Good afternoon,

Thank you for the opportunity to comment on this document. It is well researched and written.

I want to express my support for the Diablo Canyon Decommissioning Engagement Panel's "Strategic Vision" (last edited April 2023), especially those recommendations listed under "Diablo Canyon Lands."

I am also curious if the Diablo Canyon lands would be suitable habitat for the future introduction/reintroduction of the California Condor. Can you look into that possibility and report on that in the final EIR?

Thank you, once again.

Sincerely Yours,
