

community Fall

Exhibition: November 2-18, 2018

High school

Follow our students as they use artistic expression to think critically and broadly about community and how it can inspire and change lives.

nature Winter

Exhibition: February 1-22, 2019

Middle school

Nature has inspired artists since time began. Support our students as they share the influence nature has on their lives through personal creations.

discovery Spring

Exhibition: May 3-12, 2019

Elementary (K-6)

What engages and entertains our youngest learners? Watch as young minds use art to share their favorite new discoveries and wonders of life.

museum of art

SLOMA is partnering with our schools in a year-long visual arts program to encourage and showcase the imaginative creations of our students.

Three student exhibitions will be displayed at SLOMA throughout the year. We invite all students to participate!
