II. Approval of Minutes
A motion was made by Richard Michael Hill and seconded by Robert Reyes to approve the minutes from September 16, 2019. All in favor, motion carried.
III. Public Comment
No public comment.

IV. Program Updates

• **Adult Drug Court**– Morgan Boyd, gave an update on the Adult Drug Court Grant referral data. As of October 1, a total of 54 potential clients were referred for screening to Adult Drug Court. Only 46 participants were screened by the Adult Drug Court. Only 48 participants were screened by the Adult Treatment Team because they either did not show up for the screening or they were denied by Probation or by the courts. Of the 48 potential clients screened, 52% were living with family, 31% reported being homeless, and 17% were renters. This continues to demonstrate the need for housing assistance within the Adult Treatment Courts. The team will continue to collect data and present the findings to the CCP Committee. An update will be given at the next CCP Committee meeting.

• **Mental Health Diversion JAG Grant** - The three-year grant was awarded to the SLO County Probation Department in the amount of $715,000.00 per year. The item is scheduled to go to the Board of Supervisor on November 19, 2019. Once approved by the BOS, the funding will be used to build on the mental health diversion programs that are already in place, adding 20 new slots for those clients with severe mental illness and co-occurring disorders. The Initial pilot project allowed for 10 slots, the State Department of Hospitals Grant allowed for 3 spots, the new grant funding will allow for 20 more, providing a total of 33 mental health diversion spots. Also adding full-time probation officer and a full-time Behavioral Health Clinician and a Behavioral Health Specialist.

• **Community Action Team** - Nothing to report at this time. An update will be given at the following CCP meeting.

• **Medication Assisted Treatment Grant** - The grant will expand the medication assisted treatment to three new geographic locations, Morro Bay, Paso Robles and South County, bringing new partnerships that will include the Public Health Department, Mental Health, and possibly Community Health Centers in the South County. The new pilot satellite clinic is scheduled to open on October 16, in Morro Bay.
V. **Treasurer’s Report** Fiscal staff from the various CCP agencies met in early September and discussed various methods for budgeting, forecasting, managing unanticipated budget changes. Each agency will submit a proposed status quo budget similar to the County Status Quo budget. If an agency is requesting an expansion, a BAR must be submitted to the CCP Committee for approval. If a non-governmental agency is requesting an increase to their budget, the requesting agency must submit a justification for their request. As these agreements are generally paid through a County contract, language and justification will be needed to increase the contract. If the organization is proposing to extend the program, they will need to submit a BAR. Wendy White will prepare a multi-year forecast assuming a conservative inflation increase for the purposes of what is truly sustainable in funding the various different programs. At year end, any savings realized by each agency will be moved into the overall trust for reallocation in subsequent years.

Meeting adjourned at 4:05 pm.

Respectfully submitted,
Maria Woodworth, CCP Secretary
