EXPLANATION OF TAX RATES

Maximum Tax Rate

Section 98(a) of the Revenue and Taxation Code directs the County to levy an ad valorem property tax on taxable assessed value at a rate equal to one dollar (\$1) per hundred dollars (\$100) of full value plus any amounts levied for bonded indebtedness approved by the voters. For the 2025-26 fiscal year, the actual tax rates levied in SLO County range from \$1.02856 to \$1.20383, depending on the location of the property.

Tax Rates for General Obligation Bonds or Other Indebtedness

Under Section 93(a) of the Revenue and Taxation Code, a tax rate may be levied to make annual payments for interest and principal on general obligation bonds or certain other indebtedness approved by the voters. In this publication the maximum tax rate, in addition to any voter approved bond rate, is noted for each tax rate area and is multiplied by the net assessed value of each taxable property for tax extension.

Unitary Roll

The State Board of Equalization (BOE) is responsible for determining the value for certain companies with facilities located in San Luis Obispo County, which are part of a multi-county regulated public utility. In 2007-08, as the result of AB2670, the BOE was required to remove the Regulated Railway values from the non-operating non-unitary local tax rate areas (TRAs) and assess this property as Unitary in its own TRA 000-002. A countywide average debt rate is set yearly to be applied to all unitary and operating non-unitary property billed for the Unitary portion of the State Board roll. The tax rates for this year will show under the first three tax rate areas, 000-001, 000-002 and 000-511. This serves to equalize the Unitary value throughout the County to all taxing jurisdictions.

Mello-Roos Bonds & Special Taxes

The Mello-Roos Community Facilities Act is a tax-based financing method that authorizes local governments to establish community facilities districts (CFDs) within which they may levy special taxes and issue bonds, with approval of two-thirds of the district's landowners, to finance open space acquisition, maintenance, and other programs. There are currently two Mello-Roos CFDs levying special taxes for services being administered by the cities of Atascadero and Paso Robles.

State Water Project

The State Water tax rate is the result of a water supplement agreement between the SLO County Flood Control District and the California State Department of Water Resources (DWR), entered into in 1963, and is charged to every parcel within the County of San Luis Obispo. The revenue generated by this tax rate is used solely to make the contractual payments required by the DWR agreement, which is currently set to expire in 2035. Questions on the State Water tax rate should be directed to Katie Franco in the Public Works Department at 781-5250.
