To the best of my knowledge and belief, my statements in this form are complete and true. I am claiming reimbursement only for eligible expenses incurred during the applicable Plan Year and for eligible Plan participants. I certify that these expenses have not been previously reimbursed under this or any other benefit plan, and will not be claimed as an income tax deduction. I authorize my Flexible Spending Account to be reduced by the amount requested.

If this request is missing any vital information, you will receive an Explanation of Benefits (EOB) denying your request with an explanation of the additional information needed to complete the reimbursement. It's imperative that you sign the reimbursement form to avoid a denied request.
