Important Information:

All permits/OIN's within ¼ mile of schools and day care centers must submit an annual notification of pesticides, which they expect to use, between July 1- June 30. To submit annual notification of pesticides or add new pesticides, use the online form DPR-ENF-150 or log into Calagpermits.org. New active ingredients and/or products may be added throughout the year with 48-hour notice. Please ask the grower for a copy of the list that was submitted, to verify your recommendation is listed or if an addition needs to be made.
