Major challenges have included staff shortages and behavioral health issues. Another surge is taking place now, with hotels at maximum capacity, and six trailers in use at the Kansas Avenue site. | 6.6. Discussion Item: Safe Parking (Joe Dzvonik) | Joe reported that the Kansas Avenue Safe Parking site has now been in existence for five months, and has been full since the end of October. Around 90-110 people are present depending on the time of day. There are around 30 RVs and 35 cars. There were initially concerns about fire risks and environmental health as vehicles were parked too close to each other. A major upheaval at the site last week has allowed residents to meet recommended distances. Residents have also been issued fire extinguishers, smoke detectors and CO (Carbon Monoxide) detectors. The County is working on creating shade for common areas and installing new sinks. Vaccinations are available every Tuesday. The County is now looking at locations for creating other sites, as the Kansas Avenue site is at capacity. |

<p>| 6.7. Discussion Item: Point in Time Count 2022 (George Solis) | George reported that the SLO County CoC has been granted an exception request by HUD (US Department of Housing &amp; Urban Development) to conduct the PIT (Point in Time) Count in late February instead of January, due to the Omicron variant surge and its impact on volunteer availability. This is in line with other California CoCs. The 2022 PIT Count is now scheduled for the morning of February 23rd. |</p>

ITEM: VOTE TO APPROVE A RESOLUTION ACKNOWLEDGING GOVERNOR NEWSOM’S PROCLAMATION OF A STATE OF EMERGENCY AND AUTHORIZING MEETINGS BY TELECONFERENCE UNTIL THE HSOC’S NEXT REGULARLY SCHEDULED MEETING PURSUANT TO THE RALPH M. BROWN ACT, AS AUTHORIZED BY ASSEMBLY BILL (AB) 361.

ACTION REQUIRED:

Vote to approve a resolution acknowledging Governor Newsom’s proclamation of a State of Emergency and authorizing meetings by teleconference until the HSOC’s next regularly scheduled meeting pursuant to the Ralph M. Brown Act, as authorized by Assembly Bill (AB) 361.

SUMMARY NARRATIVE:

Recently enacted AB361 amended Government Code Subsection 54953 to allow local legislative bodies to continue to hold virtual public meetings after the expiration of the Governor’s Executive Order on September 30, 2021 that had waived provisions of the Brown Act requiring local legislative bodies to hold in person meetings.

The authority to hold virtual public meetings under the provisions of AB361 remains effective through January 1, 2024. In order to exercise the right to hold a virtual public meeting, one of the following three conditions must be met:

1. The local agency is holding a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing; or
2. The meeting is held during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; or
3. The meeting is held during a proclaimed state of emergency and the legislative body has determined, by majority vote, that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

---

1 There currently is no state or local order in place requiring social distancing, nor is there a formal recommendation from State or local officials on social distancing, with the exception of a CalOSHA regulation
To continue to hold virtual meetings, the Board of Supervisors, and other local legislative bodies, must make the following findings by a majority vote\(^2\) no more than 30 days after holding its first virtual meeting under one of the circumstances above, and every 30 days thereafter; unless the body is not scheduled to meet within 30 days, in which case it must make the following findings at its next regularly scheduled meeting:

(A) The legislative body has reconsidered the circumstances of the state of emergency.

(B) Any of the following circumstances exist:

   (i) The state of emergency continues to directly impact the ability of the members to meet safely in person.

   (ii) State or local officials continue to impose or recommend measures to promote social distancing.

COVID transmission in San Luis Obispo County is rated as high by the Centers for Disease Control as of March 11, 2022. Due to the increased risk of transmission of COVID-19 in indoor settings, the HSOC is being asked to consider approving the resolution allowing for the use of virtual meetings for 30 days from March 16, 2022.

**BUDGET/FINANCIAL IMPACT:**

There is no financial impact if the HSOC votes to approve the attached resolution.

**STAFF COMMENTS:**

Staff recommend approval of this resolution.

A. A RESOLUTION OF THE HOMELESS SERVICES OVERSIGHT COUNCIL ACKNOWLEDGING GOVERNOR NEWSOM’S PROCLAMATION OF A STATE OF EMERGENCY AND AUTHORIZING MEETINGS BY TELECONFERENCE MEETINGS FOR AN ADDITIONAL PERIOD OF THIRTY DAYS PURSUANT TO THE RALPH M. BROWN ACT

\(^2\) A majority vote is not needed if the conditions of criterion 1 have been met.
RESOLUTION NO.___________________

A RESOLUTION OF THE HOMELESS SERVICES OVERSIGHT COUNCIL ACKNOWLEDGING GOVERNOR NEWSOM’S PROCLAMATION OF A STATE OF EMERGENCY AND AUTHORIZING MEETINGS BY TELECONFERENCE MEETINGS FOR AN ADDITIONAL PERIOD OF THIRTY DAYS PURSUANT TO THE RALPH M. BROWN ACT

The following resolution is now offered and read:

WHEREAS, on March 4, 2020, Governor Newsom issued a Proclamation of State of Emergency in response to the COVID-19 pandemic; and

WHEREAS, the proclaimed state of emergency remains in effect; and

WHEREAS, on March 17, 2020, Governor Newsom issued Executive Order N-29-20 that suspended the teleconferencing rules set forth in the California Open Meeting law, Government Code section 54950 et seq. (the “Brown Act”), provided certain requirements were met and followed; and

WHEREAS, on June 11, 2021, Governor Newsom issued Executive Order N-08-21 that clarified the suspension of the teleconferencing rules set forth in the Brown Act, and further provided that those provisions would remain suspended through September 30, 2021; and

WHEREAS, on September 16, 2021, Governor Newsom signed AB 361, allowing legislative bodies subject to the Brown Act to continue meeting by teleconference if the legislative body determines that meeting in person would present imminent risks to the health or safety of attendees, and further requires that certain findings be made by the
legislative body every thirty (30) days; and

WHEREAS, California Department of Public Health and the federal Centers for Disease Control and Prevention (“CDC”) caution that the Omicron variant of COVID-19, currently the dominant strain of COVID-19 in the country, is more transmissible than the original SARS-CoV-2 variant of the virus, and that even fully vaccinated individuals can be infected and may spread the virus to others resulting in rapid and alarming rates of COVID-19 cases and hospitalizations (https://www.cdc.gov/coronavirus/2019-ncov/variants/omicron-variant.html); and

WHEREAS, the CDC has established a “Community Transmission” metric with 4 tiers designed to reflect a community’s COVID-19 case rate and percent positivity; and

WHEREAS, the County of San Luis Obispo currently has a Community Transmission metric of “high” which is the most serious of the tiers; and

WHEREAS, in the interest of public health and safety, as affected by the emergency caused by the spread of COVID-19, the Homeless Services Oversight Council deems it necessary to find holding in person meetings would present imminent risks to the health or safety of attendees, and thus intends to invoke the provisions of AB 361 related to teleconferencing.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the Homeless Services Oversight Council that:

1. The recitals set forth above are true and correct.

3. The Homeless Services Oversight Council finds that the proclaimed state of emergency continues to impact the ability of members to meet safely in person and meeting in person would present imminent risks to the health or safety of attendees.
4. Staff is directed to return at its next regularly scheduled meeting with an item for the Homeless Services Oversight Council to consider making the findings required by AB 361 to continue meeting under its provisions.

Upon motion of Homeless Services Oversight Council Member _________________, seconded by Homeless Services Oversight Council Member _________________, and on the following roll call vote, to wit:

AYES:

NOES:

ACTION ITEM
March 16, 2022

AGENDA ITEM NUMBER: 6.1

ITEM: RECOMMEND AND AUTHORIZE THE COUNTY OF SAN LUIS OBISPO TO SERVE AS THE ADMINISTRATIVE ENTITY FOR THE CONTINUUM OF CARE ALLOCATION OF EMERGENCY SOLUTIONS GRANT FUNDS FROM THE STATE OF CALIFORNIA AND AUTHORIZE AN APPROVAL LETTER

ACTION REQUIRED:

Vote to a) recommend and authorize the County of San Luis Obispo as the Administrative Entity for the Continuum of Care Allocation of Emergency Solutions Grant (ESG) funds from the State of California in 2022 and 2023 and b) authorize the HSOC Chair, Vice Chair, or other HSOC officer to sign an authorizing letter and certifications on behalf of the HSOC.

SUMMARY NARRATIVE:

The State of California’s Department of Housing and Community Development (HCD) has published a Solicitation of Interest for the 2022 Emergency Solutions Grant (ESG) Continuum of Care (COC) allocation. All Continuums of Care that intend to seek 2022 ESG allocations must submit a Response Form to HCD for these funds. HCD currently estimates the County is eligible for $150,864. HCD has indicated this is a preliminary estimate based on the 2021 ESG allocation and is subject to change until Standard Agreements are finalized.

ESG funds may be used for the following activities (1) engage homeless individuals and families living on the street; (2) improve the number and quality of emergency shelters for homeless individuals and families; (3) help operate these shelters; (4) provide essential services to shelter residents; (5) rapidly re-house homeless individuals and families; and (6) prevent families/individuals from becoming homeless.

Submission of the Solicitation of Interest Response Forms is the first step in seeking funds. CoCs that submit Response Forms which are then approved by HCD will be eligible to apply for the 2022 ESG funds at a later date.

For the Response Forms, HCD has requested that the CoC designate an Administrative Entity (AE) to administer the ESG funds. To qualify as an AE, an entity must be a unit of general purpose local government that has administered ESG funds as a HUD entitlement during at least one of the past five years. The County of San Luis Obispo currently administers ESG funds as a HUD entitlement.
community. The AE must be recommended by the CoC and the COC must provide an authorizing letter.

If HCD approves the County as the AE for the ESG, the approval will be valid for two years.

**BUDGET/FINANCIAL IMPACT:**

Approval of this item would allow the County to be eligible to apply for approximately $150,864 in ESG funding in 2022 and for an amount of ESG funding that HCD will determine in 2023. This funding could be used to provide homeless assistance in the County.

**STAFF COMMENTS:**

Staff recommend that this item be adopted.
HOMELESS SERVICES OVERSIGHT COUNCIL
ACTION ITEM
March 16, 2022

AGENDA ITEM NUMBER: 6.2

ITEM: Vote to recommend four persons for appointment to vacant seats on the Homeless Services Oversight Council

ACTION REQUIRED: It is requested that the Homeless Services Oversight Council (HSOC) approve the nominations of Allison Brandum for a first term for a vacant seat in the County Government Service Providers category; Garret Olson for a first term for a vacant seat in the Social Service Providers category; Jack Lahey for a first term for a vacant seat in the Nonprofit Homeless Assistance Providers category; and Jim Dantona for a first term for a vacant seat in the Businesses category; and recommend them to the San Luis Obispo County Board of Supervisors for appointment to the HSOC.

SUMMARY NARRATIVE:

There are 35 membership seats on the HSOC. Members are appointed to the HSOC by the County Board of Supervisors, with the exception of seven seats reserved for the representatives of the seven incorporated cities. These seven seats are held by City Council members who are appointed by their respective City Councils.

With the exception of the seats reserved for elected officials, members are appointed to three-year terms. To ensure continuity of the HSOC, term expirations are staggered among the seats, such that approximately 1/3 of the seats expire in a given year. Terms expire in January of the year in which the term ends.

The HSOC approved amendments to the HSOC bylaws to modify the composition and increase the size of its membership, and eliminate term limits at its December 2019 and January 2020 meetings (per the HSOC bylaws, proposed changes to the bylaws must be voted on twice by the full HSOC). The Board of Supervisors approved these amendments at its November 3, 2020 meeting. County staff subsequently worked with the County Clerk Recorder’s Office to have these seats established in accordance with the Maddy Act. As of March 15, 2022, the seats are established, and new appointments can be made.

There are currently nine vacant seats. Four of these seats are tied to a specific category and can only be held by a representative from that category (Currently or Formerly Homeless Persons, and Public Safety Organizations). Five of the vacant seats are ‘at
large’ seats which may be held by representatives from any of the following categories: County Government Service Providers, Currently or Formerly Homeless Persons, Advocates, Affordable Housing Developers, Businesses, Faith-Based Organizations, Hospitals, Public Safety Organizations, Behavioral Health Agencies, Nonprofit Homeless Assistance Providers, Organizations Serving Homeless Veterans, Housing Authority, County Office of Education, Local School Districts, Social Service Providers, Victim Service Providers, and Other Community Organizations.

At the September 2021 HSOC meeting, expiring membership terms were reviewed and a request was made for applications from the public. A total of seven applications were received. An ad hoc Nominating Committee met in October to consider the applications and recommended five candidates for seats on the HSOC. The HSOC approved these recommendations at the November 2021 meeting. The Board of Supervisors subsequently appointed these five members to the HSOC on December 14, 2021, for terms beginning January 1, 2022.

As the new ‘at large’ seats were not established at the time, the Nominating Committee was only able to appoint five of the seven applicants, but indicated that the other two applicants would otherwise have been recommended for membership of the HSOC.

Two more applications were subsequently received. An ad hoc Nominating Committee met on March 9, 2022 to consider the four applications and recommended the following four candidates for seats on the HSOC:

Allison Brandum for an at large seat in the County Government Service Providers category for a term that will expire January 2025. Ms. Brandum is currently employed as a Community Health Nurse with SLO County Public Health, has many years bedside nursing experience with homeless people, and has been an advocate for many homeless patients both in and out of a clinical setting.

Garret Olson for an at large seat in the Social Service Providers category for a term that will expire January 2025. Mr. Olson is currently the CEO of the Food Bank Coalition of San Luis Obispo County and was previously Fire Chief for the City of San Luis Obispo. In both roles, he developed working knowledge of those experiencing homelessness. SLO Food Bank provides hunger relief resources including programs specifically designed to meet the unique needs of homeless people in the county.

Jim Dantona for an at large seat in the Businesses category for a term that will expire January 2024. Mr. Dantona is currently President/CEO of the SLO Chamber of Commerce. Having previously served as Chief of Staff for four different Los Angeles City Council members, he has worked closely with agencies, service providers and community members to address housing and homelessness.
Jack Lahey for an at large seat in the Nonprofit Homeless Assistance Providers category for a term that will expire in January 2024. Mr. Lahey is currently the Director of Homeless Services with the Community Action Partnership of San Luis Obispo, and has 12 years’ experience working in the field of homeless services, including experience in frontline outreach, case management work, program management, policy advocacy, research and non-profit leadership.

**BUDGET/FINANCIAL IMPACT**

No current fiscal impact is anticipated.

**STAFF COMMENTS:**

It is recommended that the Homeless Services Oversight Council approve this item. Upon the HSOC's approval, staff will submit a recommendation for appointment to the Board of Supervisors.

I have an intimate working knowledge of serving people from all walks of life, including those struggling with housing, substance abuse, mental health crisis, and extreme poverty. As CEO, I now lead our team to accomplish our mission to alleviate hunger and improve health in SLO County. A major component of our operations involves meeting the unique needs of our homeless clients.

Please explain why you would like to serve on the HSOC (attach a separate sheet if necessary):

I am driven by opportunities to learn, to analyze strategically, and to create meaningful change driven by data, opportunity, and collaboration. I've seen first-hand the tragic human realities faced by those who are most vulnerable, marginalized, and/or oftentimes invisible or dismissed in our society. I recognize the incredible complexity of this issue. I am a persistent change agent who believes all our time is too valuable to be spent meeting for meeting's sake. I am respectful of other's beliefs, and I am comfortable asking difficult questions and having difficult questions posed to me.

Please note: It is possible that the selection committee may contact you to ask for additional information if necessary to prepare its recommendations for HSOC membership to the Board of Supervisors.

If appointed, are you willing to participate in the majority of meetings each year and, if necessary, in numerous related meetings of subcommittees? ☑ Yes ☐ No

Should you be appointed, are you willing, if necessary for that particular body, to file a statement of disclosure as a public official under the standards set forth by the Fair Political Practice Commission? ☑ Yes ☐ No

As the President/CEO of the SLO Chamber, I will represent our 1,300 member businesses located throughout San Luis Obispo County.
While not necessarily required, knowledge of issues relating to homelessness and/or previous involvement in addressing homelessness are desirable for HSOC members and will be considered by the selection committee prior to making its recommendations to the Board of Supervisors. Please summarize your experience with the issue of homelessness or with homeless clients:

Prior to joining the SLO Chamber as President/CEO in 2018, I worked as chief of staff for four different Los Angeles City Council members, managing diverse districts and getting a first-hand look at what happens when we do not effectively address homelessness. In these roles, I worked closely with agencies, service providers and concerned community members to make strides on complex issues including housing and homelessness. Drafting legislation, building coalitions and advocating for more resources were key parts of my work.

Please explain why you would like to serve on the HSOC (attach a separate sheet if necessary):

Compared to similar communities, SLO County has one of the highest rates of unsheltered residents in the nation but we still have an opportunity to make a real impact. With the coming 10 year plan, we have a unique opportunity to work together with shared goals, leverage unprecedented state investment and implement proven strategies. I want to be part of the team leading this work.

I have served on multiple covering bodies during my career in Los Angeles, and am quite familiar with the needs of a large services system designed to end people’s

Please explain why you would like to serve on the HSOC (attach a separate sheet if necessary):

I believe that SLO county is able to reach a level of functional zero in terms of addressing homelessness. The pathway to this is though leadership from HSOC and the shrewd and intelligent movement of limited resources that are available to provide services that are needed to move people out of their experience of homelessness. The discussions and decision the eminate from HSOC directly guide the policies and programs that address this issue in SLO county and I believe that I can make a positive impact on the discourse and the direction of HSOC given my experience as a leader in the field of homelessness. HSOC and its attached subcommittees must reflect a systems approach to this issue. I believe that all solutions and funding that we discuss in HSOC must reflect that approach.

Sheltering Services Addressing Homelessness

**Year-round Emergency Shelter***

- 40 Prado in SLO
- ECHO in Atascadero & Paso Robles
- 5CHC Cabins for Change in Grover Beach *(Pending)*
- Transitional Food and Shelter (TFS)
  
  *Units for medically fragile*

**Safe Parking, Seasonal Shelters & Outreach**

- Safe Parking
- Seasonal & weather-dependent shelters
- Outreach services (street outreach, meals, showers)

*Additionally, Lumina Alliance provides up to 48 beds of ES and up to 48 beds in TH for use only by domestic violence survivors*
SLOCo Trends in Homelessness 2019-2022

Shelter & Service Capacity Expanded  but  Homelessness Is Growing Faster

- ECHO Paso - 50 new beds
- ECHO Atascadero -10 new beds (60 total now)
- CAPSLO – 20 new Safe Parking spaces in SLO (27 total)
- CAPSLO – New Medical Detox at Prado built in SLO (services pending)
- County – New Kansas Ave Safe Parking in SLO (90 people)
- 5CHC – New Navigation Center in Grover Beach
- 5CHC – 20 new Cabins for Change in Grover Beach
- Street outreach ↑ across the county with COVID & CESH $$$
- COVID Isolation trailers for homeless in 3 places
- Hotel vouchers during COVID (temp)

- Homelessness inflow > outflow by ~200 /year*
- 2019-2022: 6900 people received homeless services (2.4% of our population)*
- 2019 PIT Count found 1483 homeless, 1172 unsheltered (%)
- 2022 PIT Count (Feb 23) data being developed

Staffing / sustainability is challenged

- 20+ open positions in County Behavioral Health
- Non-Profits all experiencing staffing issues, concern about support to sustain expanded services
  - ECHO closed winter shelter 2 months early this year
  - ECHO capacity limited to 30 in Atascadero and 45 in Paso
  - CAPSLO support to Kansas avenue delayed

*HMIS: Homeless Management Information System. Used by CAPSLO, ECHO, 5CHC and TFS to collect data on people seeking services to solve or prevent homelessness. Limitations: Data does NOT include most contacts through street outreach, day services, seasonal or weather-dependent shelters, meal and shower programs, or most people seeking immediate care for domestic violence or upon release from jail or hospitals.
SLO County Regional Trends in Housing 2019-2022

More Vouchers and Support

- Paso Motel 6 Conversion: 60 new units of Permanent Supportive Housing (PSH) (250 applicants)
- 156 new Emergency Vouchers (Summer 2021) (600 applicants)
- 50 new units under construction in Pismo Beach
  - All units dedicated to work-force, low-income, transitional youth and the formerly homeless
- New affordable units approved in SLO, Templeton, Atascadero, AG, GB over the next 5 years
- 50 Now at 65 Now (called “Housing NOW” moving forward)

but

Housing Market Tightens

- SLO ranks as the nation’s 6th most expensive county
- Ave rent ↑ from $1027 (2018) to $1800 in (2021)*
- Deposit requirements ↑ 86% to $2130*
- HUD Fair Market Rents ↑ 13.5% (2020 to 2021) and ↑ 46.1% since 2016*
- Median rental HH spends 38% of income on housing*
  >50% of all rental households are at ↑ risk of homelessness
- Eviction moratorium ends March 31, 2022
- Cost per unit of new affordable housing >$550k

Despite capacity increases, on any given night, we have the capacity to shelter only 20-30% of the number of people observed as homeless in 2019.

*NOTE: These numbers are best-case scenario. They assume COVID-related restrictions are lifted and added services are still funded and staffed.
Usable capacity at congregate shelters cut nearly in half

40 Prado – 3 outbreaks, ECHO – 1 outbreak
  - Forced them to close to new residents for weeks

Staffing challenges during surges
  - ECHO winter shelter (Atascadero) closed for season nearly 2 months early
  - ECHO capacity limited to 30 in Atascadero and 45 in Paso
  - 40 Prado also faced staffing-related constraints
  - County Behavioral Health Services has 20+ open positions
Rapid cycle implementation strategy needed to add capacity in housing and shelter

Building the train as it moves: Strategic planning, action planning, and implementation for early wins occurring simultaneously

Innovation needed in lower cost housing and shelter options

Need to address governance concerns so that all areas can move into action
We Are Here:
No one is in charge: How do we address this?

Governance and Strategic Coordination:
Strategy Under Consideration
San Luis Obispo Countywide Strategy to Address Homelessness

Governance and Strategic Coordination

Issues

• No one entity is in charge
• Homelessness includes a Land Use and Social Services issues. This makes it unusually complex
• Sheltering and services are delivered by a mix of private, non-profit and public providers
• Funding streams for housing and homeless services are a complex array of grants, donations, investments and tax credits
• The mix of services available is affected by the restrictions from funding sources
• Cost impacts of homelessness are widely dispersed
• Cost of addressing homelessness is NOT a budget line item
  - This stifles mid-to-long term planning and impairs near-term sustainment of operations
San Luis Obispo Countywide Strategy to Address Homelessness

Governance and Strategic Coordination
The Role of HSOC

• Homeless Services Oversight Council (HSOC) advises Board of Supervisors and facilitates coordination among cities and agencies
• Includes 1 member each from BOS and each City Council, plus service agencies and representation from business, veterans, domestic violence, law enforcement, health, faith, education & more
• Composed of Housing, Services, and Data & Finance committees
• Recommends grant allocations and oversees compliance
• Advocates coordination between providers to replace regional rivalries
• Is taking a more active role in oversight, advocacy and systemic learning
San Luis Obispo Countywide Strategy to Address Homelessness

Governance and Strategic Coordination
A New Model for Robust Regional Collaboration

• Develop a Regional Homelessness Action Compact
  - Model: the Regional Housing Compact developed in 2020-21
    ❖ Was adopted by each City Council and the BOS and laid a framework for regional cooperation
    ❖ City Managers & Planners organize with County Admin Leadership, Analysts and Planners to produce a regional, unified vision of our way forward
    ❖ Agrees on data-driven targets (locations, policies, timing) so that all participate equitably
    ❖ Equipped with mechanisms to incentivize participation and facilitate collaboration to achieve regional targets
    ❖ Maintains local control of critical decisions

• Continue, and further empower, HSOC
  - Maintain the functions and structure required by HUD to keep essential grant money flowing to regional service providers and projects
  - Add a second role for HSOC in data-driven oversight of strategic progress
  - Empower the HSOC committees to identify and investigate opportunities
San Luis Obispo Countywide Strategic Plan to Address Homelessness

A Zero to Five-Year Approach

We Are Here: What’s the Plan?

Strategic and Operational Plans
San Luis Obispo Countywide Strategy to Address Homelessness

5-Year Strategic Plan (by Phase) Draft

First Year
- Sheltering Capacity
- Data

Year 2-3
- Service Capacity
- Regional Compact

Year 4-5
- Housing Capacity
- Streamlining
First 12 Months: Rapid-cycle expansion of capacity

- Rapid-cycle implementation of more non-congregate sheltering capacity of all types – Pallet shelter, cabins, tiny homes, safe parking, building conversions
- Staff and expand mental health services
- Build and staff a Regional Homeless Operations Center to reduce administrative barriers and time to housing
- Improve and expand HMIS, to establish data-driven strategic oversight capabilities and operational guidance
- Lay groundwork for a regional homelessness compact. Deeper analysis quantifying needs and resources with specific housing needs of our homeless and inventory tools. Initiate Task Forces on mental health, addiction (especially opioids), incarceration impacts, release from hospitals, and expediting housing

Year 2-3: Supportive Housing/Services; Data-driven performance targets in Regional Compact

- Expand Permanent Supportive Housing (PSH) and supportive services
- Review and learn from rapid cycle expansion of non-congregate sheltering capacity; fill in gaps, make improvements
- Complete a regional homelessness compact with jurisdiction-specific targets overall and for special needs populations
- Expand data tracking and coordination with jail/probation/parole, hospitals, and sober living environments

Year 4-5: Affordable housing and governance

- Complete more affordable housing projects: Meet RHNA targets everywhere
- Systematically work on speeding the path from homelessness to housing
- Simplify the funding stream: Seek pilot project status for the County/CoC to get more grant funding and more flexibility
- Solidify the gains with sustainable ongoing funding
- Implement positive and negative incentives the Regional Compact
Intent: Develop Countywide Regional Governance that: guides rapidly-expanding housing, service and navigation capacity; improves data and outreach systems; creates, identifies and streamlines funding while generating support from citizens through communication, education and accessible venues of action.

**Critical Events**
1. Open 5CHC Pallet Shelter
2. Open 2nd Safe Parking site
3. Open 40 Prado Pallet shelters
4. 
5. 
6. 
7. 
8. 
9.

Homeless Services Oversight Council
Full Meeting – March 16 2022
Committee Updates

Housing Committee – February 1

- SLO City Inclusionary Housing Ordinance (IHO) – SLO City staff presented on SLO City’s IHO and took questions from the Committee. The Committee also discussed concerns about large developers claiming public money intended for non-profits to subsidize their developments.
- Steering Committee – County staff reported on the Steering Committee’s work reviewing data, and the Housing Committee provided feedback on categorizing Permanent Supportive Housing, including distinguishing year-round from temporary and semi-permanent beds, available units from housing vouchers, households from individuals in data sets, and permanent shelter beds from locations for homeless people to stay during the day.
- Safe Parking and Sanctioned Encampments – County staff reported on the safe parking program at Kansas Avenue. The greatest need of people at the site is to be connected with services and resources.
- Federal and State Grants – County staff provided updates on current and upcoming grant programs, including the ESG-CV (Emergency Solutions Grant – Coronavirus) program and new programs for Encampments and Family Homelessness Assistance, for which more information will be forthcoming in March.
- Developments – HASLO provided an update on several affordable housing projects currently under construction, including affordable units in SLO City and Nipomo.

Finance & Data Committee – February 2

- Point in Time (PIT) Count – the Committee discussed volunteer coordination and voted to approve the 2022 SLO County Housing Survey, with a small correction.
- Longitudinal Systems Analysis (LSA) – County staff reported on LSA data and the upcoming LSA reporting deadline on February 13. County staff continue to work through a small number of error reports.
- System Performance Measures (SPM) – County staff reported on SPM data. County staff will follow up with agencies to review the data, for the upcoming deadline of February 28.
- Homeless Management Information System (HMIS) data sharing – the Committee discussed moving to an open HMIS system allowing for sharing of client data between agencies. The Committee provided feedback on documents submitted for review by County staff, including the benefit of having ‘living’ data sharing documents, and including an option for verbal consent.
- Data quality – the Committee discussed data quality issues with exit destinations from emergency shelters. County staff will follow up with agencies and bring back to the Committee.
- Coordinated Entry – County staff reported on Coordinated Entry data uploads into HMIS. County staff and CAPSLO continue to work on identifying data to still be collected based on HUD’s requirements.
Services Coordinating Committee – February 7

- Point in Time (PIT) Count – County staff and the PIT Count contractor ASR (Applied Survey Research) reported on volunteer coordination and the Housing Survey.
- Medically Acute Cases – Agencies reported on their capacity for supporting homeless people with high medical needs. County staff to follow up with CAPSLO.
- CalWorks Programs – County staff reported on the Housing Disability Advocacy Program, Bringing Families Home Program, and Housing Support Program.
- End of Life Protocol – the Committee discussed forming a task force to look into an end of life protocol for the county. County staff and agencies will follow up and report back at the next meeting.
- COVID-19 Updates – County staff reported on vaccine outreach efforts at the Kansas Avenue safe parking site. Agencies also provided updates on their success at vaccinating clients.

HOME Programs at Department of Social Services
What is HOME?
Housing Opportunities Mean Everything

HOME is the umbrella term for our DSS managed housing first programs.

- Housing Disability and Advocacy Program (HDAP)
- Bringing Families Home (BFH)
- Housing Support Program (HSP)

- All 3 programs are Housing First and Rapid Rehousing (RRH)
What is Housing First and Rapid Re-Housing (RRH)?

- **Housing First** is a homeless assistance approach that prioritizes providing housing to people experiencing homelessness regardless of ability to pay or other non-financial factors.

- **Rapid rehousing** helps individuals and families to quickly exit homelessness by getting them housed, often by subsidizing housing for a short period of time that enables them to move quickly out of homelessness and stabilize in permanent housing.
