4. **RENEGOTIATION**

In the event either party wants to negotiate a successor Agreement, such party shall serve upon the other during the period between January 1 and March 1, of the final year of this Agreement, its written request to begin negotiations for a successor Agreement.

Unless the parties agree otherwise, negotiations shall begin no later than thirty (30) days after such receipt of the initiating party's notice or March 1, whichever is later.

Employees who serve as designated members of DCCA’s Negotiating Team shall be allowed reasonable time off without loss of compensation or other benefits when formally meeting and conferring with representatives of the public agency on matters within the scope of representation.

5. **COUNTY RIGHTS AND RESPONSIBILITIES**

The County retains, solely and exclusively, all the rights, powers, and authority exercised or held prior to the execution of this Agreement, except as expressly limited by a specific provision of this Agreement. Without limiting the generality of the foregoing, the rights, powers and authority retained solely and exclusively by the County and not abridged herein include, but are not limited to, the following:

To manage and direct its business and personnel; to manage, control, and determine the mission of its departments, building facilities and operations; to create, change, combine or abolish jobs, departments and facilities in whole or in part; to subcontract or discontinue work for economic or operational reasons; to direct the work force; to increase or decrease the work force and determine the number of employees needed; to hire, transfer, promote and maintain the discipline and efficiency of its employees; to establish work standards, schedules of operation and reasonable work load; to specify or assign work requirements and overtime; to schedule working hours and shifts; to determine the type and scope of work to be performed and the services to be provided; to determine the methods, processes, means and places of providing services, and to take whatever action necessary to prepare for or operate in an emergency.

Nothing in this Article shall be construed to limit, amend, decrease, revoke or otherwise modify the rights vested in the County by any law regulating, authorizing or empowering the County to act or refrain from acting. However, the County agrees to consult with DCCA upon request in
regard to any proposed subcontracting of services which would result in the elimination of unit members' jobs.

6. WORK SCHEDULES
The parties agree to continue the following work schedule policies:

6.1 The parties acknowledge that Unit members are professional attorneys who, in the course of their duties, are not subject to defined working hours. It is expressly acknowledged that management may determine the days and hours during which Unit members shall be required to work and to the extent consistent with law, Unit members shall be deemed to work 40 hours per week, if certified by the County Counsel. As Fair Labor Standards Act (FLSA) Regulations state, the special public-sector rule based on “principles of public accountability” involves the concept that “the use of public funds should always be in the public interest” and that “public employees should not be paid for time they do not work”, unless it is time otherwise guaranteed to unit members such as vacation, administrative, or personal leave.

6.2 During a period of emergency, which can be declared by the County and may be Countywide or by specific work location, County has the right to release employees from employment, reschedule their job duties or retain anyone needed for emergency services, assistance, etc. If not rescheduled, employees released from employment will be released with pay for the remainder of the day, subject to recall at any time. Thereafter, if the emergency continues and employees are not rescheduled, employees released from employment have the right, except for accrued sick leave, to use accrued paid leave time or leave without pay for hours that they were released from employment. Released employees will not be allowed to code sick leave, voluntary time off (VTO), or regular work codes. If employee has no leave balances, then employee shall be permitted to request VTO. Previously approved sick leave and VTO time shall be permitted. Nothing herein shall be construed as a guarantee of a minimum number of hours of work per day or per week. Nothing herein shall be construed to modify whatsoever a workday or work week as defined by the County.

6.3 Parties agree to continue appropriate County ordinances to provide the proper accrual rates, compensation practices, and paid time usage for flexible workweek options.

7. WORK LOCATION
The parties agree to continue the following work location policy:

Except in cases of emergencies, employees will not be reassigned from their designated normal work location without prior notice. If the reassignment is intended as a permanent change, management shall give the employee at least one week's advance notice. The designated normal work location is the place at which the employee spends the largest part of her/his regular workdays or working time or the place to which she/he returns upon completion of special assignments. Said notice provision may be waived by written agreement of the employee.

The parties agree that employees on temporary assignment to another location will:
7.1 Receive mileage reimbursement for miles traveled from home to the temporary work site or from the permanent work site, whichever is less.

7.2 Receive an estimate of the length of the temporary assignment.

8.1.6 There shall be no additional general salary increases for unit members through June 30, 2025.

8.1.7 The salaries specified herein were negotiated and agreed to in accordance with the provisions of California Government section 3505 and with the County Prevailing Wage Ordinance (County Code Section 2.48.180), which provides, “Prevailing salaries or wages shall be determined by negotiations between the county’s employer representatives and the recognized employee organization(s).”

8.1.8 The parties agree that the negotiated prevailing wage increases provided for in this Article were negotiated for the benefit of those persons who remain in County employment and were not intended to apply to former employees who leave County employment prior to the adoption date by the Board of Supervisors of this MOU or its various provisions and any changes that may occur during the term of this Agreement. (See Article 17, IMPLEMENTATION AND EFFECT).
9. **RETIREMENT CONTRIBUTION**

9.1 **Pension Pick-Up**

9.1.1 The County agrees to continue Employer Paid Member Contributions (EPMC) for a portion of the Tier 1 and Tier 2 employees’ contribution to the Pension Trust whereby the County will pay nine and twenty-nine hundredths percent (9.29%) of the pensionable wages to the County’s Retirement System on behalf of each such employee. As set forth in the Retirement Plan, the EPMC amount is pensionable income.

9.1.1.1 For “new members,” as defined by the Public Employees’ Pension Reform Act (PEPRA), on or after the pay period that includes July 1, 2013, the County shall discontinue the nine and twenty-nine hundred percent (9.29%) EPMC of the employees’ contribution to the County Employees Retirement Plan. “New members” on or after the pay period that includes July 1, 2013 shall be responsible for the full employee share of pension contributions.

9.1.2 These amounts paid by the County, referred to in Section 9.1.1, are for a portion of the unit member’s contributions provided in lieu of salary and are paid by the County to partially satisfy the employee’s obligation to contribute to the County Pension Trust.

9.1.3 Unit members shall not have the option to receive the contributed amounts directly as salary instead of having them paid by the County to the Pension Trust as payment of a portion of the required employee retirement contribution on behalf of the unit members.

9.1.4 The parties agree that the County’s EPMC of employees’ Pension Trust contributions is based on San Luis Obispo County Employees Retirement Plan section 5.05.1 and the tax treatment permitted by California and Federal law including particularly Internal Revenue Code section 414(h)(2) as well as state statutes and regulations and federal statutes, regulations, and revenue rulings. It is understood that these laws may be altered by the law-making bodies and agencies and such a contingency is beyond the control of the parties. In that regard, the County shall declare that it is “picking up” these employer-paid member contributions pursuant to Internal Revenue Code section 414(h)(2) so that they will not be reported as taxable income.

9.2 **Pension Contributions**

9.2.1 Any pension rate increase determined annually by the Pension Trust Board shall be shared between the parties 50/50 for Tier 1 and Tier 2 members, as adopted by the Board of Supervisors after receipt of actuarial data. Tier 3 members will split pension rate increases 50/50 for the life of this MOU, with the subject of future cost sharing to be addressed in successor agreements. Any resulting pension rate increase shall be implemented during the pay period including January 1 or July 1 during the year of the increase as determined by the County. For the term of this Agreement only, the following provisions shall apply:
9.2.1.1 There shall be no pension contribution rate increase for Tier 1, Tier 2, and Tier 3 members for fiscal year 2022/23.

9.2.1.2 For fiscal year 2023/24 Tier 1 and Tier 2 members and the County shall share any pension contribution rate increase 50/50 except that the employees’ 50% share of the increase shall not exceed 1%. There shall be no pension contribution rate increase for Tier 3 members for fiscal year 2023/24.

9.2.1.3 For fiscal year 2024/25 Tier 1, Tier 2, and Tier 3 members and the County shall share any pension contribution rate increase 50/50 except that the employees’ 50% share of the increase shall not exceed 1%.
