

COUNTY OF SAN LUIS OBISPO PUBLIC HEALTH DEPARTMENT

Live, Play, Work in San Luis Obispo County

NOW HIRING: PHYSICAL THERAPIST

The County of San Luis Obispo Health Agency is seeking an experienced Physical Therapist or new graduate for a dynamic and hands-on role with the California Children's Services Medical Therapy Program. The therapist will work closely with the family, the pediatric orthopedist and others involved in the child's care to determine the child's needs and treatment plan, and work with the child to improve independence levels.

The team enjoys strong, positive relationships with collaborating physicians, the local managed care plan, the local SELPA and DME vendors, as well as strong administrative and IT support. Sites are well-equipped and located at schools.

The ideal candidate will possess knowledge of the therapeutic principles, techniques and equipment used in physical therapy, anatomy, physiology and basic pathology involved in diseases or injuries resulting in physical and mental disabilities. We are looking for someone who is able to build and maintain effective working relationships with families, clients, staff and other medical professionals. Ideal candidates will be organized, have excellent communication skills, be able to follow written and oral instructions, and keep accurate records.

In addition to a competitive salary and benefits package, the County of San Luis Obispo supports learning and professional development opportunities and the Medical Therapy Program offers a collegial and supportive work environment with low staff turnover.

Because Lifestyle Matters

San Luis Obispo (SLO, as it's called here) is both a place and a lifestyle. Sprawling and rural, it sits at the intersection of surf culture, cowboy culture, and wine region sophistication. And that is a fine place to be. [Find out more about SLO County.](#)
