

TO: IRWM Regional Water Management Group  
FROM: Brendan Clark, Water Resources Engineer  
DATE: April 4, 2018  
SUBJECT: Summary of 4/4 RWMG Meeting

### **Summary of Recommendations**

Item 4.c: The RWMG considered and formed an RWMG Working Group to refine the Project Review Process and update the IRWM Plan Implementation List, per DWR Guidelines. Voting: 8 Aye, 0 nay, 2 abstain.

### **Summary of Meeting**

We met this month at the University of California Cooperative Extension Auditorium. Future Meetings are scheduled at the SLO City/County Library Community Room.

#### Item 1 - Introductions

Brendan Clark updated the RWMG on the transition of Mladen Bandov from IRWM Program Manager to Supervisor of IRWM and other programs for the County. Brendan Clark is the new IRWM Program Manager and Mladen is his supervisor.

#### Item 2 - Stormwater Resources Plan Update

Larissa Clarke from the Coastal San Luis Resource Conservation District updated the RWMG on the status of the Stormwater Resource Plan (SRP). Updates regarding the SRP development, the submitted projects and how to be more involved can be found at <https://www.slocounty.ca.gov/Departments/Public-Works/Committees/Stormwater-Resource-Plan.aspx>.

#### Item 3 – IRWM Program Updates

In addition to the Staff Report for Item 3, Brendan Clark shared the latest DWR Prop 1 Grant Solicitation schedule, which can be found here: <https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/IRWM-Grant-Programs/Proposition-1>

#### Item 4 – Project Review Process

After reviewing the agenda packet staff report, Brendan Clark presented the recommendation for an RWMG Working Group to be formed to finalize the Project Review Process. The RWMG voted to create this working group to finalize the project review rubric. The members of the working group are Mario

Iglesias, Renee Osbourne, Willy Cunha and Linda Chipping. The results of the group and the final project scoring rubric will be shared with the RWMG upon completion via email.
