

COUNTY OF SAN LUIS OBISPO
BOARD OF SUPERVISORS OFFICE

Dear Community Partner,

We hope this letter finds you well. We want to take a moment to thank you for the valuable work your organization has done to support our community. Your efforts and impact have not gone unnoticed, and we deeply appreciate your partnership over the years.

There has been an important change regarding the Board of Supervisors' Community Project Grant Program. Due to significant budget constraints affecting the entire organization, the Board of Supervisors has made the difficult decision to eliminate this program in the Fiscal Year 2025-26 County budget. As of **July 1, 2025**, community grant project funding is no longer available.

We recognize that these grants have provided meaningful support to many local nonprofits, including yours, and we understand the challenges this change may present. This decision was not made lightly but reflects the current fiscal realities and the need to prioritize core County services.

Please know that our appreciation for your work remains steadfast. We will do our best to keep you informed of any relevant future grant funding opportunities throughout the County.

Thank you again for your continued service to our community.

Sincerely,

Board of Supervisors Office
