COMMENTS - Information from Agencies

a. Probation – (Jim Salio)
Central Valley Academy treatment program has started on Juvenile Hall East Unit. The Juvenile Hall population is steady, a few youths in custody are awaiting fitness hearings (to determine if they will be transferred to adult court or not). Two youths have been sent to DJJ. There are two DJJ locations in Stockton and one facility in Ventura. There are only about 300 youths in DJJ in California. Youths can stay in DJJ until they are 23
years old. Jim volunteered to arrange a tour of DJJ for the Commissioners

b. DSS/CWS – (Elise Roberts)
Their numbers are increasing. There is an increasing number of teenagers with co-
occurring disorders. They have concerns about proposed significant Cal Works
Program cuts in the State.

c. District Attorney - (No Representative)

d. County Counsel – (No Representative)

e. SLO County Office of Education – (Karen Donaghe)
On January 1st Assembly Bill 2306 was passed regarding State minimums for
graduation. The juniors and seniors that are in custody and credit deficient, can earn
school credit for graduation while in custody.

f. Law Enforcement – (Tim Olivas)
The three Sheriff Sub-stations are now doing juvenile detention logs. So, they are ready
for JJC annual inspections. Active Shooter maps are ready and available to the
different agencies. Now they are looking at mapping large venues in the county.

Tim handed out a flyer from POSAFY (Prevention of Substance Abuse for Youth). The
April 4th presentation is about the effects of marijuana on our youth. They will also be
giving presentations to the high schools. There are about 370 license applications for
marijuana grows in this county. Julie DiFrancio suggested POSAFY get in touch with
the California Youth Group, which is a group that emphasizes youths talking to youths.

g. Behavioral Health – (Kim Mott)
Their SLO County Youth Substance-Related Behavioral Health Treatment program is
rapidly growing. They offer services to co-occurring youths, early intervention treatment
programs, and individual therapy sessions for low-risk individuals.

They are dealing with middle-school issues of homelessness, housing, and immigration
issues. AB2246 requires schools to have suicide intervention and prevention plans and
educate all staff. They provide an 8-hour mental health first aid training. Next week is
National Kick Butts Day. Kim invited the Commissioners to Every 15 Minutes at Nipomo
High School on March 28th and 29th. Last year the Drug Take Back Day took back 400
pounds of drugs in San Luis Obispo.

h. Superior Court – (No Representative)

trauma informed training to the schools, and providing resources for parents and educators.
Recruitment: There are 9 new resource families that have completed training; and 16 children have been served by 6 specialized foster homes. They will be looking at recruiting among retirees, local professionals, and faith based organizations. Also, they are looking at what is working in other counties and states and also increasing local community awareness. There are usually two all day Saturdays and three evenings involved in Resource Family Training (RFT).
