1	Sliding fee scale based on household income and number of dependents.
2	Under the authority of the Health Officer and mandate of the Department of Public Health to prevent the spread of communicable diseases or occurrence of additional cases (California Health and Safety Code section 120175), fees may be waived or reduced to an amount a patient is able to pay.
3	All significant supplies and medications are additional at a rate not to exceed direct and indirect costs.
4	The Nursing unit uses office visit procedure codes defined by Medi-Cal CPT codes established by the American Medical Association. These office visits include staff time associated with the procedure. Associated supplies are added to office visit based on a quarterly updated supply list as referenced in Footnote #3.
5	The charges do not include Public Health Laboratory fees. Please see Public Health Laboratory fee schedule for specific laboratory tests.
6	All administrative costs for the Medical Marijuana ID Card (MMIC) program at the county level are fee supported. Pursuant to this law, county programs may charge an amount (not to exceed \$100) per MMIC application or renewal, must give Medi-Cal eligible applicants a 50% reduction, and must waive fees for indigent patients eligible for and participating in the County Medical Services Program.
7	In high-risk cases/situations where the health and well being of a client or the public are deemed to be at public health risk, Public Health Nurse Case Managers/Public Health Nurse Supervisors are authorized to waive required fees.
8	Fees may be reduced to comply with state or federal mandates and funding available. Fees may also be reduced to comply with program requirements such as the California Vaccines for Children (VFC) Program reduced rate.
