1. Meeting Introduction and Program Updates – Maya Craig-Lauer

- MRSE 2026: We will be conducting the Medical Response and Surge Exercise (MRSE) early next year. A date will be planned at our next meeting.
- Assessments: We are required to do a Cybersecurity and Extended Downtime Assessment for our coalition so we may be sending out a survey to gather information if needed.
- Recovery Guide: Our team is working on creating a recovery guide to act as a supplemental aid for emergency planning at your facility. We will review the guide together at our next meeting.
- PPOD Exercise 2025: Last week on 10/30, we ran our PPOD (Public Point of Distribution) Exercise to train our Public Health staff and practice the site procedures by running a flu clinic at the SLO Vets Hall. In total, we provided flu vaccine to 55 people and trained 20 staff members.

2. HPP Updates – Sara Schwall

- POD SOP Overview:
 - Point of Distribution (POD) is an entity that can distribute or rapidly “push” medications (vaccine, medicine, or medical equipment) to individuals under extreme critical circumstances.
 - There are three types of POD Sites: PPOD (Public POD) open to the general public, CPOD (Closed POD) open only to an exclusive group like a school, and FRPOD (First Responder POD) open to first responders and essential workers.
 - The SOPs for each type of POD contain checklists for each role, required supplies, and attachments such as the site layout.

3. Partner Roundtable

- Gary Miller: Adventist Health participated in the Great Shakeout in October and will be conducting a cyber exercise in January. Also had an internal disaster with a utility failure and support from fire and EMSA.
- Evan Millard: Participated in the Great Shakeout at CHC.

- Joanne Romero: There is an updated emergency plan from the State which can be found through this link: [California State Emergency Plan | California Governor's Office of Emergency Services](https://www.ca.gov/programs-and-services/governor-s-office-of-emergency-services/california-state-emergency-plan)

4. Our next HPP meeting is on Thursday, December 4, 2025 from 11 AM to noon.
