IMPORTANT TO KNOW BEFORE YOU VOTE

The office of California U.S. Senator has TWO separate contests on the November 5, 2024, General Election ballot. You may vote on both. The first contest is the regular election for the full 6-year term of office beginning on January 3, 2025 (the full term).

The second contest is a special vacancy election, since the current officeholder is temporarily filling the vacancy. This contest is for the remainder of the term ending on January 3, 2025 (the partial/unexpired term).

TOP TWO CANDIDATES

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still

must be held. California's open primary system doesn't apply to candidates running for U.S. President, county central committee, or local offices.

In a direct primary, voters directly select their preferred candidate for a particular political party to run in the general election. This means that each voter can vote for their chosen candidate, and the one with the most votes becomes the party's nominee.

On the other hand, voting for electors, such as in the presidential election in CA, involves voters choosing *electors* who are pledged to a specific candidate. Each state, including CA, has a specific number of electors based on its representation in Congress (the sum of its Senators and Representatives).

ELECTIONS IN CALIFORNIA

VOTER-NOMINATED OFFICES

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election.

A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party.

The parties may submit a list of the candidates for voter-nominated offices who have received the party's official endorsement (see the Political Party Endorsements page).

NON-PARTISAN OFFICES

Political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election.

A candidate for nomination to a nonpartisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the nonpartisan office.

Any candidate for a nonpartisan office who receives a majority of the vote (at least 50 percent + 1) in the primary election will be elected to that office and the contest will not appear on the ballot for the general election.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office, even if both candidates have specified the same party preference designation.

ELECTIONS IN CALIFORNIA

REQUIREMENTS FOR FIRST-TIME VOTERS

The Help America Vote Act (HAVA) requires first-time federal voters to show identification prior to voting.

Unless you already provided it, you will be required to show your current valid photo I.D. and/or a copy of one of the following that shows your name and address when you go to the polls on Election Day: current utility bill, bank statement, government check, government paycheck, or a government document.

You will be required to send a copy of one of the above documents with your voted Vote-by-Mail ballot. If you have questions about your status as a first-time voter, please contact the Elections Office.

WHY YOUR BALLOT WOULD NOT BE COUNTED

Your voice is important. The Elections Office makes every effort to ensure that each vote cast is counted. That said, the following are reasons that a ballot would NOT be counted:

1. The ballot is not postmarked by November 5 and/or does not arrive within 7 days after Election Day.

2. The VBM return envelope is not signed.

3. The signature on the VBM return envelope does not match any signature in the voter's record.

4. The ballot is returned without the VBM return envelope.

5. There are multiple ballots in one VBM return envelope.

VBM CURE PROCESS

The law requires the Elections Office to send a letter and verification form to voters who forgot to sign their return envelope or whose signature did not match their signatures on file.

In order for these ballots to be counted, voters must sign and return their form prior to the deadline, which is two days before the election is certified.

WHY VOTE NOW?

Because VBM ballots received before Election Day are counted and included in the Election Night results

But don't worry: Every VBM ballot postmarked correctly and received within 7 days of the election will be counted

POLITICAL PARTY ENDORSEMENTS

Parties may provide a list of candidates who have received the official endorsement of the party for printing in this booklet.

My voter registration changed, even though I didn't make an update. What's going on?

We sometimes hear this question from people who don't realize that their voter registration can be updated as part of DMV processes. So, if you find your registration is different from what you remember, it may have been updated during a DMV transaction. If you give us a call, we can look it up and verify that for you.

ELECTION SAFETY AND SECURITY

California's election systems are extremely safe and secure, and all 58 counties have a proven track record of conducting accessible and accurate elections. The California Secretary of State's Office makes this possible by overseeing one of the most extensive voting system testing and certification programs in the nation.

Unfortunately, misinformation about elections is widespread, and it continues to confuse voters and lead to distrust in the process.

The fact remains that the Elections Office in San Luis Obispo County carefully follows statewide elections code and takes many steps to ensure election security locally, including making the processing and counting of ballots publicly observable.

Remember that your Elections Office is your best source for timely, accurate, and trustworthy election information. You can find us anytime at slovote.com, where we have a #TrustedInfo2024 page, or feel free to reach out to us at (805) 781-5228 or elections@co.slo.ca.us.

Have misinformation to report? Contact the Secretary of State at votensure@sos.ca.gov.

CALIFORNIA ELECTION SECURITY SAFEGUARDS

There are a number of steps that we take to ensure your vote is safe and secure throughout the election. Here are a few examples:

- County voting systems are not connected to the Internet, and all ballots are paper.
- Only authorized staff have access to systems relevant to their role.
- We conduct routine threat monitoring, vulnerability scanning, and security assessments in collaboration with our state and federal partners.

CHECK YOUR VOTER STATUS ONLINE

VoterStatus.sos.ca.gov

- VoteCal is a centralized statewide voter registration database. VoteCal checks against official records and is regularly updated.
- Ballot drop boxes are secured and monitored.
- Signatures are verified on all Vote-by-Mail envelopes.
- Ballots remain in dual (two-person) custody at all times.

HOW YOUR VOTE IS COUNTED

Polling places close at 8:00 pm on Election Night, but it can take a few hours for all locations to report results, and weeks before the final totals are known. Ever wondered why? Here's a quick look at what happens to your ballot after you cast it.

ELECTION NIGHT

The first results are posted shortly after 8:00 pm—these are the Vote-by-Mail ballots that were returned and processed early, prior to Election Day.

After that, we must wait for the first of the polling places across the county to complete their paperwork, pack up their supplies, and return the ballots; this can take more than an hour.

As polling places report in, their results are tabulated and compiled into countywide results. The posted results are updated periodically throughout the night at www.slovote.com.

When all polling places have reported, the Election Night counting is done; however, there are still more ballots to count and a lot more work to do before the results become official (see below).

BALLOTS COUNTED AFTER ELECTION DAY

Vote-by-Mail Ballots Received After the First Weekend in November: Vote-by-Mail ballots that arrive the

day before or on Election Day (either by mail, returned at a polling place, or deposited in an official ballot drop box) are processed and counted in the days after Election Day and therefore are **not** included in the Election Night results posted.

Postmarked Vote-by-Mail Ballots:

Under California law, ballots may be counted even if they arrive after Election Day, as long as they are received by mail no later than 7 days after the election and are postmarked on/before Election Day.

Missing or Mismatched Signature:

A voter's signature on the returned Vote-by-Mail identification envelope **must** compare with the signature(s) in the voter's registration record. If the voter did not sign the ballot envelope, or if the Elections Official has determined that the signature on the envelope does not match with the signature(s) of the voter in the voter's record, the Elections Office will provide the voter with the appropriate form to correct the missing or mismatched signature. This notice must be returned to the Elections Office no later than 2 days prior to the certification of the election.

Provisional

Ballots: These are the last ballots counted because they must be researched and verified. It may take a few weeks, but every valid vote will be counted.

EMPLOYERS cannot require or ask their employee to bring their Vote-by-Mail ballot to work or ask their employee to vote their ballot at work. At the time of payment of salary or wages, employers cannot enclose materials that attempt to influence the political opinions or actions of their employees.

POLL WORKERS cannot attempt to determine how a voter voted their ballot or, if that information is discovered, disclose how a voter voted their ballot.

The prohibitions on activity related to corruption of the voting process summarized here are set forth in Chapter 6 of Division 18 of the California Elections Code.

A VOTE-BY-MAIL (VBM) BALLOT FROM VOTE TO TABULATION

ELECTIONEERING IS PROHIBITED

VIOLATIONS CAN LEAD TO FINES AND/OR IMPRISONMENT

WARNING: The following activities are prohibited within the immediate vicinity of a person in line to cast their ballot OR within 100 feet of the entrance to a polling place, curbside voting, or official ballot drop box.

- DO NOT ask a person to vote for or against any candidate or ballot measure.
- DO NOT display a candidate's name, image, or logo.
- DO NOT block access to or loiter near any ballot drop boxes.
- DO NOT provide any material or audible information for or against any candidate or ballot measure near any polling place or official ballot drop box.
- DO NOT circulate any petitions, including for initiatives, referenda, recall, or candidate nominations.
- DO NOT distribute, display, or wear any clothing (hats, shirts, signs, buttons, stickers) that includes a candidate's name, image and/or logo, or that supports or opposes any candidate or ballot measure.
- DO NOT display information or speak to a voter about the voter's eligibility to vote.

The electioneering prohibitions summarized here are set forth in Article 7 of Chapter 4 of Division 18 of the California Elections Code.

OBSERVING ELECTIONS

The public is invited to participate as a poll watcher or election observer. Both roles provide important insight into the process.

Rules for conduct are outlined in the California Elections Code, and more information can be found online at www.slovote.com.

Poll watchers observe operations at polling locations on Election Day, while election observers check in at the County Elections Office and are then able to observe various steps in the ballot processing and tabulation process. In both cases, there may be space limitations that impact how many can participate.

ASSISTANCE FOR VOTERS WITH DISABILITIES

San Luis Obispo County is committed to ensuring every voter can cast their ballot privately and independently. Below is detailed information about assistance offered to voters with disabilities.

Vote-by-Mail: Mark your ballot. Once completed, sign and seal your envelope. If you are unable to sign, make your mark and have a witness sign in the designated spot. Return your ballot by mail, or in person at any drop box, elections office, or polling site in California.

Vote at a Polling Place: On Election Day, you may choose up to two people to help you vote at any polling place or at the County Elections Office. This person cannot be your employer or anyone who works for your employer, your labor union leader, or anyone who works for your labor union.

- Accessible ballot-marking (ICX) machines are available at every polling place on Election Day and at the County Clerk-Recorder's Office beginning 29 days prior to the election. The ICX can mark a ballot in a number of ways and generate a paper ballot with a QR code for tabulating.

- Curbside Voting: If you arrive at a polling place and cannot get to the voting area, call for assistance: **1-805-781-1888**

- Voter Information Guides are available on the County Clerk-Recorder's website for use with personal accessible navigational tools and screen reader technology.

- Large print format of the County Voter Information Guide and of the state ballot measures is available upon request.

REMOTE ACCESSIBLE VOTE-BY-MAIL (RAVBM)

The Elections Office offers voters the use of a Remote Accessible Vote-by-Mail system that allows a voter to mark their selections on a personal computer, using their own compatible technology or assistive device(s) (screen readers, tactile switches, closed captioning, sip and puff system, etc.) as needed, to vote independently and privately in the comfort of their own home.

Other Assistance for Visually, Hearing, or Speech Impaired:

The Secretary of State's Office has a TDD (Telecommunications Device for the Deaf) to provide elections information: **1-800-TDD-VOTE**

Contact the Elections Office for information at 1-805-781-5228.

VOTER INFORMATION SECTION

The following pages contain voter information applicable to your ballot, which may include any/all of the following:

- Candidates' Statements
- Ballot Measure(s)
- Impartial Analysis
- Fiscal Impact/Tax Rate Statement(s)
- Arguments and Rebuttals in Support Of or In Opposition To Ballot Measures

This section might not contain a statement for each candidate. A complete list of candidates you are eligible to vote for appears on your ballot.

Each candidate's statement in this pamphlet is volunteered by the candidate and is printed in English or English and Spanish at their expense. Each candidate's statement is printed in uniform format as submitted by the candidate.

Please note that all the statements printed in Spanish, at the candidates' request, follow the English statement for that candidate.

Still have questions about how to vote?

Check out our Frequently Asked Questions (Voter FAQs) online at www.slovote.com

Arguments in support of or in opposition to the proposed laws are the opinions of the authors.

CAMPAIGN FINANCE REFORM

Among all state legislative candidates appearing on the ballot in San Luis Obispo County, only the candidates listed on this page have pledged to abide by campaign spending limits as specified in California Government Code 85600.

Candidates agreeing to the campaign spending limits also have the opportunity to have a Statement of Qualifications printed in this guide, at their own expense.

VOTER BILL OF RIGHTS

You have the right to vote if you are a registered voter. You are eligible to vote if you are: a U.S. citizen living in California; at least 18 years old; registered where you currently live; not currently serving a state or federal prison term for the conviction of a felony; and not currently found mentally incompetent to vote by a court.

You have the right to vote if you are a registered voter, even if your name is not on the list. You will vote a provisional ballot. Your vote will be counted if elections officials determine that you are eligible to vote.

You have the right to vote if you are still in line when the polls close.

You have the right to cast a secret ballot without anyone bothering you or telling you how to vote.

You have the right to get a new ballot if, prior to casting your ballot, you believe you made a mistake. You can ask an election official at a polling place for a new ballot; exchange your Vote-by-Mail ballot for a new one at an elections office or at your polling place; or vote using a provisional ballot.

You have the right to get help casting your ballot from anyone you choose, except from your employer or union representative.

You have the right to drop off your completed Vote-by-Mail ballot at any polling place in California.

You have the right to get election materials in a language other than English if enough people in your voting precinct speak that language.

You have the right to ask questions to elections officials about election procedures and watch the election process. If the person you ask cannot answer your questions, they must send you to the right person for an answer. If you are disruptive, they can stop answering you.

You have the right to report any illegal or fraudulent election activity to an elections official or the Secretary of State's Office.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 19TH CONGRESSIONAL DISTRICT**

JIMMY PANETTA

Occupation: U.S. Representative

Education and Qualifications: As a United States Representative, I'm fighting to give people opportunities for a better life. Having grown up with a deep sense of public service, I've dedicated my career to giving back to our community and country. As an Afghanistan War veteran, former prosecutor, and, now, a U.S. Representative, I know how to serve and fight for the people and values of our home.

I'm working to reduce the cost of living for working families with more affordable housing, accessible healthcare, and lower prescription drug prices. I'm securing federal resources to protect our livelihoods with investments in local infrastructure and national supply chains to boost productivity and prosperity. I'm promoting local jobs by supporting our diverse economy of technology, hospitality, agriculture, education, research, and small businesses.

I'm defending our precious environment by protecting our pristine coastline and public lands from oil drilling, promoting agricultural sustainability, and creating sound policies to help prevent wildfires and combat the climate crisis. I'm standing up for women's reproductive rights and equality. I'm working to secure our border and, as the grandson of immigrants, create pathways for legalization. I'm delivering federal funding for law local enforcement to fight crime.

I'm upholding democratic values by ensuring our right to vote and supporting international partners fighting for peace. I'll continue to fight for the people of California's 19th Congressional District with hard work, new ideas, and the will to work together to get things done. I'd be honored by your vote. **DECLARACIÓN DE CANDIDATURA PARA
REPRESENTANTE DE EE. UU., DISTRITO 19° DEL CONGRESO**

JIMMY PANETTA

Ocupación: Representante de EE. UU.

Educación y Cualificaciones: Como Representante de los Estados Unidos, lucho para darle a la gente oportunidades para una vida mejor. Habiendo crecido con un profundo sentido de servicio público, he dedicado mi carrera a contribuir a nuestra comunidad y a nuestro país. Como veterano de la Guerra en Afganistán, exfiscal, y actual Representante de EE. UU., sé cómo servir y luchar por la gente y los valores de nuestro hogar.

Trabajo para reducir el costo de vida de las familias trabajadoras mediante viviendas más asequibles, atención médica accesible, y precios más bajos de medicamentos recetados. Aseguro recursos federales para proteger nuestros medios de vida con inversiones en infraestructura local y cadenas de suministro nacionales para impulsar la productividad y la prosperidad. Promuevo empleos locales apoyando a nuestra economía variada de tecnología, hotelería, agricultura, educación, investigación, y pequeñas empresas.

Defiendo nuestro preciado medio ambiente mediante la protección de nuestra costa inmaculada y tierras públicas de la perforación petrolera, promoviendo la sostenibilidad agrícola, y creando políticas sólidas para ayudar a prevenir incendios forestales y combatir la crisis climática. Defiendo los derechos reproductivos y la igualdad de las mujeres. Trabajo para asegurar nuestra frontera y, como nieto de inmigrantes, busco vías para la legalización. Entrego fondos federales a las fuerzas de seguridad locales para combatir el crimen.

Defiendo los valores democráticos garantizando nuestro derecho a votar y apoyando a los socios internacionales que luchan por la paz. Seguiré luchando por la gente del Distrito 19° del Congreso de California con trabajo duro, nuevas ideas, y la voluntad de trabajar juntos para lograr resultados. Me sentiría honrado de contar con su voto. Para obtener más información, visite www.jimmypanetta.com

STATEMENT OF CANDIDATE FOR STATE SENATE, 17TH DISTRICT

JOHN LAIRD

Occupation: California State Senator, District 17

Education and Qualifications: It has been an honor to represent San Luis Obispo County. Over the past four years, I have visited every city hall, as well as parks, schools and special districts, and met with residents throughout the county. When atmospheric rivers slammed the Central Coast, I worked to get support to affected communities. When Cal Poly's Swanton Campus was decimated by fire, I worked to get the rebuilding fully funded. When Atascadero could not recover loans made for redevelopment, I worked to resolve the issue. I finished the bi-partisan effort to name a stretch of Highway 101 for Katcho Achadjian.

When the Governor wanted to extend the life of Diablo Canyon Power Plant, I worked to make sure local workers and businesses did not have to pay back their transition funds. I also ensured lands surrounding the plant are preserved, and that the Coastal Trail is extended into new areas of San Luis Obispo County. As Senator, I have authored 46 bills signed into law – including strengthening climate goals; improving fire prevention efforts; increasing sea level rise planning; requiring more efficient state buildings; and ensuring children of local fallen officers get the same survivor benefits as others. As Education Budget Subcommittee Chair, a substantial increase in public education funding was approved. I achieved restoration of UC's Cooperative Agriculture Extension – supporting local 4-H clubs and helping small farmers with needed technical help. There is much more to do. I'm energized and ready to continue contributing my experience, drive and commitment to serve San Luis Obispo County. I respectfully ask for your vote. www.LairdforCASenate.com

DECLARACIÓN DE CANDIDATURA PARA SENADOR DEL ESTADO, DISTRITO 17º

Occupación: Senador del Estado de California, Distrito 17

Educación y Cualificaciones: Ha sido un honor representar al Condado de San Luis Obispo. Durante los últimos cuatro años, he visitado todos los ayuntamientos, así como parques, escuelas y distritos especiales, y me he reunido con residentes de todo el condado. Cuando los ríos atmosféricos azotaron la Costa Central, trabajé para conseguir apoyo para las comunidades afectadas. Cuando el Campus Swanton de Cal Poly fue diezmado por un incendio, trabajé para conseguir la financiación completa para la reconstrucción. Cuando Atascadero no pudo recuperar los préstamos otorgados para la reurbanización, trabajé para resolver el problema. Terminé el esfuerzo bipartidista para nombrar un tramo de la Autopista 101 en honor a Katcho Achadjian.

Cuando el Gobernador quiso extender la vida útil de la Planta de Energía Diablo Canyon, trabajé para asegurarme de que los trabajadores y las empresas locales no tuvieran que devolver sus fondos de transición. También me aseguré de que las tierras que rodean la planta se preserven, y de que el Sendero Costero se extienda a nuevas áreas del Condado de San Luis Obispo. Como Senador, he sido autor de 46 proyectos de ley que se convirtieron en ley – incluidos el fortalecimiento de los objetivos climáticos; la mejora de los esfuerzos de prevención contra incendios; el aumento de la planificación del aumento del nivel del mar; la exigencia de edificios estatales más eficientes; y la garantía de que los hijos de los oficiales locales caídos obtengan los mismos beneficios para sobrevivientes que los demás. Como Presidente del Subcomité de Presupuesto de Educación, se aprobó un aumento sustancial en la financiación de la educación pública. Logré la restauración de la Extensión Agrícola Cooperativa de la UC – que brinda apoyo a los clubes 4-H locales y ayuda a los pequeños agricultores con la asistencia técnica necesaria. Hay mucho más por hacer. Me siento lleno de energía y listo para seguir aportando mi experiencia, dirección y compromiso para servir al Condado de San Luis Obispo. Con todo respeto le pido su voto. www.LairdforCASenate.com

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30TH DISTRICT**

DAWN ADDIS

Age: 52

Occupation: State Assemblymember/Teacher

Education and Qualifications: Dear Neighbor,

It has been my honor to represent the Central Coast in the State Assembly since 2022. In this role, I've listened to local residents and worked hard to advance meaningful legislation and deliver our region's fair share of state funding. As your Assemblymember, I'm working to improve public schools, reduce homelessness, combat the climate crisis, and help Central Coast residents navigate the high costs of gas, groceries, insurance, and housing. I'm also working with legislators from both parties to address the fentanyl epidemic and ensure safe communities.

I serve as the State Assembly appointee to the California Ocean Protection Council. I have authored important legislation to expand paid parental leave, improve housing opportunities for community college students, and help victims of childhood sexual abuse.

Prior to my election to the legislature, I worked as a classroom teacher and educational program developer. I also served on a local City Council and helped co-found a 10,000-person women's march. My husband, Marcus, and I are the proud parents of two children. My campaign has been endorsed by groups who represent Central Coast firefighters, paramedics, nurses, law enforcement personnel, teachers, and grocery store workers.

I would be honored to earn your vote for State Assembly. If you have questions or thoughts about my campaign, please do not hesitate to call me at (805) 749-3751 or email me at Dawn@DawnAddis.org. www.DawnAddis.org

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30TH DISTRICT**

DALILA EPPERSON

Age: 58

Occupation: Retired Nurse

Education and Qualifications: I am running for the California State Assembly to champion much needed educational reform for our children, support law enforcement and local business owners, and to advance personal liberties.

My goal is to create an environment where every family can thrive, a position I hold dear as a devoted mother, grandmother, wife, and as an entrepreneur.

I love our precious Central Coast and the families who call it home as I do. That's why I have long been a committed community member. This includes actively participating in school board meetings and standing strong as a voice for parents. I also supported the reopening of businesses that the government cruelly shut down by attending multiple Board of Supervisor and City Council meetings. I walk the walk!

Understanding the challenges of local business owners which is based on my experience owning two small businesses, my entrepreneurial spirit drives me to support local businesses and advocate for policies that foster a thriving economy, e.g., less regulations!

My firefighter husband, a Navy veteran, embodies bravery and dedication that inspires my journey in public service. I believe we can unite by pursuing liberty, prosperity and safety.

Vote for strength and common sense; Someone who will always stand strong and represent us all: vote for me, Dalila Epperson for State Assembly.

Templeton Unified School District**

MATT ALLISON

Occupation: Parent/Director of Facilities for Lindamood-Bell Learning Processes

Education and Qualifications: My name is Matt Allison and I am an 18 year resident of Templeton. I am the parent of 3 children in Templeton schools and I strive to be a committed community member. I have served the Templeton community through coaching youth sports for nearly 12 years, serving on the TUSD H-12 School Improvement Oversight Committee, as Treasurer for the Templeton Youth Baseball League, and as a member of the Templeton Youth Soccer Board. I am a proud graduate of Cal Poly, alumni of Leadership SLO, and a Marine Corps veteran.

Student success should be at the forefront of all board decisions and I will use this philosophy to make decisions to ensure that all of our students can be career and/or college ready, our schools provide a safe and healthy learning environment, we attract and retain excellent teachers and staff, and to maintain strong fiscal responsibility and transparency.

I will make student centered decisions that support success for all students, TUSD goals, and community values. I seek your support in this journey. Together, we can tackle the challenges facing our schools and we can work towards a future where every student thrives.

**DECLARACIÓN DE CANDIDATURA PARA
MIEMBRO DE LA JUNTA GOBERNANTE
Distrito Escolar Unificado de Templeton**

MATT ALLISON

Ocupación: Padre/Director de Instalaciones en Procesos de Aprendizaje de Lindamood-Bell

Educación y Cualificaciones: Mi nombre es Matt Allison y soy residente de Templeton desde hace 18 años. Soy padre de tres niños que asisten a las escuelas de Templeton y me esfuerzo por ser un miembro comprometido de la comunidad. He servido a la comunidad de Templeton entrenando deportes juveniles durante casi 12 años, sirviendo en el Comité de Supervisión de Mejoras Escolares de TUSD H-12, como Tesorero de la Liga de Béisbol Juvenil de Templeton, y como miembro de la Junta de Fútbol Juvenil de Templeton. Soy un orgulloso graduado de Cal Poly, exalumno del programa Leadership SLO, y veterano del Cuerpo de Marineros.

El éxito de los estudiantes debe estar al frente de todas las decisiones de la junta y utilizaré esta filosofía para tomar decisiones que aseguren que todos nuestros estudiantes puedan estar preparados para la carrera o la universidad, que nuestras escuelas brinden un ambiente de aprendizaje seguro y saludable, que atraeremos y retenemos excelentes maestros y personal, y que mantengamos una fuerte responsabilidad fiscal y transparencia.

Tomaré decisiones centradas en los estudiantes con el objetivo de apoyar el éxito de todos los estudiantes, los objetivos de TUSD, y los valores de la comunidad. Busco su apoyo en este viaje. Juntos, podemos abordar los desafíos que enfrentan nuestras escuelas y podemos trabajar hacia un futuro en el que cada estudiante prospere.

TED DUBOST

Occupation: Incumbent

Education and Qualifications: It has been my honor to serve on the Templeton USD Governing Board for the last 8 years. As the current Board President, we have seen budget cuts, the hiring of a new superintendent, approval to seek a bond measure, and the implementation of new curriculum. We are a generational family in the area, own several businesses, and have 2 children currently attending the district. I wish to continue to help Templeton thrive and return to an academic focus after the distractions of recent years. My primary goal is a return to the academic excellence for which we have come to be known.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER
Templeton Unified School District**

CHERYL PARKS

Occupation: Appointed Incumbent

Education and Qualifications: As the parent of a THS grad, I have observed and been an active part of the school community from kindergarten through high school. This broad experience helps connect the dots as the students move from one grade or one school to the next. In my role with the district for more than 25 years, I worked closely with the trustees and observed firsthand what it takes to be an excellent trustee. I understand the responsibility that comes with serving on the board, the many challenges trustees are faced with, and the limitations that come with this position.

As a school trustee, I want to keep the focus on the students and the education we are providing them by working together with the other trustees. This means having an understanding that I am one of a team of five and learning to agree to disagree at times. It also means working effectively with the new Superintendent and supporting his administrative team, the certificated staff, and the classified staff.

I believe my unique background, perspective, history, and experience translate well in serving as a trustee and representing the TUSD school community. Thank you for your vote.

**STATEMENT OF CANDIDATE FOR
MAYOR
City of Atascadero**

CHARLES BOURBEAU

Occupation: City Councilmember/Retired Military Officer

Education and Qualifications: Upon graduating from Caly Poly, I began a long career as a fulltime officer in the California National Guard ultimately serving as a Colonel responsible for all federal funds, property, and equipment. We first moved to Atascadero in 1985 when my wife Melissa began her career teaching in Atascadero Schools.

I have a long record of volunteering including as a police volunteer doing graffiti abatement, CASA mentor for foster youth, non-profit board member, Rotary Club president, planning commissioner, and many others. I continue to volunteer and donate my council stipend to charitable causes in our community.

On the City Council, I focus on fostering sensible economic development and efficient government to enable the best services possible for all our residents. In the last eight years, we have grown our police and fire departments. We have repaired over 30 miles of neighborhood roads. We have improved and added park facilities. We have allowed smaller houses and more apartments to encourage more affordable housing. We are financially stable and our downtown is more vibrant than ever. I want to build on that record of progress as your Mayor.

TORI KEEN

Age: 41

Occupation: Family law paralegal, Planning Commission Chair

Education and Qualifications: Atascadero is wonderful and there are ways we can make it better. Working with our homeless population to find long-term solutions, building more affordable housing, and bringing more head of household jobs to our city so our children can afford to live and work here are my highest priorities.

I'm the married mother of two kids (plus dogs, cats, chickens and goats). I've invested myself in our community for 14+ years. I served six years on the Board of Atascadero youth soccer, organizing parents and coaches to serve our kids. My passion for helping children and families facing hard times led me into earning an Associate's Paralegal degree at Cuesta College and a career in Family Law. I have served on the Atascadero Planning Commission since 2019 and know how to make government work for you.

It's time for next-generation leadership! Atascadero is making big changes, and everyone needs to have a say in them. I'm reaching out to people with different ages, viewpoints and experiences. I'll make sure everyone's voice is heard and that we work together respectfully on challenges and opportunities.

MIEMBRO DEL CONCEJO MUNICIPAL
Ciudad de Atascadero**

TORI KEEN

Edad: 41

Ocupación: Asistente legal de derecho de familia, Presidente de la Comisión de Planificación

Educación y Cualificaciones: Atascadero es maravilloso y hay formas de mejorarlo. Mis principales prioridades son trabajar con la población con falta de vivienda para encontrar soluciones a largo plazo, construir viviendas más asequibles, y traer más puestos de trabajo para jefes de familia a nuestra ciudad con el objetivo de que nuestros hijos puedan vivir y trabajar aquí.

Estoy casada y soy madre de dos hijos (además de perros, gatos, gallinas y cabras). He invertido en nuestra comunidad durante más de 14 años. Serví durante seis años en la Junta de fútbol juvenil de Atascadero, organizando a padres y entrenadores para servir a nuestros niños. Mi pasión por ayudar a los niños y a las familias que enfrentan momentos difíciles me llevó a obtener un diplomado como Asistente Legal en Cuesta College y una carrera en Derecho de Familia. He trabajado en la Comisión de Planificación de Atascadero desde el 2019 y sé cómo hacer que el gobierno trabaje para usted.

¡Es hora de un liderazgo de próxima generación! Atascadero está realizando grandes cambios, y todos deben tener voz y voto en ellos. Me estoy contactando con personas de diferentes edades, puntos de vista y experiencias. Me aseguraré de que se escuche la voz de todos y de que trabajemos juntos de manera respetuosa ante los desafíos y las oportunidades.

I am actively involved in the community, serving on the Atascadero Chamber of Commerce Board of Directors and as a member of the Rotary Club. My dedication to Atascadero is rooted in a deep appreciation for its residents and a desire to preserve its quality of life. I am committed to supporting public safety and economic vitality of our families, individuals and businesses that work to make Atascadero a fantastic place to live and play.

TEMPLETON UNIFIED SCHOOL DISTRICT FULL TEXT OF MEASURE D-24

By approval of this measure by at least fifty-five percent (55%) of the registered voters voting thereon, the Templeton Unified School District shall be authorized to issue and sell bonds of up to \$52.3 million in aggregate principal amount to provide financing for the specific school facilities projects listed below in the Bond Project List, subject to all of the accountability safeguards specified herein.

ACCOUNTABILITY MEASURES

The provisions in this section are included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address specific facilities needs of the District, all in compliance with the requirements of Article XIII A, section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Section 15264 *et seq.* of the California Education Code).

Evaluation of Needs. The Board has evaluated the facilities needs of the District and has identified projects to finance from a local bond measure at this time. The Board hereby certifies that it has evaluated safety, class size and information technology needs in developing the Bond Project List.

Independent Citizens' Oversight Committee. The Board shall establish or empower an existing independent Citizens' Oversight Committee in accordance with Education Code sections 15278-15282 and applicable Board policy, to ensure bond proceeds are expended only for the school facilities projects listed in the Bond Project List. An existing Citizens' Oversight Committee may be empowered by the Board to oversee the expenditure of bond proceeds from this measure. The committee shall be so empowered, or a new committee established, within sixty (60) days of the date when the Board enters the results of the election in its official minutes.

Annual Performance Audit. The Board shall conduct or cause to be conducted an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects described in the Bond Project List.

Annual Financial Audit. The Board shall conduct or cause to be conducted an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects described in the Bond Project List.

Annual Report to Board. Upon approval of this measure and the sale of any bonds approved, the Board shall take actions necessary to establish an account in which proceeds of the sale of bonds will be deposited. As long as any proceeds of the bonds remain unexpended, the Superintendent shall cause a report to be filed with the Board no later than January 1 of each year, commencing on the first January 1 after bonds have been issued and proceeds spent, stating (1) the amount of bond proceeds received and expended in the past fiscal year, and (2) the status of any project funded or to be funded from bond proceeds. The report may be incorporated into the annual budget, annual financial report, or other appropriate routine report to the Board.

BOND PROJECT LIST

This Bond Project List, which is an integral part of this measure, describes the specific projects the District proposes to finance with proceeds of the bonds. All information contained within this "Bond Project List" comprises the Bond Project List and description of permissible projects and expenses that may be paid from bond proceeds.

In order to meet all identified facility needs, the District intends to complete projects using a combination of funding sources, including joint-use funds or contributions, development impact fees, and state funding (if available). The District will pursue state matching funds if and when they become available and, if received, they will be used for projects on the Bond Project List or

other high-priority capital outlay expenditures as permitted by law. Approval of this measure does not guarantee that all projects on this Bond Project List at all listed sites will be funded beyond the local revenues generated by this measure. The District's proposal for the projects assumes the receipt of some state matching funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure. Bond funds may be used to meet any matching share contribution requirements.

Proceeds from the sale of bonds authorized by this measure shall be used only for the construction, reconstruction, rehabilitation, replacement, furnishing and equipping of school facilities, and the acquisition or lease of real property for school facilities, all as listed on the Bond Project List. All projects to be financed with bonds authorized by this measure listed on the Bond Project List have been determined by the District to be "school facilities" as that term is used in the California Constitution. "School facilities" include projects at school sites as well as administrative and teacher/staff support facilities which are necessary for, and related to, the delivery of high-quality education services. Projects listed below may be completed at any and all properties, school sites and facilities where such project is determined necessary, and projects are authorized to be performed at each and all of the District's schools, sites and facilities, including administrative and ancillary support facilities, whether owned, leased or yet to be acquired.

Examples included in this list are not intended to limit the broader types of projects described and authorized by this measure. The types of projects authorized are the following:

- Expand, renovate and revitalize existing or construct new classrooms, science labs and school facilities for Science, Technology, Engineering, Arts, and Math ("STEAM") instruction
- Expand, renovate and revitalize existing or construct new classrooms and school facilities for vocational, technical education and career training programs
- Replace, repair and modernize deteriorating roofs, leaking pipes, outdated plumbing, sewer and gas lines, waterlines, storm drains and valves, heating, cooling, ventilation systems and electrical systems
- Make health and safety improvements, such as installing necessary seismic reinforcements, repairing termite damage and repairing and/or replacing aging building materials including removal of hazardous materials identified either prior to or during construction
- Improve student access to updated and modern technology, including acquiring and installing all necessary network infrastructure, computer labs, wiring, hardware, software, computers, devices, classroom technology tools, data backup systems, remote learning software, internet, wi-fi, and other equipment conducive to a modern learning environment
- Repair and modernize outdated portable classrooms or replace with permanent modern facilities
- Modernize, upgrade, expand and construct classrooms for Art, Music and Ceramics programs
- Renovate and repair restrooms
- Renovate and modernize classrooms and school facilities including flooring, windows, window coverings, doors, lighting, interior and exterior finishes, and paint
- Construct and equip new transitional kindergarten and pre-kindergarten classrooms, learning spaces, and play areas
- Provide adequate furniture and equipment for all classrooms

- Renovate, repair, replace, construct and/or install playfields, playgrounds, play surfaces, all-weather track, turf on outdoor athletic fields, lighting for tennis courts, gyms, courts, other indoor and outdoor physical education and athletic facilities, locker rooms and all related improvements and equipment
- Acquire, install and/or upgrade campus safety and security systems, including intercom and emergency communications systems, video surveillance systems, lighting systems, bell systems, fire and life safety systems, installing additional fencing and gates, pedestrian access, walkways, reconfiguring entrances and drop-off/pickup locations, point of entry access and upgrading door locks
- Develop, construct, install and improve outdoor areas including playgrounds, outdoor learning and meeting areas, hardscaping, landscaping, irrigation improvements, and building/installing shade structures and seating
- Repair, repave or replace deteriorating asphalt, concrete, sidewalks, parking lots, driveways and walkways
- Modernize, upgrade, renovate existing classrooms and construct new classrooms
- Federal and State mandated Americans with Disabilities Act (ADA) accessibility upgrades district-wide including site access, walkways, parking, staff and student restrooms, relocation of some existing electrical devices, drinking fountains, playground equipment and classrooms

Listed projects, repairs, improvements, rehabilitation projects and upgrades will be completed only as needed, and the listing of projects does not imply a particular prioritization among such improvements. Projects may be done in phases, based on Board of Education priorities and available funding. Listed projects may be completed at any and all District schools, sites, properties (owned, leased or yet to be acquired) and education buildings where such project is determined necessary. Bond projects are anticipated to provide benefit to all users of school facilities, sites and buildings, including charter schools that occupy school campuses, community members and other organizations.

Decisions regarding the scope, function, timing, location, prioritization or other facets of project implementation for school facility projects listed on the Bond Project List will be made solely by the Board of Education by subsequent action, including the interpretation, meaning and intent of each listed project. Where terms such as “renovate,” “upgrade,” “replace,” “improve” and “repair” are used in the Bond Project List, the Board of Education has the discretion to determine the best method for accomplishing the project’s objective, including the use of new construction. For any listed project involving renovation or modernization of a building or the major portion of a building, the District may proceed with new replacement construction instead (including any necessary demolition), if the District determines that replacement and new construction is more practical than renovation, considering the building’s age, condition, expected remaining life, comparative cost and other relevant factors. In addition, this measure authorizes the acquisition of real property, including necessary rights of ways or other real property interests, required to expand District facilities, to provide access to school or other District facilities, or to provide additional school or related facilities. Where feasible, projects may be completed in partnership with other public or private agencies on a joint use basis using bond proceeds, subject to federal tax rules and regulations.

Each project is assumed to include its share of costs of bond issuance, architectural, engineering, legal, accounting and similar planning costs and professional services; litigation costs; construction management; bond project consultants; staff development and training expenses associated with learning construction techniques and approaches and new bond-funded equipment and systems; the furnishing and equipping of all projects, including equipment to maintain facilities in a safe and clean condition; and a customary contingency for unforeseen design and construction costs. Payment of the costs of preparation of facilities planning and

project implementation studies, feasibility and assessment reviews, master planning, environmental studies, permit and inspection fees, Division of State Architect (DSA) - related requirements, studies and assessments, including ADA and seismic, and temporary housing, storage and relocation costs for dislocated programs or activities caused or necessitated by projects on the Bond Project List are permissible bond expenditures. Land may be acquired for any project, and all projects may be furnished and equipped using bond proceeds to ensure the functionality and usability of facilities and sites constructed or reconstructed with bond proceeds. Bond proceeds may be used to retire any interim funding incurred to advance fund projects described on the Bond Project List. The upgrading of technology infrastructure listed above includes, but is not limited to, computers, projectors, portable interface devices, servers, switches, routers, modules, sound projection systems, printers, digital white boards, document projectors, telephone system, call manager and network security/firewall, wireless technology systems and other miscellaneous equipment and software.

The final cost of each project will be determined as plans are finalized and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Necessary site preparation, grading or restoration may occur in connection with acquisition of property, new construction, modernization, renovation or remodeling, or installation or removal of modular classrooms, including ingress and egress, removing, replacing or installing irrigation, utility lines, trees and landscaping, relocating fire access roads and acquiring any necessary easements, leases, licenses or rights of way to the property.

The Board of Education hereby declares, and the voters by approving this Bond Measure concur, that every section and part of this bond proposition has independent value, and the Board of Education and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this measure by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law, and to this end the provisions of this bond measure are severable.

IMPARTIAL ANALYSIS OF MEASURE D-24

Bonds are financial instruments used to borrow money. Under the California Constitution, school districts may issue bonds if approved by at least 55 percent of voters within the boundaries of the district who are voting on a measure to authorize the issuance of bonds. Voter-approved bond financing is a common financing method in California for funding new school construction and other improvements to school facilities. Bonds are sold to the public and constitute a debt of the district. The principal and interest on the bonds are repaid by an annual property tax levy on all taxable real property within the jurisdiction of the school district, calculated on the current assessed value of each property (an “*ad valorem*” tax).

The Board of Trustees of the Templeton Unified School District (“the District”) has placed Measure D-24 on the ballot, proposing the sale of bonds in an amount not to exceed \$52.3 million at interest rates not to exceed legal limits. The District’s Tax Rate Statement, included in the voter information guide, which was mailed to voters of the District, reflects an estimate of the maximum property tax levies required to service the bonds.

Proceeds from the sale of the bonds (i.e., funds generated by the bonds) may only be used for the construction, reconstruction, rehabilitation, replacement, furnishing and equipping of school facilities or the acquisition or lease of real property for school facilities. (The specific types of improvement projects are more fully described in the full text of the measure.) The law prohibits the use of bond proceeds to pay for teacher and administrator salaries or other operational expenses.

Approval of the measure does not guarantee that all proposed projects to be improved with bond proceeds will be funded beyond the local revenues generated by the measure. The District’s proposal for the projects assumes the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

As required by law, the District must follow certain accountability provisions to oversee the funds collected and expended, including the establishment of an independent citizens’ oversight committee, the annual completion of performance and financial audits, and issuance of an annual report detailing the proceeds received by the sale of the bonds and the expenditures made. All of these requirements are reflected in the full text of measure.

The District’s Tax Rate Statement provides the District’s best estimate of the highest tax rate to be levied is \$60 per \$100,000 of assessed valuation while the bonds are outstanding. The final fiscal year in which the tax is anticipated to be collected is 2053-54.

A “yes” vote on this measure is a vote in favor of the issuance of \$52.3 million in general obligation bonds to be used for the purposes set forth in Measure D-24.

A “no” vote on this measure is a vote against the issuance of \$52.3 million in general obligation bonds for the purposes set forth in Measure D-24.

County Counsel

TAX RATE STATEMENT FOR MEASURE D-24

An election will be held in the Templeton Unified School District (the "District") on November 5, 2024, to authorize the sale of up to \$52.3 million in bonds of the District to finance school facilities as described in the measure. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of ad valorem tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is \$59.06 per \$100,000 of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is 2053-54.
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is \$60.00 per \$100,000 of assessed valuation. It is estimated that such rate would be levied in fiscal year 2025-26 through 2049-50.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately \$90.3 million.

Voters should note the estimated tax rate is based on the assessed value (not market value) of taxable property on the County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary from those used to provide the estimates set forth above, due to factors such as variations in the timing of bond sales, the par amount of bonds sold and market interest rates available at the time of each sale, actual assessed valuations over the term of the bonds, and other factors. The date and amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. The actual interest rates at which the bonds will be sold will depend on conditions in the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

s/ Aaron Asplund, Superintendent
Templeton Unified School District

ARGUMENT IN FAVOR OF MEASURE D-24

Templeton's public schools are vital to our community's success. They enhance the value of our homes and businesses and teach our children critical skills. Investing in our schools represents an investment in preparing Templeton's future generations for success.

Vote YES on Measure D to improve Templeton's classrooms and schools, including science, engineering and vocational training facilities. By doing this, we will provide our children with a strong educational foundation.

Measure D offers critical protections and benefits for our community:

- **Guaranteed Local Investment:** By law, Measure D funds cannot be taken by the state and must be spent on our local schools
- **Transparency and Accountability:** Independent citizen oversight, full public disclosure of all spending and annual audits ensure the responsible use of funds
- **State Matching Funds:** Measure D qualifies Templeton USD for additional state matching funds, maximizing your investment

Measure D will provide essential updates, including:

- **Updating STEAM Classrooms:** Enhancing Science, Technology, Engineering, Arts and Mathematics facilities for a comprehensive and advanced education
- **Modernizing Vocational Education:** Updating classrooms to offer state-of-the-art vocational training
- **Critical Infrastructure Repairs:** Replacing leaky roofs and aging plumbing systems
- **Technology Upgrades:** Updating and upgrading technology infrastructure
- **Energy Efficiency Improvements:** Repairing and replacing deteriorating and aging heating, ventilation and air-conditioning systems
- **Enhanced Security Measures:** Installing security systems, cameras and lighting

CITY OF ATASCADERO
IMPARTIAL ANALYSIS OF MEASURE L-24

The City Council of the City of Atascadero has determined to place a ballot measure on the November 5, 2024 general election ballot. If approved by the voters, Measure L-24, entitled “**Atascadero Local Roads and Vital Services Funding Extension Measure**”, would amend the Atascadero Municipal Code to extend the City’s existing Measure F-14 retail transactions and use tax, sometimes commonly referred to as a sales tax, as authorized by the State Legislature under Revenue and Taxation Code Section 7285.9.

This measure would continue the tax rate at one-half percent (.50%). At this rate, for example, a retail transaction \$100 in value would generate a tax of fifty cents. The current sales tax within the City, including other state and local sales taxes, is eight and three-quarters percent (8.75%), which would remain the same if voters approve Measure L-24. The proposed tax would be imposed upon the sale of all tangible personal property sold at retail within the City. This measure would authorize the City to contract with the State Department of Tax and Fee Administration to administer and collect the tax.

This measure requires all tax proceeds to be deposited into the City’s General Fund to be used for such general municipal governmental purposes as the City Council shall direct. Among such purposes are repair of neighborhood roads, aging infrastructure, along with other vital City needs. The City would not be required to use the revenues raised by the measure for any special purpose or for any particular program or service. The City estimates that the annual revenue to the City generated by this measure would be approximately three million dollars.

Measure L-24 would continue the existing fiscal accountability provisions from Measure F-14 to assist citizens in assessing if the tax revenues have been used in meeting community priorities. These provisions include: 1) a permanent "Citizens' Oversight Committee" to annually review revenues and expenditures from the collection of the tax; 2) an Annual Road Report prepared by the City and submitted to the Oversight Committee for review; 3) Oversight Committee findings and conclusions submitted to the City Council; and 4) an annual audit of the City's finances by an independent certified public accountant that includes the amount generated by the measure and how it was used.

This measure would provide several exemptions and exclusions from the tax. It would prohibit the issuance of any injunction to prohibit the collection of the tax. This measure will only become effective if approved by a majority of those electors voting on the measure. The measure provides that the proposed tax would remain in effect until repealed by the voters.

A **YES** vote approves the measure.

A **NO** vote rejects the measure.

ARGUMENT IN FAVOR OF MEASURE L-24

Measure L-24 is the new F-14.

Voters approved Measure F-14 ten years ago to fund vital investments in our community, focusing especially on neighborhood roads. Since then, the City has kept its promise by making major road repairs year after year, improving the overall condition of roads in the City - and a citizen oversight committee can affirm the promise has been kept.

Your YES vote on Measure L-24 will simply extend the existing sales tax measure when it expires so the City can continue making investments in our community, including vital services and streets. This is not a tax increase.

One key benefit of these street improvements is improving neighborhood emergency evacuation routes, as wildfire risks increase. Additionally, street repairs may replace aging culverts to handle storm drainage. These investments make our neighborhoods safer and more resilient.

These funds will stay local in Atascadero for investing in our city-owned streets. The County and Sacramento politicians can't yank these funds away from us. Measure L-24 also continues our longstanding citizen oversight committee that ensures the City is responsible for utilizing these taxpayer funds properly, in alignment with the priorities expressed by voters.

Thanks to funding started with Measure F-14, Atascadero's infrastructure has improved significantly, all while the City has sustained other vital services like police, fire, parks programming and more. Quality infrastructure can save residents money and makes our lives better. Our community is worthy of this investment. Without Measure L-24, the City can't afford to sustain these improvements and roads will quickly begin deteriorating again.

Small businesses, good government advocates, elected leaders and neighbors agree that Measure L-24 is a critical extension of F-14 that funds vital needs.

**CITY OF ATASCADERO
IMPARTIAL ANALYSIS OF MEASURE M-24**

The City Council of the City of Atascadero has determined to place a ballot measure on the November 5, 2024 general election ballot to place before the voters the question of whether the City Treasurer should be an appointed rather than an elected position.

State law requires each California city to have a City Treasurer. City Treasurers may be either elected or appointed. In Atascadero, the City Treasurer is currently elected and serves a four-year term. State law also establishes the qualifications for a City Treasurer, requiring that the person elected to this position must be a registered voter and resident of the City. There are no requirements that candidates for this office have any specific education, certification, or experience.

State law provides that City Treasurers are responsible for overseeing municipal finances. They must comply with state laws governing the deposit and handling of public funds and provide written accountings of all municipal funds. The day-to-day duties associated with the office of City Treasurer for the City of Atascadero, however, are currently handled by the Director of Administrative Services.

State law authorizes the City Council to place on the ballot the question whether the position of City Treasurer should be made appointive. If a majority of the voters approve making the position appointive, the City Manager will have the authority to appoint a person to this position upon the expiration of the current term of office, or earlier if there is a vacancy, and could appoint the person determined to be best qualified, regardless of that person's place of voter registration or residence. This measure would not change the duties of the City Treasurer as established pursuant to state law.

A **YES** vote approves the measure.

A **NO** vote rejects the measure.

ARGUMENT IN FAVOR OF MEASURE M-24

MAKING THE CITY TREASURER OF ATASCADERO AN APPOINTIVE POSITION

Atascadero is one of only two cities in SLO County that still elects its City Treasurer. In the five other cities, the City Treasurer is the full-time finance director already employed by the city, and is always an experienced and well-qualified individual. Our County's Grand Jury has recommended that all cities have appointed City Treasurers. We are out of sync with good government best practices by continuing to elect our City Treasurer.

While our current elected City Treasurer is highly experienced, having been the County Auditor Controller for many years before retiring and being elected City Treasurer, there is no guarantee of this level of qualification in the future.

State law allows no requirements for elected City Treasurers beyond being 18, a resident, and a registered voter in the City.

The City Treasurer receives \$400 a month and is eligible for health benefits. A person could run for City Treasurer just to receive benefits.

In 1994 a well-meaning but inexperienced Atascadero City Treasurer invested almost all City funds in the Orange County investment pool. The pool put money into very risky financial investments and lost over \$1 billion. This led to bankruptcy for Orange County and almost led to bankruptcy for the City of Atascadero.

Making the City Treasurer an appointed position would save City taxpayers approximately \$17,000 annually and would ensure that the City Treasurer is always well qualified and experienced in financial matters.

Protect our City's financial future.

Please vote yes on Measure M-24.

DID YOU KNOW?

...that all dogs in the County of SLO over the age of 4 months are required to be licensed?

If you haven't done so already, licensing your dog is easy!

You can license your dog online at www.sloanimalservices.com or come into the Animal Services office at
865 Oklahoma Ave in San Luis Obispo

Avoid possible citations and fines by licensing your dog today!

WHY LICENSE YOUR DOG?

805-781-4400

- 🐾 Your dog's license is his ticket home if he is ever picked up running at large. Animal Control Officers would rather reunite you with your pet than impound him. If he's wearing a current license, they'll bring him home instead of to the shelter.
- 🐾 License revenues help support Animal Services efforts to address the needs of homeless and neglected pets and to resolve our community's animal-related problems.
- 🐾 It's the law.

HELPFUL INFO

- 🐾 The metal tag your vet gives you when your pet is vaccinated is not a license tag.
- 🐾 State law requires all dogs to have a current rabies vaccination before they can be licensed. If your dog doesn't have vaccination information on file with Animal Services, you will need to submit it with your application.
- 🐾 License fees are significantly discounted if your dog has been spayed or neutered.
- 🐾 By law, the duration of your dog's license validity cannot exceed the expiration date of his current rabies vaccine.
