IMPORTANT TO KNOW BEFORE YOU VOTE

The office of California U.S. Senator has TWO separate contests on the November 5, 2024, General Election ballot. You may vote on both. The first contest is the regular election for the full 6-year term of office beginning on January 3, 2025 (the full term).

The second contest is a special vacancy election, since the current officeholder is temporarily filling the vacancy. This contest is for the remainder of the term ending on January 3, 2025 (the partial/unexpired term).

TOP TWO CANDIDATES

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still

must be held. California's open primary system doesn't apply to candidates running for U.S. President, county central committee, or local offices.

In a direct primary, voters directly select their preferred candidate for a particular political party to run in the general election. This means that each voter can vote for their chosen candidate, and the one with the most votes becomes the party's nominee.

On the other hand, voting for electors, such as in the presidential election in CA, involves voters choosing *electors* who are pledged to a specific candidate. Each state, including CA, has a specific number of electors based on its representation in Congress (the sum of its Senators and Representatives).

ELECTIONS IN CALIFORNIA

VOTER-NOMINATED OFFICES

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election.

A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party.

The parties may submit a list of the candidates for voter-nominated offices who have received the party's official endorsement (see the Political Party Endorsements page).

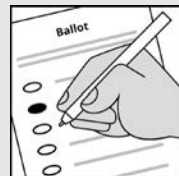

NON-PARTISAN OFFICES

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election.

A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Any candidate for a nonpartisan office who receives a majority of the vote (at least 50 percent + 1) in the primary election will be elected to that office and the contest will not appear on the ballot for the general election.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office, even if both candidates have specified the same party preference designation.

ELECTIONS IN CALIFORNIA

REQUIREMENTS FOR FIRST-TIME VOTERS

The Help America Vote Act (HAVA) requires first-time federal voters to show identification prior to voting.

Unless you already provided it, you will be required to show your current valid photo I.D. and/or a copy of one of the following that shows your name and address when you go to the polls on Election Day: current utility bill, bank statement, government check, government paycheck, or a government document.

You will be required to send a copy of one of the above documents with your voted Vote-by-Mail ballot. If you have questions about your status as a first-time voter, please contact the Elections Office.

WHY YOUR BALLOT WOULD NOT BE COUNTED

Your voice is important. The Elections Office makes every effort to ensure that each vote cast is counted. That said, the following are reasons that a ballot would NOT be counted:

1. The ballot is not postmarked by November 5 and/or does not arrive within 7 days after Election Day.

2. The VBM return envelope is not signed.

3. The signature on the VBM return envelope does not match any signature in the voter's record.

4. The ballot is returned without the VBM return envelope.

5. There are multiple ballots in one VBM return envelope.

VBM CURE PROCESS

The law requires the Elections Office to send a letter and verification form to voters who forgot to sign their return envelope or whose signature did not match their signatures on file.

In order for these ballots to be counted, voters must sign and return their form prior to the deadline, which is two days before the election is certified.

WHY VOTE NOW?

Because VBM ballots received before Election Day are counted and included in the Election Night results

But don't worry: Every VBM ballot postmarked correctly and received within 7 days of the election will be counted

My voter registration changed, even though I didn't make an update. What's going on?

We sometimes hear this question from people who don't realize that their voter registration can be updated as part of DMV processes. So, if you find your registration is different from what you remember, it may have been updated during a DMV transaction. If you give us a call, we can look it up and verify that for you.

ELECTION SAFETY AND SECURITY

California's election systems are extremely safe and secure, and all 58 counties have a proven track record of conducting accessible and accurate elections. The California Secretary of State's Office makes this possible by overseeing one of the most extensive voting system testing and certification programs in the nation.

Unfortunately, misinformation about elections is widespread, and it continues to confuse voters and lead to distrust in the process.

The fact remains that the Elections Office in San Luis Obispo County carefully follows statewide elections code and takes many steps to ensure election security locally, including making the processing and counting of ballots publicly observable.

Remember that your Elections Office is your best source for timely, accurate, and trustworthy election information. You can find us anytime at slovote.com, where we have a #TrustedInfo2024 page, or feel free to reach out to us at (805) 781-5228 or elections@co.slo.ca.us.

Have misinformation to report? Contact the Secretary of State at votensure@sos.ca.gov.

CALIFORNIA ELECTION SECURITY SAFEGUARDS

There are a number of steps that we take to ensure your vote is safe and secure throughout the election. Here are a few examples:

- County voting systems are not connected to the Internet, and all ballots are paper.
- Only authorized staff have access to systems relevant to their role.
- We conduct routine threat monitoring, vulnerability scanning, and security assessments in collaboration with our state and federal partners.

CHECK YOUR VOTER STATUS ONLINE

VoterStatus.sos.ca.gov

- VoteCal is a centralized statewide voter registration database. VoteCal checks against official records and is regularly updated.
- Ballot drop boxes are secured and monitored.
- Signatures are verified on all Vote-by-Mail envelopes.
- Ballots remain in dual (two-person) custody at all times.

HOW YOUR VOTE IS COUNTED

Polling places close at 8:00 pm on Election Night, but it can take a few hours for all locations to report results, and weeks before the final totals are known. Ever wondered why? Here's a quick look at what happens to your ballot after you cast it.

ELECTION NIGHT

The first results are posted shortly after 8:00 pm—these are the Vote-by-Mail ballots that were returned and processed early, prior to Election Day.

After that, we must wait for the first of the polling places across the county to complete their paperwork, pack up their supplies, and return the ballots; this can take more than an hour.

As polling places report in, their results are tabulated and compiled into countywide results. The posted results are updated periodically throughout the night at www.slovote.com.

When all polling places have reported, the Election Night counting is done; however, there are still more ballots to count and a lot more work to do before the results become official (see below).

BALLOTS COUNTED AFTER ELECTION DAY

Vote-by-Mail Ballots Received After the First Weekend in November: Vote-by-Mail ballots that arrive the

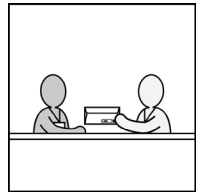

day before or on Election Day (either by mail, returned at a polling place, or deposited in an official ballot drop box) are processed and counted in the days after Election Day and therefore are **not** included in the Election Night results posted.

Postmarked Vote-by-Mail Ballots:

Under California law, ballots may be counted even if they arrive after Election Day, as long as they are received by mail no later than 7 days after the election and are postmarked on/before Election Day.

Missing or Mismatched Signature:

A voter's signature on the returned Vote-by-Mail identification envelope **must** compare with the signature(s) in the voter's registration record. If the voter did not sign the ballot envelope, or if the Elections Official has determined that the signature on the envelope does not match with the signature(s) of the voter in the voter's record, the Elections Office will provide the voter with the appropriate form to correct the missing or mismatched signature. This notice must be returned to the Elections Office no later than 2 days prior to the certification of the election.

Provisional

Ballots: These are the last ballots counted because they must be researched and verified. It may take a few weeks, but every valid vote will be counted.

OBSERVING ELECTIONS

The public is invited to participate as a poll watcher or election observer. Both roles provide important insight into the process.

Rules for conduct are outlined in the California Elections Code, and more information can be found online at www.slovote.com.

Poll watchers observe operations at polling locations on Election Day, while election observers check in at the County Elections Office and are then able to observe various steps in the ballot processing and tabulation process. STATEMENT OF CANDIDATE FOR STATE SENATE, 17TH DISTRICT

JOHN LAIRD

Occupation: California State Senator, District 17

Education and Qualifications: It has been an honor to represent San Luis Obispo County. Over the past four years, I have visited every city hall, as well as parks, schools and special districts, and met with residents throughout the county. When atmospheric rivers slammed the Central Coast, I worked to get support to affected communities. When Cal Poly's Swanton Campus was decimated by fire, I worked to get the rebuilding fully funded. When Atascadero could not recover loans made for redevelopment, I worked to resolve the issue. I finished the bi-partisan effort to name a stretch of Highway 101 for Katcho Achadjian.

When the Governor wanted to extend the life of Diablo Canyon Power Plant, I worked to make sure local workers and businesses did not have to pay back their transition funds. I also ensured lands surrounding the plant are preserved, and that the Coastal Trail is extended into new areas of San Luis Obispo County. As Senator, I have authored 46 bills signed into law – including strengthening climate goals; improving fire prevention efforts; increasing sea level rise planning; requiring more efficient state buildings; and ensuring children of local fallen officers get the same survivor benefits as others. As Education Budget Subcommittee Chair, a substantial increase in public education funding was approved. I achieved restoration of UC's Cooperative Agriculture Extension – supporting local 4-H clubs and helping small farmers with needed technical help. There is much more to do. I'm energized and ready to continue contributing my experience, drive and commitment to serve San Luis Obispo County. I respectfully ask for your vote. www.LairdforCASenate.com

Occupación: Senador del Estado de California, Distrito 17

Educación y Cualificaciones: Ha sido un honor representar al Condado de San Luis Obispo. Durante los últimos cuatro años, he visitado todos los ayuntamientos, así como parques, escuelas y distritos especiales, y me he reunido con residentes de todo el condado. Cuando los ríos atmosféricos azotaron la Costa Central, trabajé para conseguir apoyo para las comunidades afectadas. Cuando el Campus Swanton de Cal Poly fue diezmado por un incendio, trabajé para conseguir la financiación completa para la reconstrucción. Cuando Atascadero no pudo recuperar los préstamos otorgados para la reurbanización, trabajé para resolver el problema. Terminé el esfuerzo bipartidista para nombrar un tramo de la Autopista 101 en honor a Katcho Achadjian.

Cuando el Gobernador quiso extender la vida útil de la Planta de Energía Diablo Canyon, trabajé para asegurarme de que los trabajadores y las empresas locales no tuvieran que devolver sus fondos de transición. También me aseguré de que las tierras que rodean la planta se preserven, y de que el Sendero Costero se extienda a nuevas áreas del Condado de San Luis Obispo. Como Senador, he sido autor de 46 proyectos de ley que se convirtieron en ley – incluidos el fortalecimiento de los objetivos climáticos; la mejora de los esfuerzos de prevención contra incendios; el aumento de la planificación del aumento del nivel del mar; la exigencia de edificios estatales más eficientes; y la garantía de que los hijos de los oficiales locales caídos obtengan los mismos beneficios para sobrevivientes que los demás. Como Presidente del Subcomité de Presupuesto de Educación, se aprobó un aumento sustancial en la financiación de la educación pública. Logré la restauración de la Extensión Agrícola Cooperativa de la UC – que brinda apoyo a los clubes 4-H locales y ayuda a los pequeños agricultores con la asistencia técnica necesaria. Hay mucho más por hacer. Me siento lleno de energía y listo para seguir aportando mi experiencia, dirección y compromiso para servir al Condado de San Luis Obispo. Con todo respeto le pido su voto. www.LairdforCASenate.com

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30TH DISTRICT**

DAWN ADDIS

Age: 52

Occupation: State Assemblymember/Teacher

Education and Qualifications: Dear Neighbor,

It has been my honor to represent the Central Coast in the State Assembly since 2022. In this role, I've listened to local residents and worked hard to advance meaningful legislation and deliver our region's fair share of state funding. As your Assemblymember, I'm working to improve public schools, reduce homelessness, combat the climate crisis, and help Central Coast residents navigate the high costs of gas, groceries, insurance, and housing. I'm also working with legislators from both parties to address the fentanyl epidemic and ensure safe communities.

I serve as the State Assembly appointee to the California Ocean Protection Council. I have authored important legislation to expand paid parental leave, improve housing opportunities for community college students, and help victims of childhood sexual abuse.

Prior to my election to the legislature, I worked as a classroom teacher and educational program developer. I also served on a local City Council and helped co-found a 10,000-person women's march. My husband, Marcus, and I are the proud parents of two children. My campaign has been endorsed by groups who represent Central Coast firefighters, paramedics, nurses, law enforcement personnel, teachers, and grocery store workers.

I would be honored to earn your vote for State Assembly. If you have questions or thoughts about my campaign, please do not hesitate to call me at (805) 749-3751 or email me at Dawn@DawnAddis.org. www.DawnAddis.org

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30TH DISTRICT**

DALILA EPPERSON

Age: 58

Occupation: Retired Nurse

Education and Qualifications: I am running for the California State Assembly to champion much needed educational reform for our children, support law enforcement and local business owners, and to advance personal liberties.

My goal is to create an environment where every family can thrive, a position I hold dear as a devoted mother, grandmother, wife, and as an entrepreneur.

I love our precious Central Coast and the families who call it home as I do. That's why I have long been a committed community member. This includes actively participating in school board meetings and standing strong as a voice for parents. I also supported the reopening of businesses that the government cruelly shut down by attending multiple Board of Supervisor and City Council meetings. I walk the walk!

Understanding the challenges of local business owners which is based on my experience owning two small businesses, my entrepreneurial spirit drives me to support local businesses and advocate for policies that foster a thriving economy, e.g., less regulations!

My firefighter husband, a Navy veteran, embodies bravery and dedication that inspires my journey in public service. I believe we can unite by pursuing liberty, prosperity and safety.

Vote for strength and common sense; Someone who will always stand strong and represent us all: vote for me, Dalila Epperson for State Assembly.

GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 7
Paso Robles Joint Unified School District**

TRACY DAUTERMAN

Age: 45

Occupation: Parent, Volunteer, Management & Marketing Professional

Education and Qualifications: I'm a parent of two children attending Winifred Pifer Elementary School, an active volunteer in our school district, and a mentor to underserved PRJUSD middle and high school students. I participate in district level committees and I frequently communicate with district leadership and trustees, regularly advocating for putting students' interests first.

I'm the PTA President at Pifer, the Secretary of the School Site Council, and I've been attending and speaking at School Board Meetings for the past two years. Increasing parent engagement at Pifer by working with the PTA board and school leadership is one of my proudest accomplishments as PTA President last school year.

Every student in our district deserves to receive a quality education from our public schools. This can only occur with sound leadership, direction, and support from the board of trustees who help to create a collaborative and positive environment for all stakeholders. In my business experience, when leadership encourages teamwork and fosters a positive environment built on trust and mutual respect, better results are achieved.

It is my strong desire to utilize my skill set to assist in the rebuilding of PRJUSD into a true District of Excellence. My professional and educational background leading teams, managing budgets, and negotiating solutions, along with my desire to work with others, makes me well qualified for this role.

I will be focused on improving academics, eliminating distractions, and communicating progress to parents and the community. As this is a non-partisan position, I will not be accepting endorsements from political organizations. I want it to be clear that my motivation is always going to be what is right for the students.

Every community member has a stake in our public schools. A strong public school system, with high quality educators, administrators, and staff helps students recognize and achieve their potential by offering engaging experiences and challenging coursework to prepare them to thrive as adults. We have some work to do to improve our academic outcomes, especially for our underserved students, and I am up for this challenge.

I respectfully ask that you afford me the opportunity to make a real difference in our community by casting your vote for me.

MIEMBRO DE LA JUNTA GOBERNANTE, ÁREA DE SÍNDICO NO. 7
Distrito Escolar Unificado Conjunto de Paso Robles**

TRACY DAUTERMAN

Edad: 45

Ocupación: Madre, Voluntaria, Profesional de Gestión y Marketing

Educación y Cualificaciones: Soy madre de dos niños que asisten a la Escuela Primaria Winifred Pifer, voluntaria activa en nuestro distrito escolar, y mentora de estudiantes desfavorecidos en las escuelas intermedias y secundarias del PRJUSD. Participo en comités a nivel de distrito y me comunico frecuentemente con los líderes y síndicos del distrito, abogando regularmente por poner los intereses de los estudiantes en primer lugar.

Soy Presidenta de la PTA en Pifer, Secretaria del Concejo Escolar, y he asistido y hablado en las Reuniones de la Junta Escolar durante los últimos dos años. Uno de mis más preciados logros como Presidenta de la PTA el año escolar pasado fue aumentar la participación de los padres en Pifer trabajando con la junta de la PTA y participando en el liderazgo de la escuela.

Cada estudiante de nuestro distrito merece recibir una educación de calidad en nuestras escuelas públicas. Esto solo puede ocurrir con un liderazgo sólido, dirección, y apoyo de la junta de síndicos que ayuda a crear un entorno colaborativo y positivo para todas las partes interesadas. Según mi experiencia empresarial, se logran mejores resultados cuando el liderazgo fomenta el trabajo en equipo y promueve un entorno positivo basado en la confianza y el respeto mutuo.

Mi gran deseo es utilizar mis habilidades para ayudar en la reconstrucción de PRJUSD en un verdadero Distrito de Excelencia. Mi experiencia profesional y educativa liderando equipos, gestionando presupuestos, y negociando soluciones, junto con mi deseo de trabajar con otros, me hacen altamente calificada para este puesto.

Me concentraré en mejorar el nivel académico, eliminar distracciones, y comunicar el progreso a los padres y a la comunidad. Como este es un cargo no partidista, no aceptaré el respaldo de organizaciones políticas. Quiero que quede claro que mi motivación siempre va a ser hacer lo correcto para los estudiantes.

Cada miembro de la comunidad tiene un interés en nuestras escuelas públicas. Un sistema escolar público sólido, con educadores, administradores, y personal de alta calidad, ayuda a los estudiantes a reconocer y alcanzar su potencial al ofrecer experiencias atractivas y cursos desafiantes que los preparan para prosperar como adultos. Tenemos trabajo que hacer para mejorar nuestros resultados académicos, especialmente para nuestros estudiantes desfavorecidos, y estoy preparada para este desafío.

Le pido respetuosamente que me dé la oportunidad de hacer una verdadera diferencia en nuestra comunidad emitiendo su voto por mí.

KENNETH ENNEY

Age: 59

Occupation: Ranch Owner / Retired Marine

Education and Qualifications: My leadership experience as a Marine Corps Officer and business experience as a rancher with a Master's degree in Business and another in National Security, I have the vision and strategy to set PRJUSD on a path towards true excellence.

Our students deserve a first-class education in a highly ranked school where they will learn and grow in a safe and secure environment.

PRJUSD says it is the "district of excellence." Yet, the district average math proficiency is 30.45 percent. Is that excellence? We must set and maintain high standards and hold the system accountable.

To improve performance, we must challenge individuals. We must abandon the "one size fits all" educational model and expand options for students, such as charter schools and vocational programs.

With strong leadership, the enforcement of standards, and accountability, we will work together to improve performance, and our children will academically soar to the top quarter of their peers nationwide.

I look forward to working with the board, the new superintendent and parents to ensure that all our children receive the quality education they deserve.

MIEMBRO DE LA JUNTA GOBERNANTE, ÁREA DE SÍNDICO NO. 7

KENNETH ENNEY

Edad: 59

Ocupación: Propietario de un Rancho / Marino Jubilado

Educación y Cualificaciones: Mi experiencia de liderazgo como Oficial del Cuerpo de Marineros y mi experiencia empresarial como ganadero con una Maestría en Negocios y otra en Seguridad Nacional, me dan la visión y la estrategia para poner a PRJUSD en el camino hacia la verdadera excelencia.

Nuestros estudiantes merecen una educación de primer nivel en una escuela altamente calificada donde crecerán y aprenderán en un entorno seguro y protegido.

PRJUSD dice que es el "distrito de la excelencia." Sin embargo, el promedio del distrito en competencia matemática es del 30.45 por ciento. ¿Es eso excelencia? Debemos establecer y mantener estándares altos y exigirle responsabilidad al sistema.

Para mejorar el rendimiento, debemos desafiar a las personas. Debemos abandonar el modelo educativo "igual para todos" y ampliar las opciones para los estudiantes, como las escuelas chárter y los programas vocacionales.

Basándonos en un liderazgo fuerte, la aplicación de normas y la responsabilidad, trabajaremos juntos para mejorar el rendimiento, y nuestros niños se ubicarán académicamente entre los mejores de sus pares en todo el país.

Espero trabajar con la junta, el nuevo superintendente y los padres para garantizar que todos nuestros niños reciban la educación de calidad que merecen.
