COMMITTEE/ COMMISSIONER REPORT

- a. Legislation-** (Kayla Plourde, Jim Salio) Chief Salio reported on Bill AB2010. This bill would prohibit an officer from possessing any pepper spray. The bill would allow pepper spray to be used as a last resort when necessary to suppress a fight or riot. This bill opposed by probation due to safety concerns for officers and juveniles. As an alternative, probation is sponsoring a bill to have a study done on best practices around the use of chemical agents in juvenile institutions.

Prop 57 was also discussed. This law was passed by the voters last year. This law took away direct filing process; every child going from juvenile to adult court must go through the judicial review process. There is a bill by Lara; SB1391 would prohibit 14 and 15-year old's from going to the Adult Drug Court. Probation will also be apposing this bill.

Chief Salio discussed SB395 regarding the necessity of legal counsel for minors 15 years of age or younger. District Attorney has then gotten involved sending a letter to all law enforcement agencies advising them of this new law.
