COVID-19 Vaccine Update:
Webinar for Pediatric Care Providers on Vaccinating Adolescents

The California Department of Public Health (CDPH) and California Medical Association (CMA) are hosting an informative webinar covering clinical guidance for COVID-19 vaccination of adolescents and provider requirements for participating in the state's COVID-19 Vaccination Program.

This free webinar is intended for healthcare providers who serve adolescents and are interested in becoming a COVID-19 vaccine provider, in the process of completing enrollment, or enrolled in the state's COVID-19 Vaccination Program. **Register here for the May 25 event.** (Or visit: http://bit.ly/may25-training)

Additionally, CDPH is hosting training sessions for all providers interested in enrolling to receive and administer COVID-19 vaccines through myCAvax. You can register for either their May 24 or May 26 session. The password for both events is **myCAvax2021!**

For additional enrollment information
For an overview of the process to enroll to receive COVID-19 vaccine for eligible patients, please view the enrollment webpage and this pre-enrollment checklist, Provider Enrollment: Before You Enroll. Questions? Email covidcallcenter@cdph.ca.gov or call (833) 502-1245.

COVID-19 vaccine resources for parents and adolescents
The Centers for Disease Control and Prevention provides resources for families to learn about COVID-19 vaccine for adolescents:
- Factsheet: COVID-19 Vaccine for Preteens and Teens
- Info on COVID-19 Vaccines for Children and Teens
- Myths and Facts About COVID-19 Vaccines
- Before, During, and After Vaccination

For COVID-19 vaccine updates
For local updates on COVID-19 vaccine, we encourage patients and health care providers to regularly check www.RecoverSLO.org/Vaccine and sign up for email updates at www.EmergencySLO.org/Subscribe.
