

PASO BASIN COOPERATIVE COMMITTEE
February 14, 2018

Agenda Item #9 DWR Grant Funding Award Update
(Discussion Item)

Subject

Review of the DWR Grant funding award for Preparation of the Groundwater Sustainability Plan (GSP).

Recommendation

It is recommended that the Paso Basin Cooperative Committee (Committee) review the Grant Funding Award for the GSP preparation.

Prepared By

Dick McKinley, City of Paso Robles

Background

The City of Paso Robles served as the official applicant for a DWR grant to fund the preparation of the GSP. The City served in this capacity by virtue of the MOA designation of the City as the contract agency for the GSP preparation consultant team contract. The Basin was successful in being granted the maximum grant allowed of \$1.5 million. This is matched by in-kind costs identified by all of the parties back to January 1, 2015. The amount of the in-kind match included in the final grant agreement will depend on the final decision regarding EPC as a GSA. The grant is a reimbursable grant, so the MOA partners will need to pay for the consultant team and other costs up front, then be reimbursed by grant funds.

Discussion

The Cooperative Committee should review the grant award and ask any questions needed. As the City of Paso Robles will serve as the grant applicant and enter into the grant agreement on behalf of the MOA partners, no specific action is required by the Committee at this time.
