IMPORTANT TO KNOW BEFORE YOU VOTE

TOP TWO CANDIDATES

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Voter-nominated offices include governor, state legislative offices, U.S. congressional offices, and state constitutional offices, among others.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. In the primary election, the two candidates receiving the most votes—regardless of party preference—move on to the general election. If a candidate receives a majority of the vote (at least 50 percent + 1), a general election still must be held. California's open primary system does **not** apply to candidates running for local non-partisan offices.

In a direct primary, voters directly select their preferred candidate for a particular political party to run in the general election. This means

that each voter can vote for their chosen candidate, and the one with the most votes becomes the party's nominee.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election.

Your assigned polling location for this election may be different from what you were assigned in the past. Your current polling location is printed at the top of your Vote-by-Mail ballot.

Please visit www.SloVote.gov/June2026 for additional information about polling places for this election.

SLO County polling locations will introduce **ePollbooks** in this primary election. The ePollbooks will replace the paper rosters and more info can be found at www.SloVote.gov/June2026.

ELECTIONS IN CALIFORNIA

VOTER-NOMINATED OFFICES

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election.

A candidate for nomination to a voter-nominated office shall have their qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party.

The parties may submit a list of the candidates for voter-nominated offices who have received the party's official endorsement (see the Political Party Endorsements page).

NON-PARTISAN OFFICES

Political parties are not entitled to nominate candidates for non-partisan offices at the primary election, and a candidate at the primary election is not the official nominee of any party for the specific office at the general election.

A candidate for nomination to a non-partisan office may not designate their party preference, or lack of party preference, on the ballot. The top two vote-getters at the primary election move on to the general election for the non-partisan office.

Any candidate for a non-partisan office who receives a majority of the vote (at least 50 percent + 1) in the primary election will be elected to that office and the contest will not appear on the ballot for the general election.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office, even if both candidates have specified the same party preference designation.

No party is entitled to have a candidate with its party preference designation move on to the general election unless the candidate is one of the two highest voter-getters at the primary election.

ELECTIONS IN CALIFORNIA

REQUIREMENTS FOR FIRST-TIME VOTERS

The Help America Vote Act (HAVA) requires first time federal voters to show identification when voting.

You will be required to show your current valid photo I.D. and/or a copy of one of the following that shows your name and address when you go to the polls on Election Day: current utility bill, bank statement, government check, government paycheck, or a government document.

You will be required to send a copy of one of the above documents with your voted Vote-by-Mail ballot. If you have questions about your status as a First Time Voter, please contact the Elections Office.

WHY YOUR BALLOT WOULD NOT BE COUNTED

Your voice is important. The Elections Office makes every effort to ensure that each vote cast is counted. That said, the following are reasons that a ballot would NOT be counted:

1. The ballot is not postmarked by June 2 and/or does not arrive within 7 days after Election Day.

2. The VBM return envelope is not signed.

3. The signature on the VBM return envelope does not match any signature in the voter's record.

4. The ballot is returned without the VBM return envelope.

5. There are multiple ballots in one VBM return envelope.

VBM CURE PROCESS

The law requires the Elections Office to send a letter and verification form to voters who forgot to sign their return envelope or whose signature did not match their signatures on file.

In order for these ballots to be counted, voters must sign and return their form prior to the deadline, which is two days before the election is certified.

WHY VOTE NOW?

Because VBM ballots received *before* Election Day are counted and included in the Election Night results

But don't worry: Every VBM ballot postmarked correctly and received within 7 days of the election will be counted

I was mailed a VBM ballot for a person who does not live at my address or is deceased. What's going on?

It likely means that voter registration records haven't yet been updated for that person. Ballots are mailed based on the most recent registration info on file, and the elections office relies on notifications from government agencies and voters themselves to keep voter rolls current. If the person does not live at your address or is deceased, you can mark the outside "Return to Sender – Not at this Address" to help with the update.

ELECTION SAFETY AND SECURITY

California's election systems are extremely safe and secure, and all 58 counties have a proven track record of conducting accessible and accurate elections. The California Secretary of State's Office makes this possible by overseeing one of the most extensive voting system testing and certification programs in the nation.

Unfortunately, misinformation about elections is widespread, and it continues to confuse voters and lead to distrust in the process.

The fact remains that the Elections Office in San Luis Obispo County carefully follows statewide elections code and takes many steps to ensure election security locally, including making the processing and counting of ballots publicly observable.

Remember that your Elections Office is your best source for timely, accurate, and trustworthy election information. You can find us anytime at SloVote.gov, or feel free to reach out to us at (805) 781-5228 or elections@co.slo.ca.us.

Have misinformation to report? Contact the Secretary of State at votasure@sos.ca.gov.

CALIFORNIA ELECTION SECURITY SAFEGUARDS

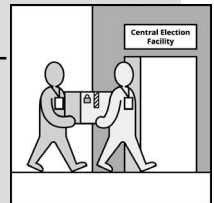

There are a number of steps that we take to ensure your vote is safe and secure throughout the election. Here are a few examples:

- County voting systems are not connected to the Internet, and all ballots are paper.
- Only authorized staff have access to systems relevant to their role.
- We conduct routine threat monitoring, vulnerability scanning, and security assessments in collaboration with our state and federal partners.

CHECK YOUR VOTER STATUS ONLINE

VoterStatus.sos.ca.gov

- VoteCal is a centralized statewide voter registration database. VoteCal checks against official records and is regularly updated.
- Ballot drop boxes are secured and monitored.
- Signatures are verified on all Vote-by-Mail envelopes.
- Ballots remain in dual (two-person) custody at all times.

HOW YOUR VOTE IS COUNTED

Polling places close at 8:00 pm on Election Night, but it can take a few hours for all locations to report results, and weeks before the final totals are known. Ever wondered why? Here's a quick look at what happens to your ballot after you cast it.

ELECTION NIGHT

The first results are posted shortly after 8:00 pm—these are the Vote-by-Mail ballots that were returned and processed early, prior to Election Day.

After that, we must wait for the first of the polling places across the county to complete their paperwork, pack up their supplies, and return the ballots; this can take more than an hour.

As polling places report in, their results are tabulated and compiled into countywide results. The posted results are updated periodically throughout the night at www.SloVote.gov.

When all polling places have reported, the Election Night counting is done; however, there are still more ballots to count and a lot more work to do before the results become official (see below).

BALLOTS COUNTED AFTER ELECTION DAY

Vote-by-Mail Ballots Received After the First Weekend in June: Vote-by-Mail ballots that arrive the

day before or on Election Day (either by mail, returned at a polling place, or deposited in an official ballot drop box) are processed and counted in the days after Election Day and therefore are **not** included in the Election Night results posted.

Postmarked Vote-by-Mail Ballots:

Under California law, ballots may be counted even if they arrive after Election Day, as long as they are received by mail no later than 7 days after the election and are postmarked on/before Election Day.

Missing or Mismatched Signature:

A voter's signature on the returned Vote-by-Mail identification envelope **must** compare with the signature(s) in the voter's registration record. If the voter did not sign the ballot envelope, or if the Elections Official has determined that the signature on the envelope does not match with the signature(s) of the voter in the voter's record, the Elections Office will provide the voter with the appropriate form to correct the missing or mismatched signature. This notice must be returned to the Elections Office no later than 2 days prior to the certification of the election.

Provisional

Ballots: These are the last ballots counted because they must be researched and verified. It may take a few weeks, but every valid vote will be counted.

OBSERVING ELECTIONS

The public is invited to participate as a poll watcher or election observer. Both roles provide important insight into the process.

Rules for conduct are outlined in the California Elections Code, and more information can be found online at www.SloVote.gov.

Poll watchers observe operations at polling locations on Election Day, while election observers check in at the County Elections Office and are then able to observe various steps in the ballot processing and tabulation process. In both cases, there may be space limitations that impact how many can participate.

ASSISTANCE FOR VOTERS WITH DISABILITIES

San Luis Obispo County is committed to ensuring every voter can cast their ballot privately and independently. Below is detailed information about assistance offered to voters with disabilities.

Vote-by-Mail: Mark your ballot. Once completed, sign and seal your envelope. If you are unable to sign, make your mark and have a witness sign in the designated spot. Return your ballot by mail, or in person at any drop box, elections office, or polling site in California.

Vote at a Polling Place: On Election Day, you may choose up to two people to help you vote at any polling place or at the County Elections Office. This person cannot be your employer or anyone who works for your employer, your labor union leader, or anyone who works for your labor union.

- Accessible ballot-marking (ICX) machines are available at every polling place on Election Day and at the County Clerk-Recorder's Office beginning 29 days prior to the election. The ICX can mark a ballot in a number of ways and generate a paper ballot for tabulating.

- Curbside Voting: If you arrive at a polling place and cannot get to the voting area, call for assistance: **1-805-781-1888**

- Voter Information Guides are available on the County Clerk-Recorder's website for use with personal accessible navigational tools and screen reader technology.

- Large print format of the County Voter Information Guide and of the state ballot measure is available upon request.

REMOTE ACCESSIBLE VOTE-BY-MAIL (RAVBM)

The Elections Office offers voters the use of a Remote Accessible Vote-by-Mail system that allows a voter to mark their selections on a personal computer, using their own compatible technology or assistive device(s) (screen readers, tactile switches, closed captioning, sip and puff system, etc.) as needed, to vote independently and privately in the comfort of their own home.

Other Assistance for Visually, Hearing, or Speech Impaired:

The Secretary of State's Office has a TDD (Telecommunications Device for the Deaf) to provide elections information: **1-800-TDD-VOTE**

Contact the Elections Office for information at 1-805-781-5228.

I'm working to reduce the cost of living with more affordable housing and accessible healthcare, and rescind tariffs to lower prices. I'm securing federal investment for local infrastructure to boost productivity and prosperity. I'm holding this Administration accountable for its overreaching mass deportation policy that creates chaos in communities, harms American citizens, and hurts our economy. I'm working on immigration reform, including legalization for law-abiding working families, while supporting a secure border.

I'm promoting jobs and small businesses through our diverse economy of technology, hospitality, agriculture, education, and research. I'm defending our environment by protecting our coastline from oil drilling, promoting agricultural sustainability, and creating policies to prevent wildfires and fight climate change. I'm standing up for women's reproductive rights and equality. I'm delivering federal funding for law enforcement to fight crime. Ocupación: Representante de los Estados Unidos

Educación y Cualificaciones: Estoy luchando para dar a la gente oportunidades para una vida mejor. Como su representante en el Congreso de los Estados Unidos, veterano de la guerra de Afganistán, y ex fiscal, he dedicado mi carrera a contribuir a nuestra comunidad y a nuestro país trabajando y luchando por las personas y los valores de nuestro hogar. Trabajo para reducir el costo de vida con viviendas más asequibles y atención médica accesible, y para eliminar los aranceles, y bajar los precios. Estoy logrando inversión federal destinada a la infraestructura local con el fin de impulsar la productividad y la prosperidad. Estoy trabajando en la reforma migratoria que incluya la legalización para familias trabajadoras que cumplen la ley, garantizando a la vez la seguridad en la frontera.

Promuevo el empleo y las pequeñas empresas a través de nuestra economía diversificada que abarca la tecnología, la hostelería, la agricultura, la educación, y la investigación. Defiendo nuestro medio ambiente protegiendo nuestra costa de la perforación petrolífera, promoviendo la sostenibilidad agrícola, y creando políticas para prevenir incendios forestales y combatir el cambio climático. **STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 19th DISTRICT**

SEAN DOUGHERTY

Age: 46

Occupation: Software Engineer

Education and Qualifications: Our government treats the needs of our communities like abstract policy debates rather than lived realities.

As a father raising a toddler in Santa Cruz, I see a system that funds war and abandons the vulnerable. I'm running because I want my child to experience something better.

I grew up in a working class home with a nurse for a mother and a mechanical engineer for a father. Even with two steady jobs, the rising cost of living and a mountain of medical debt hit our family hard. When it was time for me to go to college, the money simply wasn't there.

I eventually built a career in engineering, but I didn't get there because the system worked. I got there because I caught a lucky break with an internship at IBM that turned into a job. Most people don't get lucky.

Our system is failing because it prioritizes billionaires over the dignity of our neighbors and profits over our collective future. I'm running to move power back to the people, establishing healthcare, housing, and education as fundamental rights, not commodities.

We will build a democratic economy by taxing the rich, supporting unions, and moving essential infrastructure like energy into public ownership. We must protect our coast through climate action and replace war profiteering with a foreign policy centered on human rights.

A life with healthcare, housing, nutritious food, and clean air shouldn't be a matter of luck; it must be a guarantee for everyone. Learn more: seanforcongress.org

**DECLARACIÓN DE CANDIDATURA PARA
REPRESENTANTE DE EE. UU., DISTRITO 19^o**

SEAN DOUGHERTY

Edad: 46

Ocupación: Ingeniero en Sistemas

Educación y Cualificaciones: Nuestro gobierno trata las necesidades de nuestras comunidades como debates de política abstracta, en lugar de realidades vividas.

Como padre que cría a un niño pequeño en Santa Cruz, veo un sistema que financia la guerra y abandona a los más vulnerables. Me postulo a las elecciones porque quiero que mi hijo viva algo mejor.

Crecí en un hogar de clase trabajadora con una enfermera como madre y un ingeniero mecánico como padre. Incluso con dos trabajos estables, el creciente costo de vida y una enorme deuda médica afectaron a nuestra familia. Cuando llegó la hora de ir a la universidad, ya no había dinero.

Finalmente, logré construir una carrera en ingeniería, pero no llegué allí porque el sistema funciona. Llegué porque tuve mucha suerte con la pasantía en IBM que luego se convirtieron en un trabajo. La mayoría de las personas no tiene esa suerte.

Nuestro sistema está fallando porque prioriza a los multimillonarios por encima de la dignidad de nuestros vecinos y las ganancias por encima de nuestro futuro colectivo. Me presento como candidato para devolver el poder al pueblo, estableciendo los servicios de salud, la vivienda, y la educación como derechos fundamentales, no como mercancías.

Construiremos una economía democrática mediante impuestos a los ricos, respaldo a los sindicatos y gestión pública de infraestructura esencial, como la energía. Debemos proteger nuestra costa mediante la acción climática y reemplazar el lucro de la guerra por una política exterior centrada en los derechos humanos.

Una vida con atención médica, vivienda, alimentos nutritivos, y aire limpio no debería ser cuestión de suerte; debe ser un derecho garantizado para cada persona. Más información: seanforcongress.org

U.S. REPRESENTATIVE, 19th DISTRICT**

ANA LUZ ACEVEDO-CABRERA

Age: 38

Occupation: College Professor / Nonprofit Board Member

Education and Qualifications: I am a public-school small-town girl from Castroville California with undergraduate and graduate degrees from UC Berkeley. I've been involved in the community since my early teen years when a group of us Castroville Library kids would build computers for the neediest in our community. Today I help my community college students build websites for their small businesses. Always an engineer at heart with a deep commitment to addressing the needs of my community and supporting the next generation of entrepreneurs.

Beyond the classroom, I am a community leader and organizer in Monterey County, experienced in affordable housing, workforce development, disaster relief, infrastructure resilience, healthcare accessibility, and ocean conservation efforts. A large part of this work has been through my involvement with COPA, a nonpartisan coalition of faith-based, labor, and nonprofit organizations active in Santa Cruz and Monterey Counties. As part of that experience, I've testified in front of Assembly Judiciary and Senate Judiciary committees in Sacramento and collaborated with legislators on a housing bill that's now part of California law. Thus, I am familiar with the legislative process and ready to work with House Representatives on both sides of the aisle.

As a congressional candidate I pledge to represent and advocate for my community's needs in Congress and remain actively engaged in the community to understand changing needs as new challenges arrive. I invite you to learn more about me and my platform at <https://sites.google.com/view/analuzforcongress>

REPRESENTANTE DE EE. UU., DISTRITO 19°**

ANA LUZ ACEVEDO-CABRERA

Edad: 38

Ocupación: Profesora universitaria / Miembro de la junta directiva de una organización sin fines de lucro

Educación y Cualificaciones: Soy una chica que asistió a una escuela pública, de un pueblo pequeño de Castroville, California, y tengo títulos de pregrado y posgrado de la Universidad de California en Berkeley. Me involucré en la comunidad desde la adolescencia, cuando un grupo de chicos de la biblioteca de Castroville y yo armábamos computadoras para los más necesitados de nuestra comunidad. Hoy ayudo a mis estudiantes de colegio universitario a crear sitios web para sus pequeñas empresas. Siempre fui una ingeniera de corazón, con un profundo compromiso para atender las necesidades de mi comunidad y apoyar a la próxima generación de emprendedores.

Más allá del aula, soy una líder y organizadora comunitaria en el condado de Monterey, con experiencia en vivienda asequible, desarrollo laboral, ayuda en desastres, resiliencia de infraestructura, acceso a la salud, y esfuerzos de conservación oceánica. Gran parte de este trabajo se desarrolló a través de mi participación en COPA, una coalición no partidista de organizaciones religiosas, laborales, y organizaciones sin fines de lucro activas en los Condados de Santa Cruz y Monterey. Como parte de esa experiencia, testifiqué ante los Comités Judiciales de la Asamblea y del Senado en Sacramento y colaboré con legisladores en un proyecto de ley de vivienda que ahora forma parte de la legislación de California. Por lo tanto, estoy familiarizada con el proceso legislativo y estoy dispuesta a trabajar con los representantes de la Cámara de Representantes de ambos partidos.

Como candidata al Congreso, me comprometo a representar y defender las necesidades de mi comunidad en el Congreso y a mantenerme activamente involucrada en la comunidad para comprender las necesidades cambiantes a medida que surgen nuevos desafíos. Los invito a conocer más sobre mí en mi plataforma en <https://sites.google.com/view/analuzforcongress>

U.S. REPRESENTATIVE, 19th DISTRICT**

TUKA GAFARI

Age: 56

Occupation: Small Businessman

Education and Qualifications: My parents immigrated from Iran. I was born and raised in California. My wife of over 16 years and I have two kids. We coach together kids soccer and I actively play soccer. We are amateur radio operators. I did volunteer for Search and Rescue as a licensed EMT-1A. I work concurrently in technology and real estate. Also worked as a freight locomotive engineer. I want to protect our environment from test projects. Moss Landing battery array already had four explosions contaminating our farmland and our community. Moisture along the coast and Li-Ion batteries don't mix well. Eight explosions just last year along the California coast shows the danger. Other topics are protecting girls sports, helping military veterans, protecting seniors who retire, build more housing without HOA's to increase supply, education to ensure our kids are ready for supporting themselves and improve infrastructure. Businesses flourish and create jobs. Bring back programs for temporary Visa programs as needed in agriculture—legally. Government is not in the business to build, invent or create jobs. I'm boots on the ground to listen and work with the communities for solutions. Government created dependencies as I want to stop and break that habit. Bring ideas and solutions that are sustainable while protecting everyone. Smaller government, less taxes—it's your life, your money, not anyone else.

I humbly ask for your vote to represent We The People together as a community and nation. Today Decides Tomorrow.

Endorsed by Monterey County Republican Assembly, San Luis Obispo County Republicans.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 19th DISTRICT**

PETER COE VERBICA

Occupation: Business Owner

Education and Qualifications: I am a fiscal conservative and pragmatic problem-solver who stands with Prop 13 and is endorsed by the Santa Cruz and Santa Clara County Republican Central Committees. As a financial planning professional with decades of business and financial experience, I bring real-world discipline to public service at a time of rising debt, inflation, and economic uncertainty. During my statewide campaign for the California Board of Equalization, I advanced to the top two and earned more than 925,000 votes, improving Republican performance by double digits. I understand how to compete — and how to govern — in California.

I believe the federal government must focus on its core responsibilities: protecting national security, securing our borders, safeguarding election integrity, and preserving the value of the U.S. dollar. Inflation is a hidden tax on working families, and responsible fiscal policy is essential to restoring stability and opportunity. I believe government must live within its means, just like the families who fund it. I support energy reliability, expanded water infrastructure, wildfire mitigation, competitive healthcare reform, and practical immigration solutions that respect both the rule of law and economic realities. Opportunity should be based on merit and equal treatment under the law. As a father of four daughters — including one who served in the U.S. Navy — I have long supported servicemembers and veterans. I previously chaired a military care committee that sent hundreds of care packages to sailors and Marines. I also support education, youth arts, and California State Parks. I believe in constitutional, accountable governance that strengthens families, protects liberty, and promotes long-term prosperity.

**DECLARACIÓN DE CANDIDATURA PARA
REPRESENTANTE DE EE. UU., DISTRITO 19^o**

PETER COE VERBICA

Ocupación: Dueño de empresa

Educación y Cualificaciones: Soy un conservador fiscal y un solucionador de problemas pragmático que respalda la Proposición 13 y cuenta con el respaldo de los Comités Centrales Republicanos de los Condados de Santa Cruz y Santa Clara. Como profesional de la planificación financiera con décadas de experiencia empresarial y financiera, hoy aplico esa disciplina práctica al servicio público en un momento de creciente deuda, inflación, e incertidumbre económica. Durante mi campaña estatal para la Junta de Igualación de California, avancé hasta los dos primeros puestos y obtuve más de 925,000 votos, mejorando el desempeño republicano en dos dígitos. Entiendo cómo competir — y cómo gobernar — en California.

Creo que el gobierno federal debe centrarse en sus responsabilidades fundamentales: proteger la seguridad nacional, asegurar nuestras fronteras, salvaguardar la integridad electoral, y preservar el valor del dólar estadounidense. La inflación es un impuesto oculto para las familias trabajadoras, y es esencial una política fiscal responsable para restablecer la estabilidad y las oportunidades. Estoy convencido de que el gobierno debe ajustarse a sus recursos, tal como lo hacen las familias que lo financian. Apoyo la fiabilidad energética, la ampliación de la infraestructura hídrica, la mitigación de incendios forestales, una reforma sanitaria competitiva, y soluciones migratorias prácticas que respeten tanto el estado de derecho como las realidades económicas. La oportunidad debe basarse en el mérito y la igualdad de trato ante la ley. Como padre de cuatro hijas — una de las cuales sirvió en la Marina de los Estados Unidos — siempre apoyé a los militares en servicio activo y a los veteranos. Anteriormente presidí un comité de asistencia militar que enviaba cientos de paquetes de ayuda a marineros e infantes de marina. También apoyo la educación, las artes para jóvenes, y los parques estatales de California. Creo en un gobierno constitucional y responsable, que fortalezca a las familias, proteja la libertad, y promueva la prosperidad a largo plazo.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 30th DISTRICT**

DAWN ADDIS

Age: 53

Occupation: State Assemblymember/Teacher

Education and Qualifications: Dear Neighbor, It has been my honor to represent San Luis Obispo County in the State Assembly. In this role, I've listened to the residents of our district and worked hard to deliver results for our Central Coast communities. My values come from my experiences as a classroom teacher, mom, community leader, and former City Councilmember. I'm also a co-founder of the San Luis Obispo Women's March, and I previously served on the board of the Planned Parenthood Central Coast Action Fund.

As your Assemblymember, I've worked hard to secure San Luis Obispo County's fair share of state funding, support our public schools, improve healthcare access, protect our coast and climate, and lower barriers to home ownership. I've authored important legislation to make utilities more affordable, provide housing for homeless students, and improve bilingual education. I also successfully defeated insurance premium increases for low-income seniors and rejected cuts to our California State University and University of California campuses.

I'm endorsed by the California Democratic Party because I'm helping lead the fight against the Trump Administration's attempts to roll back women's rights, drill offshore, cut school funding, and undermine civil liberties. My campaign is also endorsed by groups representing Central Coast firefighters, nurses, librarians, educators, construction workers, and small business owners. You can learn more about me at www.DawnAddis.org and contact me directly at Dawn@DawnAddis.org if you have any questions or ideas. I would be honored to earn your vote. Se habla español. Dawn Addis

MEMBER OF THE STATE ASSEMBLY, 30th DISTRICT**

SUSANNAH BROWN

Occupation: Data Scientist

Education and Qualifications: I was born and raised on the Central Coast and am now raising my family here. I believe in protecting the character and natural beauty that make our region unique while planning its future responsibly. I am a data scientist and small business owner who serves on local boards and committees and am running to bring practical, accountable leadership to District 30.

As an orphan who experienced homelessness and financial insecurity growing up, I learned how fragile stability can be. That experience shaped my commitment to building lasting systems that create real stability — not short-term band-aids.

I have spent my career solving complex problems and turning ideas into real-world solutions. Growth must be coordinated with water, transportation, and energy planning so it is achievable and responsible.

Our children and teachers deserve stable, predictable school funding year after year. Our region and state depend on reliable, affordable, resilient energy. I support a long-term extension of Diablo Canyon to protect good-paying jobs and strengthen grid reliability.

I am honored to be endorsed by IBEW Local 1245 and supported by educators, small business owners, and community leaders. I will show up every day to listen, collaborate, and deliver results for the Central Coast. Dignity is the standard. Data is the method. Results are the goal.

I respectfully ask for your vote.

**DECLARACIÓN DE CANDIDATURA PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, DISTRITO 30°**

SUSANNAH BROWN

Ocupación: Científica de datos

Educación y Cualificaciones: Nací y crecí en la Costa Central y ahora estoy criando a mi familia aquí. Creo en la importancia de proteger el carácter y la belleza natural que hacen única a nuestra región, al tiempo que planificamos su futuro de manera responsable. Soy científica de datos y dueña de una pequeña empresa, participo en juntas y comités locales y me postulo para aportar un liderazgo práctico y responsable al Distrito 30.

Como huérfana que crecí sin hogar y con inseguridad económica, aprendí lo frágil que puede ser la estabilidad. Esa experiencia forjó mi compromiso de construir sistemas duraderos que creen una estabilidad real, y no soluciones temporales.

Dediqué mi carrera a resolver problemas complejos y a convertir ideas en soluciones reales. El crecimiento debe coordinarse con la gestión del agua, el transporte, y la energía, para que sea posible y responsable.

Nuestros hijos y profesores merecen una financiación escolar estable y predecible año tras año. Nuestra región y nuestro estado dependen de una energía fiable, asequible y resiliente. Apoyo una extensión a largo plazo del proyecto Diablo Canyon para proteger los empleos bien remunerados y fortalecer la confiabilidad de la red eléctrica.

Me siento honrada de contar con el respaldo del sindicato IBEW Local 1245 y con el apoyo de educadores, dueños de pequeñas empresas, y líderes comunitarios. Me presentaré cada día para escuchar, colaborar, y obtener resultados para la Costa Central. La dignidad es la base. Los datos son el medio. Los resultados son el objetivo.

Con todo respeto le pido su voto.

**STATEMENT OF CANDIDATE FOR
COUNTY SUPERINTENDENT OF SCHOOLS**

DR. JOE KOSKI

Age: 61

Occupation: Assistant Superintendent/Educator

Education and Qualifications: San Luis Obispo County should be more than just a place where our children grow up. It should be a place where they can afford to stay, thrive, and raise families of their own.

For 39 years, I have served public education as a teacher, principal, district administrator, assistant superintendent, and for nine years as Superintendent of Templeton Unified School District. I currently serve as Assistant Superintendent at the San Luis Obispo County Office of Education. This experience has allowed me to serve in every role that prepares a superintendent to lead effectively at the county level.

We are not only preparing students for exams. We are shaping future leaders, innovators, and neighbors. A strong education must embrace the whole child, including academics, career technical education, arts, athletics, and music, because these experiences build the creativity, discipline, and collaboration skills our communities and workforce need.

The county office's role is to support districts, ensure fiscal integrity, and help every school succeed. I have seen firsthand both our strengths and challenges, and I am committed to continuous improvement through high expectations, servant leadership, meaningful family engagement, and responsible stewardship of taxpayer dollars.

I respectfully ask for your support.

**DECLARACIÓN DE CANDIDATURA PARA
SUPERINTENDENTE DE ESCUELAS DEL CONDADO**

DR. JOE KOSKI

Edad: 61

Ocupación: Superintendente Adjunto/Educador

Educación y Cualificaciones: El Condado de San Luis Obispo debería ser algo más que un lugar donde crecen nuestros hijos. Debería ser un lugar donde puedan permitirse quedarse, progresar, y formar sus propias familias.

Durante 39 años, trabajé en la educación pública como maestro, director, administrador de distrito, superintendente adjunto y, durante nueve años, como asistente superintendente del Distrito Escolar Unificado de Templeton. Actualmente me desempeño como Superintendente Adjunto en la Oficina de Educación del Condado de San Luis Obispo. Esta experiencia me permitió desempeñar todas las funciones que preparan a un superintendente para liderar eficazmente a nivel del condado.

No solo preparamos a los estudiantes para exámenes. Formamos a los líderes, innovadores, y vecinos del futuro. Una educación sólida debe abarcar al niño en su totalidad, incluyendo lo académico, la enseñanza técnica, las artes, el deporte, y la música, porque es allí donde se cultivan la creatividad, la disciplina y las destrezas de colaboración que fortalecen a nuestras comunidades y al mundo laboral.

La función de la oficina del condado es apoyar a los distritos, garantizar la integridad fiscal, y ayudar a que todas las escuelas tengan éxito. Fui testigo de primera mano de nuestras fortalezas y desafíos, y me comprometo a la mejora continua a través de altas expectativas, un liderazgo de servicio, una participación significativa de las familias y una administración responsable de los fondos de los contribuyentes.

Con respeto y humildad, solicito su respaldo.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 2nd DISTRICT**

MICHAEL ERIN WOODY

Occupation: Professional Civil Engineer

Education and Qualifications: It is time that the voices of our coastal communities were heard as this is the election that will decide our future.

We need to protect our coastline the same way we protect Yosemite Valley. I have stood consistently firm against offshore wind, offshore oil, battery plants, and the industrialization of our coastal communities. We need to protect our coastal groundwater from further development until a sustainable water solution is provided along with a long-term development plan that permanently protects our unique coastal quality of life. It is also time that we implemented term limits of three 4-year terms, a \$500 contribution limit, and ban all corporate, union, and PAC donations.

As a Professional Civil Engineer with over 25 years of experience, and a Masters in Public Administration from Harvard University, I bring a unique combination of professional experience that can address our groundwater, infrastructure, and development problems. When you come from a legacy family of Indigenous Indians, pioneers, and the abalone fishermen that built our central coast, protecting our coastal communities becomes very personal.

I look forward to serving you on the San Luis Obispo County Board of Supervisors and graciously ask for your support.

**DECLARACIÓN DE CANDIDATURA PARA
MIEMBRO DE LA JUNTA DE SUPERVISORES, DISTRITO 2°**

MICHAEL ERIN WOODY

Ocupación: Ingeniero civil profesional

Educación y Cualificaciones: Es momento de que se escuchen las voces de nuestras comunidades costeras, ya que estas elecciones decidirán nuestro futuro.

Debemos proteger nuestra costa del mismo modo que protegemos Yosemite Valley. Siempre me mantuve firme en mi oposición a la energía eólica marina, la extracción de petróleo en alta mar, las plantas de baterías, y la industrialización de nuestras comunidades costeras. Necesitamos proteger nuestras aguas subterráneas costeras de un mayor desarrollo hasta que se proporcione una solución sostenible de agua, acompañada de un plan de desarrollo a largo plazo que salvaguarde de manera permanente nuestra calidad de vida costera única. También es momento de implementar límites de mandato de tres períodos de 4 años, límites de contribución de \$500 y prohibir todas las donaciones corporativas, sindicales, y de comités de acción política (PAC).

Como ingeniero civil profesional con más de 25 años de experiencia y una Maestría en Administración Pública por la Universidad de Harvard, puedo aportar una combinación única de experiencia profesional que puede dar respuesta a nuestros problemas de aguas subterráneas, infraestructuras, y desarrollo. Cuando venimos de una familia con una larga tradición de indígenas, pioneros, y pescadores de abulón que construyeron nuestra costa central, proteger nuestras comunidades costeras se convierte en algo muy personal.

Espero poder trabajar en la Junta de Supervisores del Condado de San Luis Obispo y les pido amablemente su apoyo.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 2nd DISTRICT**

JIM DANTONA

Age: 52

Occupation: Chief of Staff – District 2, SLO County Supervisor

Education and Qualifications: San Luis Obispo County is known for our beautiful coastline, vibrant communities, shared values, and fierce commitment to our local democracy.

I'm running for 2nd District County Supervisor to honor and defend those values, and to protect the place we love. That means defending our democracy from federal interference and our coastline from Big Oil. Our economy and way of life depend on an unspoiled coast and protected open space. I'll fight to make sure SLO County's environment isn't just protected, but respected.

Protecting what we love also means assuring we can afford to live here. Too many of us are being priced out. Seniors living on fixed incomes are stressed. Local businesses struggle to hire because workers can't afford housing. We need leaders focused on affordability.

As chief of staff for the current 2nd District Supervisor and as former President / CEO of our regional Chamber of Commerce, I've worked to create jobs and affordable housing. I'm proud local unions representing the Central Coast's skilled workers support my campaign.

Let's protect our coast, build workforce housing and create good-paying jobs so we can stay and thrive. Together, we'll uphold our values and build a better future.

MIEMBRO DE LA JUNTA DE SUPERVISORES, DISTRITO 2º**

JIM DANTONA

Edad: 52

Ocupación: Jefe de Gabinete, Distrito 2, Supervisor del Condado de San Luis Obispo

Educación y Cualificaciones: El condado de San Luis Obispo es conocido por su hermosa costa, sus comunidades alegres, sus valores compartidos, y su firme compromiso con la democracia local.

Me postulo como candidato a Supervisor del 2º Distrito del Condado para honrar y defender esos valores, y para proteger el lugar que amamos. Eso implica defender nuestra democracia de la injerencia federal y nuestra costa de las grandes petroleras. Nuestra economía y nuestro modo de vida dependen de una costa virgen y de espacios abiertos protegidos. Lucharé para asegurar que no solo se proteja el medio ambiente del Condado de San Luis Obispo, sino que también se lo respete.

Proteger lo que amamos también implica asegurar que podamos seguir viviendo aquí de manera asequible. Muchos de nosotros no podemos permitirnos vivir en una zona con precios tan elevados. Las personas de la tercera edad que viven con ingresos fijos están estresadas. Las empresas locales tienen dificultades para contratar personal porque los trabajadores no pueden costear su vivienda. Necesitamos líderes con el foco en la asequibilidad.

Como jefe de gabinete del actual Supervisor del 2º Distrito y como ex Presidente/Director Ejecutivo de nuestra Cámara de Comercio regional, trabajé para crear empleos y viviendas asequibles. Me enorgullece que los sindicatos locales que representan a los trabajadores cualificados de la Costa Central apoyen mi campaña.

Protejamos nuestra costa, construyamos viviendas para los trabajadores y creemos empleos bien remunerados para que podamos vivir aquí y progresar. Juntos, defenderemos nuestros valores y construiremos un futuro mejor.

I have served as an international exchange student site director, program leader, and ESL teacher, building strong teams and fostering positive relationships across San Luis Obispo County. As a small business owner of multiple franchises, I bring hands-on experience in financial oversight, payroll, reconciliation reporting, and regulatory compliance.

In 2024, I earned a Paralegal Certificate from University of California, Santa Barbara, focusing on Estate Planning, Election Law, and Corporate Law. I am proficient in legal research tools including Westlaw and Nexis and skilled in technology systems that improve efficiency, transparency, and public access.

If elected, I will implement Super Precinct Vote Centers with electronic poll books integrated with a Geographic Information System, recruit and train students over 18 as precinct workers under experienced poll inspectors, enhance homeowner notification programs to protect property titles, and preserve the office's impartiality ensuring the Clerk-Recorder's office remains a trusted, accountable resource serving every resident. vanessarozosloclerkrecorder.com

STATEMENT OF CANDIDATE FOR COUNTY CLERK-RECORDER

ELAINA CANO

Occupation: San Luis Obispo County Clerk-Recorder

Education and Qualifications: Experience matters in an office that oversees elections and public records. Public trust is critical. For nearly 30 years, I have worked in public service on the Central Coast, gaining the knowledge and leadership experience required to run this office with integrity, care, and respect for every resident.

As San Luis Obispo County Clerk-Recorder, I have overseen six elections, and I've helped administer seventeen more throughout my career. Under my steady leadership, our county has consistently ranked among the highest statewide in voter turnout, demonstrating the trust voters place in fair and well-run elections.

I'm proud of the work we've done to connect with the community. We've expanded outreach to first-time voters, Latino residents, and veterans; launched the first Student Election Ambassador Program; and increased transparency through social media and public events.

Looking ahead, my focus is on modernizing services, protecting election security, and keeping public records safe. This includes a property fraud notification system, updating records to comply with state law while preserving their history, and ensuring this office remains nonpolitical and nonpartisan. I will continue to strengthen election security and explore ways to better connect with each voter.

DECLARACIÓN DE CANDIDATURA PARA SECRETARIA-REGISTRADORA DEL CONDADO

ELAINA CANO

Ocupación: Secretaria-Registradora del Condado de San Luis Obispo

Educación y Cualificaciones: La experiencia es fundamental en una oficina encargada de supervisar las elecciones y los registros públicos. La confianza pública es fundamental. Durante casi 30 años, trabajé en el servicio público de la Costa Central, allí adquirí los conocimientos y la experiencia de liderazgo necesarios para dirigir esta oficina con integridad, cuidado, y respeto hacia todos los residentes.

Como Secretaria-Registradora del Condado de San Luis Obispo, supervisé seis elecciones, y colaboré en la administración de otras diecisiete elecciones a lo largo de mi carrera. Bajo mi liderazgo firme, nuestro condado se clasificó sistemáticamente entre los de mayor participación electoral en todo el estado, lo que demuestra la confianza que los votantes depositan en unas elecciones justas y bien organizadas.

Estoy orgullosa de nuestro trabajo enfocado en conectar con la comunidad. Ampliamos nuestro alcance a los votantes primerizos, a los residentes latinos, y a los veteranos; pusimos en marcha el primer Programa de Embajadores Electorales Estudiantiles; y aumentamos la transparencia a través de las redes sociales y los eventos públicos.

De cara al futuro, mi prioridad es modernizar los servicios, proteger la seguridad electoral, y mantener a salvo los registros públicos. Esto incluye un sistema de notificación de fraude de propiedades, la actualización de registros para cumplir con la ley estatal preservando su historia, y la garantía de que esta oficina se mantendrá apolítica y no partidista. Seguiré reforzando la seguridad electoral y explorando maneras de conectar mejor con cada votante.

Contar con su respaldo sería de gran importancia para mí. Visite www.teamelainacano.com para obtener más información.
