   b. Commission Subcommittees
      Rule Update Committee
      Commissioner Salter summarized the status of the Rule Update Committee and reported the following information. At the August 28, 2008 meeting, members agreed to meet only once a month and to have SLOCEA assume the role of drafting the rule 4 proposal discussions. Commissioner Salter reported on the discussion that took place with the Rule Committee in response to his revised rule 11.06 proposal (Commissioner Salter distributed copies to Commissioners) and noted that Gail Wilcox requested the Commission review and discuss his proposal prior to further discussion by the Rule Committee. Furthermore, County management representatives requested that the Commission support the supervisory training program to set clearer expectations and guidelines for supervisors, which they feel should alleviate many problems related to rule 11.06. Additionally, Ms. Duke discussed plans for the Personnel Analysts to have regular follow up with departments during an employee’s probationary period. The purpose of the follow up would be two fold; 1) To evaluate the effectiveness of the recruitment process, and 2) to assist supervisors with any concerns regarding the probationary employee.

      Commissioner Salter also requested that the final rule 4 proposal, if completed, be placed on the Commission’s October agenda for discussion in closed session and expressed the need for further discussion regarding rule 11.06. Kimm Daniels, SLOCEA, affirmed her support of Commissioner Salter’s rule 11.06 proposal.

      Ginger Fisher, Administrative Analyst, presented an overview of the aforementioned supervisory training program stating that it will focus on supervisors’ responsibilities and accountability and invited the Commissioners to attend the pilot program on October 1, 2008.

      Following discussion regarding how the supervisory training program will relate to rules 11.06, 13.02 and 16.02, the Commission recommended delaying the revision of rule 11.06 in order to allow time for the Administrative Office to implement the supervisory training program.
