IV. Program and Grant Updates
The Adult Drug Court Program Manager position has filled. Irma Perez has been hired as the new Program Manager. Irma will be in charge of collect and analyzing the program data for the Adult Drug Court Program.
All the grants are still operating, services are being conducted via Zoom. Family Treatment court Grant and Adult Drug Court Grant quarterly reports are due at the end of the month. Due to Covid-19 Adult Drug Court is experiencing a lack of referrals from the courts. The CAT grant is fully staffed and is going well. Law enforcement is currently assisting in reaching to the unincorporated areas. The Jail MAT Program is currently working on transition clients into the community by assisting them in finding recovery homes. The CAT team is also reported successfully inducing non pregnant clients with Suboxone to assist with drug recovery.
Whole Person Care Grant ends 2025; the grant funding will be used to assist clients that have mental health issues, homelessness, including drug and alcohol. The grant includes one staff person to assist with providing services to the Whole Person Care clients. An update will be given a the next CCP meeting.

V. Treasurer’s Report
Budget Shortfall

Originally, the State budgeted a higher base allocation for the fiscal year 20/21. Due to the Governor’s May revision, that base allocation was reduced due to revenue short falls at the State level. If various agencies used their entire approved budget for FY 20/21, reserves would have to be used to cover the expenditures. The CCP Executive committee proposed a cost savings mythology to bring the 20/21 Fiscal Year Budget into balance that would not use all the reserves available.

Meeting adjourned at 3:45 pm.

Respectfully submitted,
Maria Woodworth, CCP Secretary
