NOTICE OF FUNDING AVAILABILITY

1. INTRODUCTION

Purpose

The Preventative Health Grant (PHG) supports projects that promote health and well-being, encourage healthy behaviors, and help county residents achieve and maintain optimal health.

Source and Funding Amount

The PHG is funded through a 1998 legal settlement with the tobacco industry. For Fiscal Year (FY) 2025-26, the PHG will offer two-year awards, to include FY 2026-27. Beginning in FY 2027-28, PHG will return to one-year awards.

- Year 1 (FY 2025-26): A total of \$397,500 in settlement funds is available.
- Year 2 (FY 2026-27): Funding is anticipated to be approximately 5% lower, estimated at \$377,150. The final amount will be confirmed in Winter 2026, allowing grantees to revise their second-year activities accordingly.

See FY 2024-25 PHG Allocations [here](#). Please note this list includes both CBO and PHG grants, funded by both settlement funds and County general funds. This current grant opportunity only includes settlement funds.

Registry Search Tool

Search the Files of the Registry of Charitable Trusts

The Registry Search Tool allows you to query the Registry's database and verify whether a charitable organization or fundraiser has complied with the Attorney General's registration and reporting requirements. You may also review and download records and public filings that a charitable organization or fundraiser has submitted to the Attorney General's Registry of Charitable Trusts. This includes copies of annual registration renewal forms (Form RRF-1), IRS Forms 990, raffle reports and fundraising reports that are in the Registry's database. Information is retrieved from the database in real-time but data and statuses may change intraday as filings are processed.

Potential donors are encouraged to research organizations using this query tool and those available from the [Secretary of State](#), [Franchise Tax Board](#) and [IRS](#) to determine an organization's tax-exempt status and compliance status with all appropriate state and federal agencies. Each agency maintains their own database and independently determines the disposition of organizations relative to their statutory oversight. Each should be considered carefully and collectively to gain the most complete assessment possible. Donors may also benefit from reviewing our [Resources](#) and [Donation Tips](#).
