

## Locating 2025-2026 COVID-19 Vaccines in San Luis Obispo County

### Notes about this chart:

- \*Many pharmacies only vaccinate ages 3+ years, and may have a higher age threshold (i.e., ages 5+, 12+, 18+, etc.). We recommend calling your pharmacy ahead to confirm availability.
- For more information about COVID-19 vaccine availability in California, please visit the California Department of Public Health (CDPH) [Public Health for All Immunization Recommendations](#) webpage.

		Age Range				
		Infants/Toddlers 6 months-2 years	Children 3-11 years	Adolescents 12-18 years	Adults 19-64 years	Older Adults 65+ years
