PUBLIC COMMENT

A) **Probation / Juvenile Hall / Coastal Valley Academy** – (James Salio) Chief Salio gave an update on the PG & E Power Safety Shutoff. The Probation Department is working hard to make sure that the systems and staff are prepared for a power shutoff. If an outage occurs the Probation Department continues to run the Juvenile Hall facility with diesel powered generators.

Coastal Valley Academy won the CSAC Challenge Award. In Fiscal year 2017-2018, Coastal Valley Academy reduced first time group home placements by 91% and reduced the risk of recidivism by 44% percent. CSAC will present the Challenge Award at the November 5th Board of Supervisors meeting. Juvenile Justice Commissioners are welcome to attend.

B) **County Office of Education**. (Karen Donaghe) No update.

C) **DSS / CWS** – (Elise Roberts) The Department of Social Services is continuing their early intervention efforts. A workgroup has been started to revitalize voluntary family maintenance. The goal is to reduce the foster and group home placements while creating a more family friendly approach to working with our community.

D) **DA’s Office** – (Steve Von Dohlen) No Update
E) **County Counsel** – (Karen Donaghe) The County Office of Education is looking at combining the PBIS point reward system with the Juvenile Hall. Currently, the Juvenile Hall and County Office of Education have different reward systems. A meeting was held to discuss the possibility of creating a reward system application, to reward the youth and encourage positive behavior.

F) **Law Enforcement** – The last several months the Sheriffs office is piloting an incentive-based behavior program, in the behavioral health unit. The program is helping inmates fostering teamwork as well as positive behavior.

G) **Behavioral Health** – (Kim Mott & Jill Rietjens) The numbers are low for all the clinics. The Behavioral Health Department is recruiting for a part time Clinician to assist on the detention side of Juvenile Hall facility as well as CVA.

**Presentation:** Grizzly Academy

**COMMITTEE / COMMISSIONER REPORT**

H) **Legislation** – (Jim Salio) Governor Newsom has until October 13, 2019 to sign or veto bills. 

**SB-284** The Existing law requires the county to pay $24,000 to send a Juvenile to a Division of Juvenile Justice. After January 1st, 2020, Senate Bill 284 would increase the cost of state confinement to $125,000; if the offense on which the commitment is based occurred when the juvenile was 15 years of age or younger.

The Juvenile Justice Commission is opposing Senate Bill 284. The Juvenile Justice Commission agrees that the Juvenile Justice system in San Luis Obispo County is working well. The Juvenile crime rate has significantly dropped over the last decade. Juvenile Justice facilities across California are operating at well below their rated capacity. The Juvenile Justice Commissioners will contraction Governor Newsom office expressing their oppression to SB-284.

I) **Children’s Services Network** – No Update

J) **Truancy Board Meeting** – No Update
