AVILA BEACH DRIVE AT US 101 INTERCHANGE PROJECT
NOTICE OF AVILA VALLEY ADVISORY COUNCIL (AVAC) MEETING

Dear Property Owner/ Resident:

The County of San Luis Obispo would like to invite you to attend an informational and formal meeting regarding the Avila Beach Drive at US 101 Interchange Project.

Existing configuration and traffic volumes at the Avila Beach Drive at US 101 interchange have caused long delays and queues are anticipated to worsen in future years. This project proposes interchange reconfiguration and operational improvements that would provide congestion relief and multi-modal connectivity (i.e., vehicles, bicyclists, pedestrians, etc.).

Completion of the Project Approval and Environmental phase is anticipated in spring 2020. Part of this phase includes providing an opportunity to share information with the public.

The Project will be on the AVAC agenda.

Date: Monday, January 13, 2020

**Time: 6 p.m. – 7 p.m. informal open house
7 p.m. – 9 p.m. meeting**

Location: PG&E Community Center at 6588 Ontario Road in San Luis Obispo, CA.

Sincerely,
