IRWM Grant Funding Source and Funded Projects	Grant Funding	Status	Project Sponsor
Prop 50 Planning Grant (2008) - DWR No. 460000450	**$500,000**	**Complete**	
Data Enhancement Plan	$72,500	Complete	Flood Control District
Flood Management Plan	$55,000	Complete	Flood Control District
Groundwater Banking Plan	$185,000	Complete	Flood Control District
Regional Permitting Plan	$187,500	Complete	County of San Luis Obispo
Prop 84 Planning Grant (2012) - DWR No. 4600010061	**$1,000,000**	**Complete**	
Update Plan to Meet Standards	$185,000	Complete	Flood Control District
Identification of Basins Requiring SNMPs	$15,000	Complete	Flood Control District
Santa Maria Groundwater Basin Study	$200,000	Complete	Flood Control District
Paso Robles Groundwater Basin SNMP	$100,000	Complete	City of Paso Robles
Paso Robles Groundwater Basin Model	$50,000	Complete	Flood Control District
Regional Recycled Water Planning	$200,000	Complete	Flood Control District
Watershed Management Planning	$250,000	Complete	US-LTRCD & CSLRCD
Prop 1E Stormwater Flood Mgmt (2011) - DWR No. 4600009714*	**$2,797,000**	**Complete**	
Flood Control Zone 1/1A – Modified 3a Project	$2,797,000	Complete	Flood Control District
Prop 84 Implementation Grant (2011) - DWR No. 4600009717	**$10,401,000**	**Close-out**	
Los Osos Wastewater Project	$5,945,444	Complete	County of San Luis Obispo
Flood Control Zone 1/1A – Modified 3c Project	$2,200,000	Complete	Flood Control District
Nipomo Supplemental Water Project	$2,200,000	Complete	Nipomo CSD
Grant Administration	$55,556	Close-out	Flood Control District
Prop 84 Expedited Drought Grant (2014) - DWR No. 4600010880	**$6,323,610**	**Complete**	
CSA 23-AMWC-Garden Farms Emergency Intertie	$1,404,290	Complete	County of San Luis Obispo
Emergency Turnout	$255,226	Complete	Heritage Ranch CSD
Emergency Water Supply	$4,382,255	Complete	Cambria CSD
Grant Administration	$281,839	Complete	Flood Control District
Prop 84 Implementation Grant (2015) - DWR No. 4600011487	**$3,702,762**	**Complete**	
Upper Salinas River Basin Conjunctive Use	$2,956,796	Complete	Templeton CSD
Well Head Treatment	$362,431	Complete	San Simeon CSD
Water Resources Reliability Program - Planning Study	$198,397	Complete	Oceano CSD
Grant Administration	$185,138	Complete	Flood Control District
Prop 1 Planning Grant (2016) - DWR No. 4600011892	**$204,183**	**Complete**	
IRWM Plan Update & Region-Wide Stormwater Resource Plan	$204,183	Complete	FCWCD, USLTRCD & CSLRCD
Prop 1 Disadvantaged Community Involvement (2017)	**$877,563**	**Close-out**	
FCD Funding Administration	$20,700	Close-out	Flood Control District
Disadvantaged Community Needs Assessment	$67,738	Complete	Flood Control District
Water Resource Reliability Program, Phase 2 Design & Permitting	$177,750	Complete	Oceano CSD
Turnout Pump Station Design and Water Master Plan Update	$177,750	Close-out	City of Grover Beach
Water Resource Recovery Facility Project, Value Eng. at 60% Design	$78,125	Complete	City of San Luis Obipso
Reservoir Expansion Project Design & Water Master Plan Update	$177,750	Complete	San Simeon CSD
Wastewater Plant Upgrade Study and Recharge Basin Study	$177,750	Complete	San Miguel CSD
Prop 1 Implementation Grant, Round 1 - DWR No. 4600013800	**$2,782,130**		
Grant Administration	$155,000	In Progress	Flood Control District
One Water SLO, MBR/UV Component	$1,314,530	In Progress	City of San Luis Obipso
8th Street Well Construction	$238,100	In Progress	Los Osos CSD
Supplemental Water Project, Final Phase	$800,000	In Progress	Nipomo CSD
Water Resource Reliability Program, Projects #1-1, #1-9	$274,500	In Progress	Oceano CSD
Reservoir Expansion Project - Phase 1 Distribution System	Awarded**		San Simeon CSD
Prop 1 Implementation Grant, Round 2 (est. 2021)	**$3,782,129**		
Implementation Projects, including DAC Projects	TBD	TBD	Project Sponsors
Total IRWM Funding Awards Received to date	**$28,588,248**		
Total IRWM Funding (incl. anticipated future awards)	**$32,370,377**		

* Prop 1E is included because an adopted IRWM Plan is required to maintain funding eligibility

** This project was awarded, however the FCD is currently seeking an amendment with DWR to remove this project from the agreement
