WHAT'S NEW IN 2014?

TOP-TWO PRIMARY

The Top-Two Primary system was enacted by the voters in 2010 (Proposition 14) and this election is the first general election for statewide offices under this system. In the voter nominated contests, there are only 2 candidates and no opportunity for write in candidates. This includes statewide contests (Governor, etc) as well as contests for Congress, State Assembly and State Board of Equalization. There are no changes to the rules for non-partisan contests (School, County and City) which states that if one candidate receives more than 50% of the votes in the June election, that candidate will be declared the winner. If this does not occur, the two candidates with the most votes will move to the General Election. In addition, there can be write in candidates for non-partisan offices.

EXPANDED OPTION FOR MILITARY AND OVERSEAS VOTERS

It has long been a challenge to get vote by mail ballots to citizens living overseas and military voters, particularly those serving in areas with limited mail delivery. By law, ballots can be provided these voters 60 days before an election, but even with the extra time to mail the ballot, voters can be disenfranchised. To help alleviate this situation and efficiently get ballots to those serving our country, San Luis Obispo County has partnered with Democracy Live on Live Ballot, a program which allows these voters to securely access their ballot and sample ballot information online. Once a voter notifies us that they wish to participate in Live Ballot, they receive an email notification that the information is available. They can then sign in, access the information specific to their ballot, print and mark the ballot and return it via mail (at no cost to the voter) or if circumstances permit, return it via fax. Of the 626 overseas and military voters, 402 are already taking advantage of this streamlined access to their ballot and , in future elections, we are striving for 100% participation of these voters with emails.

REQUEST VOTE BY MAIL BALLOT BY PHONE

Recently enacted state legislation now allows a voter to request a vote by mail ballot by calling the elections office. Each voter must request their own ballot and the elections staff will confirm pertinent information before the request can be filled. This change will make it easier for voters to request a ballot, particularly when the deadline for requesting a ballot is looming.

CONFIRMATION OF JUDICIAL OFFICERS

Under the California Constitution, justices of the Supreme Court and the Court of Appeal are subject to confirmation by the voters. These judicial offices are non-partisan and the public votes "yes" or "no" on whether to retain the justice. The terms for these offices are 12 years and the confirmation elections are held in the same year as the gubernatorial election. For newly appointed justices, after their confirmation they are placed on the ballot at the next gubernatorial election for the remainder of the term, either 4 or 8 years. For more information on the Justices up for retention election, visit the Secretary of State's Voter Information Guide at www.sos.ca.gov or the website for the California Courts- www.courts.ca.gov

MORE VOTING PRECINCTS AND NEW POLLING PLACES- VOTERS NEED TO CHECK POLLING PLACE LOCATION BEFORE HEADING OUT ON ELECTION DAY

To accommodate the growing numbers of voters, the number of voting precinct was

increased to ensure voters do not experience long lines at the polls on Election Day. In addition, we rely on public buildings for polling places. Using these buildings gives more stability to the polling place locations and does not leave the voters and precinct workers susceptible to poor weather and changes to locations because of vacations or illnesses. However the demand for these buildings is great and although our local agencies, schools and churches are also cooperative in ensuring we have sufficient space for Election Day activities, some polling places may change from previous locations due to scheduling conflicts. As always, it is important that voters check to make sure they know the polling place to which they are assigned, either by looking on their sample ballot or using our on-line polling place search- see page 5.

WEBSITE CHANGES AND NEW FEATURES

NEW URL- The election information can now be accessed using **www.slovote.com**. This will link directly to the election page of the County Clerk-Recorder website.

NEW ON-LINE VOTER REGISTRATION

Thanks to a collaborative effort between county registrars, the Secretary of State and Department of Motor Vehicles, voters can now register to vote on-line. The voter enters their information in the secure system and, if a match is found with the DMV database, the voter's information and signature will be forwarded to the appropriate county elections office. If there is no match found, the voter will be prompted to print the registration form, sign it and return it to their local elections office. This new system makes voter registration convenient and accessible to voters, especially as registration deadlines approach. The system has proved very popular. Leading up to the 2012 General Election, over 5,000 on line registrations were received in the last three weeks and over 1,000 received on the deadline. Registering online has the double benefit of being convenient for the voter, but beneficial to the elections office since the data keyed in by the registrant populates the county's database, thereby reducing the manual data entry associated with forms and the inherent errors caused by illegible information and computer entry mistakes. Check it out at www.SLOvote.com and click on On-line voter registration.

ACCESSIBILITY FEATURES AVAILABLE ON WEBSITE

With funding from a Help America Voter Act grant, the County Clerk-Recorder has photographed all polling places in the county and documented the accessibility features, including parking, path of travel and equipment that can be used by voters with special needs to access their polling place. Voters will also be able to view a sample of their ballot and get directions to their polling place. These features can be found in the polling place lookup feature on the Clerk-Recorder's website (www.slovote.com) and will be a valuable tool to help voters easily identify their polling place and how to navigate to the room where the polls are located.

INSUFFICIENT CANDIDATES

Superior Court Judges

If only the incumbent has filed nomination papers for the office of Superior Court Judge, his or her name will not appear on the ballot unless a petition indicating that a write in campaign will be conducted is filed within 10 days after the close of nominations. No such petitions were filed for the 5 Superior Court judicial offices and therefore the incumbent judges' contests not appear on the ballot. The incumbent judges will be declared elected on November 4, 2014.

PLACEMENT ON THE BALLOT/ROTATION OF CANDIDATES

The order in which candidates' names appear on the ballot is determined by a random drawing of the 26 letters of the alphabet. This random drawing is conducted by the Secretary of State and the County Clerk-Recorder prior to each election. The random drawing for this election was held on August 14, 2014.

Election law also requires the names of candidates for some offices to change positions, such as federal, state and county wide offices (i.e. Governor, Secretary of State, United States Representative, County Clerk-Recorder). The purpose of the rotation is so one candidate's name does not always appear first, or last, on all of the ballots for the races.

As required by state law, names of candidates for certain offices are rotated on the ballot as follows:

| OFFICE | ROTATION |
|--|--|
| Statewide Offices, United States Representative, Board of Equalization member | Candidates' names are arranged in accordance with the alphabetical drawing beginning with the lowest numbered Assembly District in the State or Congressional or Board of Equalization District. Thereafter, for each succeeding Assembly District, the candidate's name appearing first is placed last; the order of the other names remains unchanged. Since San Luis Obispo County is represented by only one Assembly District, these candidates will be in the same order on every ballot in this county. |
| State Assembly | For multi-county districts, such as the assembly each county conducts a random drawing and the candidates' names are arranged in accordance with each county's alphabetical drawing- no other rotation. |
| County wide offices- i.e. County Clerk-Recorder | Candidates' names are arranged in accordance with the alphabetical drawing in the 1st District. Thereafter for each succeeding Supervisorial District, the candidate's name appearing first is placed last and the order of the other names remains unchanged. |
| Member of the Board of Supervisors, City, School and Special District contests | No rotation |

VOTE-BY-MAIL BALLOT INFORMATION

History: Absentee ballots were first made available by the North for the soldiers and sailors in the Civil War. California first allowed absentee voting in 1920 for those who were ill or disabled, lived too far from the polls and other special circumstances. In 1978 legislation was passed which allowed universal absentee voting. As a result of this change, allowing any person to vote absentee (now vote-by-mail), it has become a very popular means to cast a ballot. See the chart on page 14 to track the trend of voters casting their ballots by mail. In 2002, permanent absentee voting was expanded to any voter upon request. There are currently over 87,000 permanent vote-by-mail voters in San Luis Obispo County totaling almost 60% of the total registered voters.

How to Apply for a Vote-by-Mail Ballot:

The first day this office can issue a vote-by-mail ballot for the General Election is October 6, 2014 (29 days before the election). Vote-by-mail ballot requests must be received no later than October 28 (7 days before the election) in order for the ballot to be mailed to the voter. After that date, the voter must appear in the Office of the County Clerk-Recorder and complete an application indicating the reason they cannot appear at the polls on Election Day. Vote-by-mail ballots may be requested in one of five ways:

- Complete and mail the Vote by Mail Application on the back cover of the sample ballot booklet. Sample ballot booklets will be mailed September 25.
- Mail a letter to the County Clerk-Recorder, 1055 Monterey St., D120 San Luis Obispo CA 93408. The letter must state the voter's name, residence address, address to which the ballot should be sent and voter's signature.
- Appear in person at the County Clerk-Recorder's Office- in San Luis Obispo at the address above or for voters living in the North County, at our office in Atascadero- 5955 Capistrano Ave., Suite B. The office hours in Atascadero are 7:30-4:00.
- Fax a written request to the County Clerk-Recorder's Office at 781-1111.
- Email a request to elections@co.slo.ca.us.
- **NEW** - The voter can call the elections office at 805 781-5228.

To be counted, the voted ballot must be mailed in time to be received by the County Clerk-Recorder's office by 8:00 p.m. on November 4, 2014 or returned by the voter personally to any polling place in the county no later than 8:00 p.m. on Election Day. Due to proposed changes in delivery of U.S. mail, it is recommended that voters do not mail ballots after the Wednesday prior to the election to ensure that the ballot will be received in time to be counted. The voter may also authorize a designated family member or a person living in the voter's household to return the voted ballot to any polling place in the county or to the County Clerk-Recorder's Office.

WEEKEND VOTING

For the convenience of our voters that discover they will not be able to go to the polls on Election Day, the County Clerk-Recorder's Office will be open on the Saturday and Sunday before the election from 9:00 a.m. to 1:00 p.m. to issue vote-by-mail ballots. Voters may vote the ballot in the office at the voting booths or have a designated person return the ballot for them by 8:00 p.m. on Election Day.

PREPARING FOR THE ELECTION
THE READER'S DIGEST VERSION
E-120 TO ELECTION DAY

The staff of the County Clerk-Recorder's Office begins preparation for a county wide election at least six months prior to Election Day and after that every day is counted as E- the number of days left. You could ask any employee in our office (and probably any candidate) how many days until the election and we won't even have to think twice to answer. Some of the important dates and the activities surrounding them are:

| E minus number | Date | Activity |
|----------------|-----------------------------|--|
| E-113 | July 14 | Opening of the nomination period. |
| E- 90 | August 6 | Initial letters sent to potential precinct workers for commitments to work on election day. |
| E-88 | March 8 | Close of the nomination period. After the close of nomination, the ballot layout and preparation begins. Proofing of the sample ballots and ballot information continues through late August. |
| E-60 | September 5 | 60 day close. This is the initial target date for ensuring that the voter rolls are as updated as possible. Any voter registration in our office by that date is processed into the system and all changes and deletes are accomplished before officially closing our files. The 60 day close file is sent to the Secretary of State and the printer who prepares and mails San Luis Obispo County sample ballots. These names are on the list for the first mailing of state ballot pamphlets and sample ballot pamphlets. Any changes or anyone who registers between this date and the 29 day close of registration (October 6) will be mailed the voter information in the second mailing, scheduled for mailing the week of October 14. |
| E- 56 to E-14 | September 8- October 21 | Write-in candidate nomination period. (applies only to the non-partisan contests) |
| E-43 | September 22 | Assignment letters to precinct workers that have been assigned to polling places. |
| E-40 | September 25 | Sample Ballot booklets are mailed to voters who have not signed up to be a permanent vote-by-mail voter or do not live in a mail ballot precinct. |
| E-43 to E-20 | September 22- October 15 | Testing of voting machines and ballot counting software. Testing for transmission of results to the Secretary of State. |
| E-29 | October 6 | The "informed voter" close of registration as well as the first day to issue vote-by-mail ballots. Vote-by-mail ballots are mailed to the over 89,000 voters who are signed up as permanent VBM voters and to those who live in |

| | | mail ballot precincts. During the week of the close of registration, staff is busy processing voter registrations. These must be completed by the end of the week so new voters can be sent their sample ballot booklets and state voter information guides in a timely manner. While this is going on the voting booths and precinct supplies are being prepared for delivery to the county's 145 precincts and last minute changes to precinct worker assignments are made. During the month of October, staff is conducting 14 training sessions for the 1200+ volunteers working at the polls. |
| E-15 | October 20 | Official close of registration. Anyone registered between October 6 and October 20 is eligible to vote however, the voter will not receive the state voter information guide or the county sample ballot booklet. The voter will receive a postcard indicating their polling place location and where they can obtain voter information. |
| E-12 | October 24 | Elections staff begins opening and preparing the vote-by-mail ballots for counting. |
| E-11 | October 25 | Elections staff begins counting the vote-by-mail ballots. No results are released until after the close of polls on Election Night. |
| E-7 | October 28 | Copy of ballot counting software is deposited with the Secretary of State. |
| E-7 | October 28 | Last day to mail vote-by-mail ballots to voters. After this day, a voter must appear in the office to receive a ballot. The week before the election precinct supplies are distributed to the precinct inspectors. |
| E-6 to E Day | October 29- November 4 | Vote-by-mail ballots can be requested in person at the Clerk-Recorder's Office. |

| E+1 | November 5 | Official Canvass begins – see process outline below. |
| E+28 | December 2 | Official canvass completion and election certification deadline. |

ELECTION NIGHT PROCEDURES

After the last voter in line at 8:00 p.m. has cast their ballot, the precinct workers pack up and return precinct materials and the voted ballots in sealed containers to either the regional collection centers or directly to the Elections office in San Luis Obispo. Elections staff verifies that all ballots and required materials have been received and that security measures have been followed prior to releasing the precinct workers. All ballots and materials are brought to the Government Center in San Luis Obispo for ballot counting and secure storage.

SPEED OF BALLOT COUNTING ELECTION NIGHT

As in the past, results of early vote-by-mail ballots (those received by Saturday, November 1st) will be available immediately after the polls close at 8:00 pm. All ballots voted at the polls will be counted centrally in the County Clerk-Recorder's office on Election night. The ballots will be transported from our regional collection centers in Paso Robles, Atascadero, Morro Bay and Arroyo Grande to the Government Center for counting. The staff of the Clerk-Recorder's office is assisted in this endeavor by over 20 employees from other departments. The time it takes to count the ballots will depend on the Election Day turnout, however final unofficial election night results should be available by 11:00 p.m.

INCOMPLETE BALLOT COUNTING ELECTION NIGHT

The public is often surprised on the day after a major election when they learn that there are as many as 15,000 – 25,000 ballots county wide remaining to be counted after the election. There are three categories of ballots which cannot be processed on Election Night:

1. **VOTE-BY-MAIL BALLOTS TURNED IN ELECTION DAY-** Many vote-by-mail voters wait until Election Day to make their voting choices and then drop off their ballots at a polling place. These ballots are received after the polls close on election night. All vote-by-mail ballots must be pre-processed before they are counted- including entering that the ballot has been returned to protect against double voting and verifying the voter's signature against the signature on file in our office.
2. **PROVISIONAL BALLOTS-** Provisional Ballots are voted at the polls when the precinct workers cannot determine the voter's eligibility to vote in that election. Provisional ballots are sealed in special envelopes and must be individually researched and verified at the County Clerk-Recorder's Office before the ballot is counted or rejected in accordance with election laws. There are several reasons why someone would be required to vote a provisional ballot at the polling location:
 - Voter is listed as having received a vote-by-mail ballot but does not have the ballot to surrender at the polls.
 - Voter is voting under the fail safe provisions of the National Voting Rights Act. A fail safe voter is a registered voter in this county, who has moved and did not re-register to vote or notify the elections office of his/her change of address.
 - Voter's name is not on the roster, but the voter insists they are eligible to vote

in that precinct.

- Voter is required to show identification as a first time voter under the Help America Vote Act and cannot produce the required identification.

In each of these instances, the elections staff must verify that the voter is eligible to vote the ballot they were issued and verify the voter's signature prior to opening the ballot for processing. The number of provisional ballots continues to climb and in the November 2008 election there were 3,716 provisional ballots requiring about 400 hours of staff time to verify, open and count.

3. **DAMAGED BALLOTS:** Election Day ballots that are unable to be processed by the ballot scanners because of stray marks, overvotes or tears. These ballots need to be duplicated prior to counting.

The majority of the vote-by-mail ballots are counted by the Friday after the election. Some of these ballots require additional processing and their count is completed in the week following the election. The provisional and damaged ballots are normally counted just prior to certification of the results. Results are released as a count is completed and a schedule of counting dates and times will be posted on the County Clerk-Recorder website after the election.

WRAPPING UP THE ELECTION WHAT IS THE OFFICIAL CANVASS?

The election canvass process is an internal audit required by state law to ensure the accuracy of election results. California election law allows 28 days to conduct the official canvass of final election results. The official canvass begins on Thursday, November 6 and must be concluded within 28 days, no later than December 2. San Luis Obispo County normally completes the official canvass within 14- 17 days of the election. All aspects of the canvass are open to the public. The canvass concludes with the certification and issuance of official election results. Listed below are the major components of the official canvass. The progress of the canvass and the ballots remaining to be counted are updated on the Clerk-Recorder website - www.slovote.com

Completion of the count for vote-by-mail and provisional ballots- as described above.

Election Materials accounted for- Staff verifies that all elections materials have been returned and accounted for and that precinct workers have correctly followed Election Day procedures.

Roster Reconciliation- Following the close of the polls on Election Day, precinct officers are responsible for completing the Official Ballot Statement shown below.

| OFFICIAL BALLOT STATEMENT | | |
|--|----|------------|
| 1. TOTAL BALLOTS RECEIVED | 1. | <u>400</u> |
| 2. NUMBER OF SPOILED BALLOTS | 2. | <u>2</u> |
| 3. NUMBER OF UNVOTED BALLOTS | 3. | <u>304</u> |
| 4. NUMBER OF VOTED BALLOTS (do not include AV and Provisional Ballots) | 4. | <u>94</u> |
| 6. TOTAL OF 2,3, & 4 (MUST AGREE WITH #1) | 6. | <u>400</u> |
| 7. TOTAL SIGNATURES ON ROSTER (MUST AGREE WITH #5) | 7. | <u>94</u> |

As part of the official canvass, the signatures in each roster are re-counted and the number of signatures indicated by the inspector on the roster is compared to the number of ballots tabulated by the computer tally system. Any discrepancies are investigated. The balancing process normally takes 10 days to complete, depending on the Election Day turnout.

Manual Vote Tally- All voted ballots from at least 2 precincts (1% of the 135 precincts) are manually tallied for every contest and balanced against the computer counts to verify the accuracy of the election tally system. For any contest which is not on the ballot in one of those two precincts, an additional precinct's ballots are tallied for that contest only. In addition, this same procedure is completed for 1% of the vote-by-mail ballots. The completion of the manual tally usually takes 2-4 days, depending on the number of contests on the ballot and the voter turnout.

Apply Voting History- All voters who voted at the polls are given credit for voting.

Account for all ballots- The number of precinct and vote-by-mail ballots printed, issued and unvoted are accounted for and balanced. Discrepancies are investigated.

Prepare and print the Statement of Vote- The statement of vote displays the poll and vote-by-mail votes for all candidates and measures by precinct. In a general election, due to the large number of contests, the statement of vote often exceeds 1500 pages. The official summary report and statement of vote is posted on the website in PDF format.

Certify Election and report to the Secretary of State - Registrar of Voters certifies the Election and sends the certification, statement of vote and supplemental statement of vote to the Secretary of State. Board item is prepared to present to the Board of Supervisors.

Issue certificates of elections to candidates- Provide each elected candidate with a certificate of election and oath of office, which must be subscribed to prior to the candidate taking office. Provide each City Clerk with the results of all votes cast for candidates and any measures. Provide each district with results of all votes cast for any measures.
