides toward tackling our State's pension obligations while restoring critical funding to education, healthcare, and public safety. I've earned the highest ratings from the California Labor Federation, the California League of Conservation Voters, the Sierra Club, and the Consumer Federation of California.

While our economy has recovered since the Great Recession, we must continue to focus on creating jobs by strengthening the backbones of our local economy: agriculture, tourism, and our educational institutions.

That's why I'm asking you to send me to the State Senate for another term. Please visit www.billmonning.org. I'd be honored by your vote on June 7th. Thank you!

#### DECLARACION DEL CANDIDATO A SENADOR ESTATAL, 17.º DISTRITO

#### **BILL MONNING**

Edad: 65

#### Ocupación: Senador Estatal de California

Educación y preparación: Hace ocho años, usted me envió a Sacramento para hacer la diferencia, y estoy orgulloso de lo que hemos podido lograr juntos. Desde que me uní a la Legislatura Estatal, he redactado más de 80 proyectos de ley que el Gobernador promulgó como leyes, que incluyen la innovadora Ley de Opciones para el Final de la Vida para dar a los pacientes con enfermedades terminales una opción compasiva de tomar control de sus propias vidas – sujeta a lineamientos estrictos.

Después de años de duro trabajo con muchos socios clave, el nuevo Cementerio de Veteranos de la Costa Central de California abrirá el próximo mes de julio. Mi legislación en Sacramento y mi capacidad para asegurar financiación ayudaron a romper el atascadero para honrar a quienes sirvieron a nuestra nación con un lugar de descanso final, lo cual cumple la promesa que se hizo hace más de dos décadas.

En Sacramento, aprobamos presupuestos equilibrados y a tiempo cinco años seguidos y pusimos la casa fiscal del Estado en orden. Hemos hecho grandes avances para enfrentar las obligaciones de pensiones de nuestro Estado al tiempo que restauramos el financiamiento esencial para la educación, la atención médica, y la seguridad pública. He obtenido los más altos puntajes de la California Labor Federation, la California League of Conservation Voters, el Sierra Club, y la Consumer Federation of California.

A pesar de que nuestra economía se ha recuperado desde la Gran Recesión, debemos seguir enfocados en crear empleos al fortalecer la columna vertebral de nuestra economía local: la agricultura, el turismo, y nuestras instituciones educativas.

Es por eso que le pido que me envíe al Senado Estatal para otro mandato. Por favor visite www.billmonning.org. Seria un honor para mí recibir su voto el 7 de junio. ¡Gracias! CS-0090-1 C SL 002-011

#### STATEMENT OF CANDIDATE FOR MEMBER OF THE STATE ASSEMBLY, 35<sup>th</sup> DISTRICT

#### JORDAN CUNNINGHAM

#### Occupation: Businessman/School Trustee

Education and Qualifications: It's no secret that Sacramento is broken.

Job Growth: Each year, businesses leave California for more business-friendly states, taking good jobs with them. It's time to turn the tide. The California Small Business Association and the National Federation of Independent Business both support my campaign. They know that I will use my experience as President of the Central Coast Taxpayers Association to fight the tax increases and regulatory burdens that are costing us jobs.

Public Safety: Failed policies from Sacramento have endangered our neighborhoods. As a former prosecutor, I know what we need to make our community safer. Both District Attorney Dan Dow and Sheriff Ian Parkinson have endorsed me because of my dedication to public safety.

Education: California's future workforce is a direct product of our education system. We must do everything we can to support our schools. We must make our public colleges affordable for working families. I have worked with students, parents, teachers, and administrators as a school trustee. I'm prepared to tackle education reform on day one.

Assemblyman Katcho Achadjian supports me because he knows that I will fight to keep families safe and grow our economy. I will be accountable to you, providing commonsense leadership and a voice for the Central Coast and our values. I hope to earn your vote.

#### STATEMENT OF CANDIDATE FOR BOARD OF SUPERVISORS, 1<sup>st</sup> DISTRICT

#### JOHN R. HAMON JR.

Occupation: Businessman/Current City of Paso Robles Councilmember

**Education and Qualifications:** I am honored to be elected three times to serve Paso Robles as a City Councilman and after 10 years of experience and knowledge, I have a reputation of being a well-informed leader who makes wise decisions. I am a common sense individual who will listen to all ideas for improving our County.

I am a protector of property rights and I do not approve of outsiders telling us how we must manage our resources. I support local control that is fair and I will never allow the exportation of groundwater to buyers from outside our County.

With over 40 years of experience as a successful small business owner and employer, I understand fiscal management and being conservative with public tax dollars.

I advocate for business because the relationship is critical for a healthy community. I support the jobs that our strong agricultural, retail, manufacturing, construction and service businesses create and also our tourism industry that allows us to share a little bit of our home with visitors in exchange for their financial contribution to our businesses.

I am asking for the opportunity to carry your voice and vision to the Board of Supervisors.
