HEALTH AND SAFETY

COVID-19 has dramatically affected life in California – including significant impacts on elections. While the stay-at-home order is no longer in effect, COVID-19 and associated variants remain a continuing threat, and the public health departments remain actively engaged in monitoring, mitigation and response strategies. The presence of the COVID-19 virus will continue to be an important consideration during the 2022 election cycle. We will continue to provide Personal Protection Equipment such as masks, hand sanitizer and disinfectant wipes to each polling location. Because your health and safety are a top priority, if you have been exposed to COVID-19 or are not feeling well and are symptomatic, please contact our office immediately so that we can find a replacement for you.

CODE OF CONDUCT

Serving as a Precinct Worker is an important and challenging job. There are many rules and regulations that must be followed on Election Day.

You represent the San Luis Obispo County Elections Division so please be professional and courteous while serving the voters of San Luis Obispo County.

- Be punctual when arriving to work and returning from break.
- Perform tasks as assigned by the Precinct Inspector.
- Remain at the Polling Place during your shift unless directed elsewhere by San Luis Obispo County Elections Division staff.
- Do not leave until all closing/clean up procedures are completed.
- Do not report to your polling place if you are feeling ill. Contact the Elections office if you cannot report for your assigned work.

NOTE: Precinct Workers are not allowed to work under the influence of drugs or alcohol. This is grounds for immediate removal.

It is important that voters be treated with respect and for Precinct Workers to not show a preference towards any party, issue or candidate. Make sure you understand the following:

- Phones should be kept silent and should not be used in a way that is distracting or disruptive to voters or Polling Place Staff.
- Any conversation that is political in nature: about measures, initiatives, political party activities, political party philosophy, voting activities of individuals or groups, is prohibited.
- Rude behavior towards any person is unacceptable and will result in dismissal.
- Harassment of any type is against the law and against San Luis Obispo County Policy.
- Be considerate of the extra time it takes a voter to cast their ballot, some disabilities cannot be seen.
- Keep the Polling Place as quiet as possible while voters are present.
WORK ATTIRE

- Precinct Workers are expected to present themselves in a dignified manner demonstrating the importance of their role in the election process. Dress appropriately—clothing should be clean, tasteful, and in good repair.
- Do not wear campaign attire, hats or bring any campaign materials into the Polling Place. In addition, clothing should be neutral and not supporting or opposing any political viewpoint even if it not on the ballot for this election.
- Precinct Workers should exercise good hygiene practices.
- Precinct workers must wear provided identification badges at all times while in the Polling Place.

THINGS TO KEEP IN MIND

- Some people are sensitive or allergic to certain scents. Please refrain from wearing strong fragrances.
- Wear comfortable clothing and shoes.
- Bring a jacket or sweater.
- Bring enough food and water to last your entire shift.
- Bring a seat cushion, if you wish.
- Bring any medication or special dietary needs.

DO NOT BRING

- Children to work with you.
- Pets/Animals (service animals are allowed under ADA Title II).
- Alcoholic Beverages.
- Articles, newspapers, magazines that may contain political material.

SERVE VOTERS

- Show respect with actions, words, and tone of voice to voters of every ethnicity, race, color, gender, sexual orientation, age, language, ability, income, religion, creed, and political affiliation.
- When assisting a voter with a disability, put the person first and treat him or her as any other voter.
- Be attentive to voters, don't use personal electronics or other distractions in the Polling Place.

PROTECT VOTER RIGHTS

- Uphold the laws and regulations that protect voter rights.
- Display accessibility tools: the Americans with Disabilities Act and the Help America Vote Act ensure voters have the right to access tools to vote privately and independently.
- Display materials in all required languages: the Voting Rights Act guarantees voters the right
to receive voting materials and assistance in English and specific materials in Spanish (all precincts) and Tagalog (specified precincts).

- Report any electioneering: the California Elections Code and Voter Bill of Rights require that voters have the right to cast a private ballot free from intimidation.

**ELECTION DAY STAFFING**

- Polls are open from 7:00 am to 8:00 pm
- Shifts are either all day: 6:00 am to approximately 9:00 pm; or half day: opening 6:00 am to 2:00 pm or closing – 2:00 pm to approximately 9:00 am or whenever the closing procedures are finished.
- Election Day begins around 6:00 am with set up and preparation for voters. If you are working an opening shift, your Inspector will instruct you as to what time to arrive.
- Precinct workers will have periodic and meal breaks as assigned by the Inspector.
- Breaks must be staggered so the majority of Polling Place staff are present at all times.

**IMPORTANT REMINDERS**

**VOTE BY MAIL BALLOTS**
Per Elections Code section 3000.5, every active registered voter will receive a vote by mail ballot. This means that every active voter in the precinct roster will have vote by mail indicated in their signature line. A voter can vote a precinct ballot by surrendering their vote by mail ballot OR if the elections office can verify that the voter has not returned his/her vote by mail ballot using the VBM Call Center. Inactive Voters will also be included in the roster and will have INACTIVE noted in their signature space.

**ELIGIBILITY OF VOTERS**
With the exception of **Conditional Voter Registration (CVR)**, Monday, May 23rd is the last day a voter may register (or re-register) to vote for the June 7th Primary Election. A voter moving ON or BEFORE May 23rd must submit a written request to their election's official. If the voter fails to re-register, they may re-register as a CVR voter and vote a provisional ballot in the new precinct. A voter moving AFTER May 23rd can legally vote in the precinct from which he/she has moved, even if he/she moved out of this county. The voter will appear on the precinct roster for their old precinct and must be allowed to vote. The voter can also vote provisionally in their new precinct.

**CONDITIONAL VOTER REGISTRATION (CVR)**
CVR allows an eligible voter to register or re-register after the close of registration, 14 days before an election, and through Election Day with their county elections office or polling place and to cast a provisional ballot. Their ballot will be processed once the county elections office has completed the voter registration verification process.
**TOP TWO PRIMARY**
The “Top Two Candidates Open Primary Act” requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

This means that a voter may cast their vote for any candidate, regardless of what party preference the voter indicated on their voter registration form. Only the two candidates receiving the most votes – regardless of party preference – will then go to the General Election ballot, regardless of vote totals. Even if a candidate received a majority of the vote (50 percent + 1), they must be in a run-off in the General Election. And, even if there were only two candidates in the open primary, a General Election is still required.

A write-in candidate from a Primary Election can only move on to the General Election if the candidate is one of the top two vote-getters in the Primary Election. The voter may not write-in a name for a voter-nominated contest in the General Election.

*California’s “Top Two Candidates Open Primary Act” does not apply to candidates running for United States President or local offices.*

**REDISTRICTING AND VOTING**
To get an updated count of the country’s population, the U.S. Constitution requires a federal census every ten years. California uses that census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization districts based on population changes. The independent California Citizens Redistricting Commission (CCRC) uses the new census data to redraw the Congressional, State Senate, State Assembly, and State Board of Equalization district boundaries. The boundaries for local districts, such as county supervisorial or city council districts, are drawn by those governing bodies and not by the CCRC.

Changes in representation for San Luis Obispo County are as follows:

**TWO SUPERVISORIAL CONTESTS ON BALLOT TYPE 6 ONLY**
Due to the redistricting process of the County Supervisorial boundaries, there will be TWO separate County Supervisor contests on ballot type 6 (consolidated precincts 412, 413, MB06174, MB06214, and MBX6174) for the June 7, 2022, Statewide Direct Primary Election. Voters receiving this ballot may vote on both contests.
The first contest is for a special vacancy election for Supervisorial District 3, for the remainder of the term ending on January 3, 2023. The incumbent was appointed by the Governor to fill the vacancy which occurred in the first half of the term of office. By law, the remainder of the term must go to election and be voted on by residents of the supervisorial district boundaries which were in effect for the term of office which started in January 2021 and ends in January 2025.

The second contest is the regular election for the full 4-year term of office beginning on January 3, 2023, (full term) for Supervisorial District 4 which is elected by voters residing within the newly adopted boundaries for this district.

**EACH BALLOT HAS 2 CARDS**

Because there are over 180 candidates for the June Primary Election, there will be one Official Ballot that will contain two cards (Card A and Card B). Contests and candidates are on both sides of the cards.

**TWO U.S. SENATE CONTESTS ON BALLOT**

The office of U.S. Senate will have **TWO** separate contests on the June 7, 2022, Primary Election ballot. Voters may vote on both. The first contest is the regular election for the full 6-year term of office beginning on January 3, 2023 (full term). The second contest is a special vacancy election, since the current officeholder is temporarily filing a vacancy, for the remainder of the term ending on January 3, 2023 (partial/unexpired term).

At the close of the polls, the Lead Inspector of the polling place is responsible for returning the ballot box assigned to the Voter Assistance Clerk.
ARRIVE AT THE POLLS BY TIME ASSIGNED BY INSPECTOR BUT NO LATER THAN 6:30 AM

The Inspector will assign tasks that must be completed prior to opening the polls and ensure that you sign all of the required documents.

OPENING THE POLLS PROCEDURE

Commence the Voting Process
At 7AM promptly open the polls and proclaim aloud, “THE POLLS ARE NOW OPEN.”

First Voter Procedure
Open the Ballot Box for the first voter who will verify the Ballot Box is EMPTY.

Place seal on the Ballot Box before voter places ballot in the Ballot Box.
CLOSING THE POLLS PROCEDURE

At exactly 8PM, a worker announces in a loud clear voice: “THE POLLS ARE NOW CLOSED.”

Anyone in line by 8PM has the opportunity to vote. Voters arriving after the polls are announced closed cannot be allowed to vote. (EC §14402). Just before the polls close if there is a line, station one of the precinct workers behind the last eligible voter.

Begin closing procedures after the last voter has voted and deposited a ballot in the Ballot Box. Be aware that there may still be voters and be respectful of their presence in the polling place.

Any member of the public may view closing procedures. Public CANNOT touch any voting materials or voted ballots. Only Precinct Workers or Clerk-Recorder staff are allowed to handle ballots. Those viewing are not allowed to interfere with closing procedures.

The inspector will assign tasks to each worker that must be completed before election day is finished.

</table>
Meeting Someone Who Has a Visual Impairment

- **Greetings.** Identify yourself and introduce anyone else who may be with you. Also, don’t leave the person without saying you are leaving.
- **Guiding.** If asked to be a sighted guide, place your arm against their hand, or close enough that they can easily find it. Never push or pull someone, always point out obstacles along the way, and discuss where you are going.
- **Guide and service animals.** Do not pet or distract a guide or service animal. The animal is responsible for the owner’s safety and is working. People with visual impairments often use guide or service animals. However, be aware that people with other disabilities may use guide or service animals as well.

Communicating With Someone Who Is Deaf or Uses an Assistive Hearing Device

- **Let the person take the lead** in establishing which communication method he or she prefers to use (e.g., assistive technology, writing on a piece of paper).
- **Talk directly to the person** even if a sign language interpreter is present. If the person lip reads, face him or her directly and speak at a moderate pace. For some people, it also may help to simplify sentences and use more body expressions.

Use Appropriate Language

- Instead of disabled person, handicapped, or crippled, say **person with a disability**
- Instead of an able-bodied person, say **person without a disability**
- Instead of mentally retarded, retard, slow, or special, say **person with an intellectual or developmental disability**
- Instead of the blind, say **person who is blind or visually impaired**
- Instead of hearing-impaired, deaf, dumb, or mute, say **person who is hard of hearing or a person who is deaf**
- Instead of a victim of, suffers from, or afflicted with (a condition), say **person who has a disability, uses a wheelchair, is blind, or is deaf, etc.**
- Instead of epileptic, say **person with epilepsy**
- Instead of a Down’s person or Mongoloid, say **person with Down Syndrome**
DISABILITY SENSITIVITY AT THE POLLS
CALIFORNIA SECRETARY OF STATE

The rules of etiquette and good manners apply when working with every voter who enters a polling place. In addition, the following guidance may be helpful when working with people with disabilities.

Meeting a Person With a Disability

- **Greet everyone with a smile, eye contact, and a spoken greeting.** Some people are uncomfortable with handshaking or physical contact. Be respectful of personal boundaries. Likewise, if someone offers you a handshake, feel free to accept it.
- **Speak directly to a person with a disability**, not just to others accompanying a person.
- **Offer assistance, but do not insist on providing it.** It is best to ask **all** voters if they need assistance or would like to use an accessible voting system, instead of assuming who may or may not have a disability. Always ask how you may best assist before acting, wait until the offer is accepted, and then listen or ask for instructions. For example, it may be unsafe to grab a walker, white cane, or other aid used by a person who is disabled.
- **Don’t ask about or mention a person’s disability** unless he or she talks about it or it is relevant to the conversation. Don’t praise someone with a disability for having “overcome” the disability. All voters are equal. Don’t patronize or talk down to someone with a disability.
- **Keep your communications simple.** Use plain language (i.e., “May I help you?” rather than “May I assist you?”). Keep sentences short, and rephrase or repeat your comments if the voter is not understanding you. Focus on one topic at a time and be sure to allow time for the person to respond. Also, pay attention to the person while you’re speaking with them, as they may be using body language to communicate.

Interacting With a Person Who Uses a Mobility Device (e.g., Wheelchair, Scooter, Cane, etc.)

- **Provide personal space.** Do not push, lean on, or hold onto a person’s mobility device unless the person asks. Remember, the mobility device is part of his or her personal space.
- **Clear the path.** Make sure that the path of travel to the check-in tables and voting booths are clear before the polls open and remain clear throughout the day.
- **When giving direction to someone using a mobility device,** consider the distance, weather, and physical obstacles such as curbs and stairs the person will encounter. Know where the accessible pathways, restrooms, and water fountains are both in and outside of the building.

Meeting Someone With a Disability That Affects Speech

- **Pay attention, be patient, and wait** for the person to complete a thought and do not try to finish it for them. Ask the person to repeat the thought if you do not understand what they are trying to say.
- **Understand a person may use assistive technology** such as an alphabet board or computer to communicate.

INSTRUCTIONS TO VOTERS:
To vote for a candidate whose name appears on the ballot, mark the voting target next to the candidate’s name. Where two or more candidates for the same office are to be elected, place a mark next to the name of all candidates for the office for whom you desire to vote, not to exceed, however, the number of candidates to be elected. To vote for a qualified write-in candidate, write the person’s name in the blank space provided for that purpose after the names of the other candidates for the same office and mark the voting target next to the written name. To vote on any measure, mark the voting target next to the word “Yes” or next to the word “No.” Marking the ballot outside of the designated space to vote for a candidate or measure may compromise the secrecy of the ballot. If you wrongly mark, tear, or deface this ballot, return it to the precinct board member and obtain another.
