1. Program Updates – Maya Craig-Lauer

- The PHEP and HPP mid-year reporting is complete, and priorities have been set for the rest of the budget period. Priorities include reviewing five plans and SOPs conducting several exercises and trainings.
- We are no longer moving forward with the previously discussed Cyber Assessment as it falls outside the scope of our expertise. If any facility needs assistance with guidance on cybersecurity, we are happy to provide resources to external experts.
- The MRSE (Medical Response and Surge Exercise) is set for April 28th at 1PM. New this year, will be the utilization of the ReddiNet MCI Module.
- During the next HPP meeting in March, we will be hosting Kim Conway, DVM from CDPH who will be presenting to us on the topic of One Health. Please see the flyer attached with these minutes for more information.

2. EMSA Updates – Ryan Rosander

- This year, the EMSA will be focusing on updating the MCI Policy. When drafted, the policy will be sent to the group for feedback. One new element to be added will be the utilization of the ReddiNet MCI Module.
- The Hospital Diversion Policy is scheduled to be updated this year and we will be reaching out for feedback.
- St. Fratty's day incident planning is underway.
- A MHOCSA course is being planned pending travel allowance. More information to follow.

3. Recovery Guide Draft Review – Sara Schwall

- The Recovery Guide is intended to be a brainstorming and tracking document. The guide includes areas of recovery such as building structure, staffing, supplies, and important contact information with the intention of planning necessary actions for recovery.
- A copy of the draft is attached with the minutes. Please review and email suggestions to

sschwall@co.slo.ca.us by Tuesday, February 17th.

4. Partner Roundtable
