## **Immunization Reminders: Safe Storage and Handling and Adult Immunization Standards**

With summer approaching and back to school appointments starting, we're sharing resources and reminders related to vaccines.

It's a good time to remind your staff about safe [storage and handling](#) of vaccines, as well as [standards for adult immunization practice](#):

- Vaccine storage and handling information and job aids are provided by the California Vaccines for Children program for your review:  
[eziz.org/resources/storage-handling-job-aids](https://eziz.org/resources/storage-handling-job-aids)
- Standards for adult immunization practice are provided by the Centers for Disease Control:  
[www.cdc.gov/vaccines/hcp/adults/for-practice/standards/index.html](https://www.cdc.gov/vaccines/hcp/adults/for-practice/standards/index.html)

For conversations with parents and expectant parents: [HealthyChildren.org](https://www.healthychildren.org/English/safety-prevention/immunizations/Pages/Multiple-Vaccinations-at-One-Time.aspx) from the American Academy of Pediatrics. For questions about multiple vaccinations at one time:  
<https://www.healthychildren.org/English/safety-prevention/immunizations/Pages/Multiple-Vaccinations-at-One-Time.aspx>

For more information, please contact Kristin Edler, Supervising Public Health Nurse, at [kedler@co.slo.ca.us](mailto:kedler@co.slo.ca.us) or 805-781-5500.
