d. Commission Secretary

(2) Status report regarding the Probation Department discrimination investigation  
Ms. Hossli reported the investigation has taken longer than anticipated because there were eight complainants involved. The investigation should conclude this week. The final report will then be made available to all appropriate parties.

(3) Update on Human Resources 2008-09 budget recommendations  
Ms. Hossli reported that overall Human Resources fared well in the budget process. We lost one position, but since that position will be vacated in July due to retirement, we will not have to lay off any department staff.

Ms. Hossli explained that a request for an additional $25,000 to help cover the cost of the CSC rules negotiator was not funded as part of the budget process. The County Administrative Office did indicate that they would be willing to revisit the issue during 2008-09 if the Commission’s funds run short.

(4) Distribution of the Human Resources Strategic Plan  
Ms. Hossli distributed copies of the Human Resources Department Strategic Plan. The plan was created to clearly identify the department's organizational structure, reporting systems, annual calendar, performance measures, goals, key initiatives and committees.

(5) County’s fiscal position  
Dan Buckshi from the County Administrative Office asked if he could provide a brief overview of the County’s fiscal position. The Commission agreed. Mr. Buckshi proceeded to explain the current deficit, what the County was doing to address the deficit, and the impact the deficit will have on the 2008-09 budget. He responded to the Commission’s questions and then concluded his presentation.
5. **Job Specifications – Revised**

Ms. Hossli reviewed the current policy for presenting revised job specifications to the Commission. For all future specifications, staff will present only a strikeout version and a clean version of the specification, and if appropriate, an organizational chart.

a. **Medical Records Technician/Senior Medical Records Technician**

Ms. Duke, Deputy Human Resources Director, presented the revised specification. She explained the changes were minimal and necessary to address recruitment issues. Human Resources staff and Jeff Hamm, Health Agency Director responded to the Commission’s inquiries.

The Commission made a few additional changes beyond those recommended by staff. A motion to approve the revised Medical Records Technician/Senior Medical Records Technician specification as amended was made by Commissioner Nix and seconded by Commissioner Tappan. The motion passed 5-0-0.

**Vote:**

- Vice President Nix: Yes
- Commissioner Salter: Yes
- Commissioner Chapman: Yes
- President Bergman: Yes
- Commissioner Tappan: Yes

The specification will be brought back to the Commission at the next meeting with the changes for informational purposes only. In the meantime, staff will move forward with the recruitment using the revised specification language.
