JOKE OF THE DAY

Q: What did the man who swallowed a large Ray Technician?

A: “I have no idea what happened to my Ray Technician!”

STAFF SPOTLIGHT: JON UDER

A San Luis native, Jon worked his way up from San Luis Obispo City’s Public Works IT department to Director of the County IT department and currently serves as the Director of Public Works IT for the County of SLO. Jon has been an instrumental part of the County’s IT department’s growth and development over the past several years.

STAFF SPOTLIGHT: AMBER TESDEUM

Amber Tesdord has been a member of the County of SLO’s IT department since 2018. She currently serves as the Director of Public Works IT for the County of SLO. Amber has been an instrumental part of the County’s IT department’s growth and development over the past several years.

FREQUENTLY ASKED QUESTIONS

Q: What are the Swabbing Clinics?

A: Swabbing Clinics are testing sites tentatively set to open the third week of May. Each clinic is being set up to test 100-200 people per day. These clinics are being set up to test for COVID-19 and will be conducted by Public Health professionals who may work alongside MRC volunteers to help swab patients. The swabbing process is quick and painless.

Q: Do I need to get N95 Fit Tested again if I have already been Fit Tested by my Employer?

A: If you have had an N95 Fit test within the past 30 days, you do not need to get re-tested.

Q: Is there anything left I need to complete to be a volunteer?

A: If you are not sure if you have completed all the necessary steps to be a volunteer, please email us and we can confirm your paperwork and training has been complete.

IN THE FIELD

Kori Sweeney is an EMT who recently got trained to get into our Public Health Clinic at 2100 Johnson Avenue.

MEDICAL RESERVE CORPS: OUR SCOPE

The SLO Medical Reserve Corps (MRC) has been established as a local emergency preparedness and response, health resource for the communities served by the SLOMRC.

In the event of a large-scale emergency or disaster, the SLO Medical Reserve Corps (MRC) volunteers will be utilized to staff these clinics. We are currently training select volunteers. More training to come.
