

# Join the Behavioral Health Services Community Planning Process

We are looking for people who represent local organizations/agencies serving or providing community services such as (but not limited to)...

- Youth and young adults,
- Early childhood care,
- Older adult care,
- Independent living,
- Homeless services,
- Veteran services,
- Disability insurers,
- Emergency services,
- Law enforcement,
- Tribal health programs,
- Culturally and linguistically diverse populations.

We are also looking for community members or family members with lived experience with...

- A consumer of behavioral health services,
- Homelessness,
- Domestic violence or sexual abuse,
- Historically marginalized communities.

Please scan the QR code to receive updates and provide feedback on the Proposition 1 (BHSA) community planning process.

# Steering Committee Meeting

Thursday, April 17, 2025

10:30 AM – 12:00 PM

⌚ Location: Teams

Teams: [meeting link](#)

## AGENDA

**Welcome:** Claire

### **CHIP Annual Review for [Mental Health & Substance Use](#)**

#### **Background & Considerations**

##### **MHSA Funding Impacts** (Christina Rajlal) (20 min)

Learn about the state's transition from MHSA to BHSA funding and how this may change the scope of mental health services being funded locally, as well as challenges and opportunities to the mental health work outlined in the Community Health Improvement Plan.

##### **Children and Youth Behavioral Health Initiative** (Melanie Crawford) (20 min)

Hear about SLO County Office of Education's current efforts to contribute to the mental health of their school communities through the [Children and Youth Behavioral Health Initiative](#) (CYBHI) (and how we can align efforts under activity [2.4](#))

#### **Potential Revisions**

Review [current activities](#) (p. 24) and [current progress](#) (Claire) (20 min)

#### **Questions for consideration** (20 min)

- Do these activities still address current challenges?
- Are there any major risks or constraints that could impact implementation?
- Are the proposed timelines still realistic?
- Do we have new information or best practices that change how we want to conduct this work?

**Agency Updates:** All

**Next Steps & Conclusion:** Claire
