Footnote #	Footnote Narrative
1	An hourly rate is added for those that require more than the projected average number of staff hours. A minimum of 2 hours may be charged for plan check consultations and plan reviews for prepackaged incidental retail food sales or other incidental plan reviews that typically involve one field visit. It is also used when conducting CEQA related reviews for well construction permitting. The hourly rate can be added for mobile food commissaries and those facilities that require more than the projected average number of staff hours.
2	Move towards Board of Supervisors policy of full cost recovery.
3	Veterans with an honorable discharge operating a business in the incorporated and unincorporated areas of the county and subject to these fees will receive an exemption from health permits as authorized by the Business and Professions Code, Sections 16000 et seq.
4	Non-profit organizations with proof of non-profit status will receive an exemption from these Environmental Health Fees, for up to four events per year.
5	Non-profit organized camps are exempted from the fees in this program.
6	In addition to the County approved fee, an additional State surcharge is applicable and is subject to change after this publication.
7	A fee reduction equivalent to 1/2 hour of the BOS authorized hourly rate shall be applied when CUPA facilities are subject to two or more programs.
8	This fee will be charged at 1.5 times the hourly rate when work is performed during overtime conditions.
9	In addition to unscheduled reinspections, the hourly rate will be applied to facility/site inspections or other services where there is not an applicable health permit (i.e.: biosolids, unpermitted housing complaint site inspections, California Assembly Bill 1276 {2021-2022 session} enforcement, etc.). Planning and Building and/or Sheriff may collect the fee on behalf of Environmental Health Services for joint inspections/investigations or other unpermitted activities.
10	The CUPA may authorize a CalARP facility risk management plan audit in compliance with CCR, Title 19, Division 2, Chapter 4.5, Section 2775.2 and CUPA Policy P-04 to be conducted by the County's consultant. The fee is charged to the CalARP facility and passed through to the consultant.
11	Environmental Health may authorize a consultant to review and oversee site remediation/clean up projects. Review and oversight consists of but is not limited to review site work and safety plans, oversee customer field work to verify compliance with site health and safety plans, review phase 1 and phase II site investigation reports and provide verbal and written reports to Environmental Health regarding additional work needed, provide draft recommendations regarding site closure and/or required mitigation. Actual cost of consultant is charged to the customer and passed through to the consultant.
12	In the case of a new business required to pay an annual fee pursuant to resolution of the Board of Supervisors, annual fees shall be prorated on a Quarterly basis for the remaining part of the year, however no fee shall be prorated to an amount less than the BOS approved hourly rate.
