SCHEDULE OF BENEFITS

Disability Income Insurance – Weekly Income Benefits

Weekly Income Benefit Percentage	60%
Maximum Weekly Income Benefit	\$1,325
Minimum Weekly Income Benefit	\$50

The **Weekly Income Benefit** is calculated as follows:

Weekly Income Benefit (A divided by B) times C, minus Other Income Benefit Reductions.

A = Your Basic Weekly Earnings minus Recovery Work Earnings.

B = Your Basic Weekly Earnings.

C = Your **Gross Weekly Benefit**, defined as follows:

- Take the Benefit Percentage and multiply by Your Basic Weekly Earnings.
- Compare this result to the Maximum Weekly Income Benefit and take the lesser of the two amounts.

In no event will Your Weekly Income Benefit plus Other Income be greater than Your preDisability Basic Weekly Earnings.

Elimination Period

- Disability caused by Injury
- Disability caused by Sickness

Maximum Benefit Period 12 weeks

Proof of Good Health

If You are required to submit Proof of Good Health according to Your certificate and/or Your enrollment materials, then You will need to complete and submit an Evidence of Insurability form for approval by ReliaStar Life. Proof of Good Health will be required for any amount of Disability Income Insurance, if You apply more than 31 days after the date You become eligible.

EMPLOYEE'S INSURANCE

Eligibility

You are eligible on the first day of the month on or after the date You start continuous service with the Employer.

You must meet the following conditions to become insured:

- Be eligible for the insurance.
- Be Actively at Work.
- Apply for the insurance, if You have to pay any part of the premium.
- Give to ReliaStar Life Proof of Good Health, which it approves, if coverage requires Proof of Good Health according to the Schedule of Benefits.

Effective Date of Employee's Insurance

Your insurance starts on the latest of the following dates:

- The date You become eligible.
- The date You return to Active Work if You are not Actively at Work on the date insurance would otherwise start. **Exception:** Your insurance starts on a Nonworking Day if You were Actively at Work on Your last scheduled working day before the Nonworking Day.
- The date You apply for insurance, if You have to pay any part of the premium.
- The date ReliaStar Life approves Your Proof of Good Health, if proof is required.

Continuity of Coverage

If You are not Actively at Work on the date insurance would otherwise start, ReliaStar Life will waive the Actively at Work requirement if both of the following are true:

- You are eligible for insurance except for meeting the Actively at Work requirement on the Group Policy's Effective Date.
- You were covered under the Employer's prior group disability income plan on the day before the Group Policy's Effective Date.

Your insurance is subject to payment of premium. Before You return to Active Work, any benefit will be limited to the amount that would have been paid under the prior plan. ReliaStar Life reduces the amount it pays by any amount for which the prior plan is liable. Your insurance will stop on the date benefits would have ended under the prior plan had it remained in force.

If You were Actively at Work and insured under the Group Policy on its Effective Date, and You were covered under the Employer's prior group disability income plan on the day before that date, then ReliaStar Life applies the Pre-existing Condition provision to your benefits as follows:

1. If You fully satisfy the Group Policy's Pre-existing Condition provision, then benefits are payable according to the terms of the Group Policy.
2. If You become Disabled due to a Pre-existing Condition before You have satisfied the Group Policy's Pre-existing Condition provision, ReliaStar Life will look at whether You would have satisfied the prior plan's pre-existing condition provision.
 - If the prior plan did not have a pre-existing condition provision, ReliaStar Life will credit the time You were covered under the prior plan toward the Group Policy's Pre-existing Condition provision.
 - If You fully satisfied the prior plan's pre-existing condition provision and would have been eligible for benefits under the prior plan, then ReliaStar Life will pay the lesser of the amount payable under the Group Policy or the amount that would have been payable under the prior plan. Benefits will stop on the earlier of the date benefits end under the Group Policy or would have ended under the prior plan.
 - If You did not fully satisfy the prior plan's pre-existing condition provision and would not have been eligible for benefits under the prior plan, then ReliaStar Life will credit any time You satisfied under the prior plan's pre-existing condition provision toward meeting the Group Policy's Pre-existing Condition provision.

On the Group Policy's Effective Date, if the maximum benefit is greater under the Group Policy than under the Employer's prior plan, then the Group Policy's Pre-existing Condition provision will apply to any increased benefit amount.

EMPLOYEE'S INSURANCE

Please refer to the Exclusions in the Disability Income section of the certificate for more information on Pre-existing Conditions.

Effective Date of Change in Amount of Insurance

If there is an increase in the amount of Your insurance, the increase will take effect on:

- The date of the increase, if You are Actively at Work on that date.
- The date You return to Active Work, if You are not Actively at Work on the date Your insurance increases.
- The Nonworking Day on which the increase was effective, if You were Actively at Work on Your last scheduled working day before the Nonworking Day.

A decrease in the amount of Your insurance will take effect on the date of the decrease.

Termination of Insurance

Your insurance stops on the earliest of the following dates:

- The date You are no longer Actively at Work for the Employer.
- The date You are no longer eligible for insurance under the Group Policy.
- The date the Group Policy stops.
- The end of the period for which You paid premiums, if You do not make the next required premium contribution when due.

ReliaStar Life stops providing a specific benefit to You on the date that benefit is no longer provided under the Group Policy.

Termination of the Group Policy will not affect any claim for a Disability which begins before the date of termination.

Family and Medical Leave Act of 1993

Certain employers are subject to the FMLA. If You have a leave from Active Work certified by your employer, then for purposes of eligibility and termination of coverage You will be considered to be Actively at Work. Your coverage will remain in force so long as You continue to meet the requirements as set forth in the FMLA.

Leave of Absence

The Policyholder may continue Your Disability Income Insurance for Weekly Income Benefits if You stop Active Work for one of the following reasons:

- Paid leave of absence.
- Unpaid educational leave of absence after which You are required to return to work with the Policyholder.

The Policyholder may continue Your Disability Insurance for Weekly Income Benefits to the end of the third policy month after the policy month You stop Active Work.

Rehire

If Your employment terminates and then You are rehired within 12 months, ReliaStar Life will credit the time You were previously Actively at Work for the Employer toward meeting any eligibility waiting period under the Group Policy. If Your rehire occurs within the same policy year, Your coverage will be the same as it was on the date Your previous coverage under the Group Policy stopped, and You will not be eligible to increase Your coverage until the designated enrollment period for the next policy year.

DISABILITY INCOME INSURANCE

Weekly Income Benefits

Qualifying for Benefits

ReliaStar Life pays benefits if You become Disabled and qualify to receive benefits. The benefit payable is based on the Schedule of Benefits in effect on the date You became Disabled.

To qualify for benefits, all of the following conditions must be met:

You must –

- be insured on the date You become Disabled and the condition causing your Disability is not excluded from coverage.
- be insured on the date the Elimination Period begins.
- send notice of the Disability as described in the Claim Procedures section.

Elimination Period

The Elimination Period is the length of time You must be continuously Disabled before You qualify to receive any benefits. **Exception:** You may return to work for up to 5 days during the Elimination Period without having to begin a new Elimination Period. The days You work and are not Disabled do not count toward meeting the Elimination Period.

The Elimination Period begins on the date of Disability according to the written proof of loss.

The Elimination Period is shown on the Schedule of Benefits.

Benefit Payments

Weekly Income Benefits are paid at the end of each week for the period for which You qualified. If You are Disabled for part of a week the benefit payable is based on $1/7$ of Your Weekly Income Benefit for each day You are Disabled.

The Weekly Income Benefits are determined as shown on the Schedule of Benefits. Benefits continue while You are Disabled up to the Maximum Benefit Period shown on the Schedule of Benefits. You must complete the Elimination Period before any benefits are payable.

Other Income Benefit Reductions

Other Income is subtracted from the benefit You would otherwise receive, as shown on the Schedule of Benefits.

Except for Other Income retirement benefits, Other Income includes only income which is payable for the same Period of Disability for which You are claiming benefits under the Group Policy.

Other Income includes only the following retirement benefits:

- Early retirement benefits You are receiving that are voluntarily selected.
- Retirement benefits that are unreduced by age for which You are eligible on the later of the following:
 - the date you reach age 62.
 - normal retirement age.

ReliaStar Life considers retirement benefits received before age 62, or if later, before normal retirement age, to be voluntarily elected until You provide written proof that You did not elect to receive benefits voluntarily.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit that would have been paid if the disability had not occurred. If disability benefits reduce the retirement benefit under the plan, they will be considered a retirement benefit.

You are obligated to apply for all Other Income benefits that You may be entitled to receive. If You have not applied for those benefits or You have not pursued them with reasonable diligence, and if ReliaStar Life has a reasonable, good faith belief that You are entitled to Other Income benefits and a means of reasonably estimating the Other Income amount, then ReliaStar Life will estimate the amount of certain Other Income You would be entitled to receive and reduce Your benefit by that amount. See the definition of Other Income for the types of benefits that may be estimated. When ReliaStar Life receives written proof that Other Income benefits were denied or contested, ReliaStar Life will pay benefits You are qualified to receive. However, if the denial of Other Income benefits is not final, You must pursue them with reasonable diligence.

DISABILITY INCOME INSURANCE

ReliaStar Life will not reduce benefits by a cost of living increase to any Other Income benefit after the initial Other Income benefit becomes payable.

Minimum Weekly Income Benefit

If You receive Other Income, it will be subtracted from the benefit You would otherwise receive. However, after You qualify for Weekly Income Benefits, ReliaStar Life will pay You at least the minimum Weekly Income Benefit shown on the Schedule of Benefits.

Lump Sum Payments

Other Income You receive as a lump sum will be prorated into weekly amounts. The prorated amount will be subtracted from the benefit You would otherwise receive, until the total amount subtracted equals the lump sum payment. ReliaStar Life will determine the prorated amount using the first of the following methods that applies:

- Divide the Other Income lump sum into weekly amounts based on the amount of Other Income You were receiving from the same source prior to receiving the lump sum payment.
- Divide the Other Income lump sum into weekly amounts based on the weekly amount You could have received in lieu of the lump sum payment.
- Divide the Other Income lump sum into weekly amounts over the remaining Maximum Benefit Period.

Overpayment

If ReliaStar Life pays You a larger benefit than You should have received, ReliaStar Life may recover any overpayments it made. ReliaStar Life will provide You with a written accounting of the basis for overpayment.

ReliaStar Life will recover from You the full amount of the overpayment through one or more of the following means:

- Require You to return the overpayment in one lump sum.
- Stop payment of benefits until the full overpayment is repaid.

Any Minimum Weekly Income Benefit otherwise payable will not be paid until the overpayment is recovered.

Waiver of Premium

ReliaStar Life waives Your premium during any period for which benefits are payable. If ReliaStar Life waives Your premium it is the Policyholder's responsibility to refund to You any contribution You may make after qualifying for benefits.

Termination of Benefits

ReliaStar Life stops paying benefits on the earliest of the following:

- The date You are no longer disabled.
- The end of the Maximum Benefit Period for any one Period of Disability. The Maximum Benefit Period is shown on the Schedule of Benefits.
- The date You no longer qualify for benefits under all the conditions listed.
- The date of Your death.
- The date You unreasonably fail to provide written proof of continued Disability to ReliaStar Life.
- The date You cease to be under Regular and Appropriate Care of a Doctor, or unreasonably refuse to undergo an examination or testing by a Doctor of ReliaStar Life's choosing.

If the Group Policy or the Disability Income Insurance part of the Group Policy terminates after You qualify to receive benefits, ReliaStar Life continues Your benefit payments. Benefits are paid as long as You continue to qualify according to the terms of the Group Policy in effect on the date You qualified.

Recurrent Disability

If You are receiving Weekly Income Benefits, a Recurrent Disability is a Disability due to the same cause which occurs after You have returned to full-time work for the Employer for less than 10 working days.

ReliaStar Life pays benefits for a Recurrent Disability which is a continuation of a previous Disability.

A Recurrent Disability has –

- no additional Elimination Period.
- the same Maximum Benefit Period as the previous Disability.

DISABILITY INCOME INSURANCE

Benefits payable under this Recurrent Disability provision will stop if benefits are payable to You under any other group disability policy or plan.

Exclusions

ReliaStar Life will not pay benefits if Your Disability results from any of the following:

- Sickness or Injury which occurs in any armed conflict, whether declared as war or not, involving any country or government.
- Sickness or Injury which occurs while You are on military service for any country or government.
- Intentionally self-inflicted Injury or Sickness.
- Injury which occurs when You commit or attempt to commit a felony.
- Sickness or Injury due to cosmetic or reconstructive surgery, except for surgery necessary to correct a deformity caused by Sickness or Injury.
- Injury or Sickness covered under a Workers' Compensation law for which You have received benefits.

ReliaStar Life will not pay benefits for the portion of any Period of Disability that You are confined in a penal or correctional institution as a result of conviction for a criminal or other public offense.

ReliaStar Life will not pay an additional benefit for Disability caused by both Sickness and Injury or by more than one Sickness or Injury.

Pre-Existing Condition Exclusion

ReliaStar Life will not pay Weekly Income Benefits if Your Disability is due to a Pre-existing Condition, and You became Disabled during the first 12 months Your insurance is in effect.

For any other type of benefits payable under the Group Policy, the completed claim forms must be returned to ReliaStar Life within 90 days of the loss. Even if You do not receive claim forms, written proof of loss must be sent to ReliaStar Life within the time period specified above or as soon as reasonably possible, but in no event, except in the absence of Your legal capacity, will ReliaStar Life accept proof of loss submitted more than one year from the date proof of loss is otherwise required.

2. Your children.
3. Your estate.

Time of Payment of Claims

This right will only be exercised as often as ReliaStar Life reasonably believes necessary to properly evaluate Your claim and Your potential for rehabilitation.

Incontestability

Any statement You make to obtain insurance is a representation and not a warranty. No misrepresentation by You will be used to reduce or deny a claim or to deny the validity of Your insurance unless all of the following are true:
