

COUNTY OF SAN LUIS OBISPO
DEPARTMENT OF PLANNING & BUILDING
Courtesy Notice

WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW (“Courtesy Notice”)

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that these considerations become a part of the decision-making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator; these weekly Courtesy Notices can be viewed online at [Courtesy Notices, Weekly -- Summary Listing of Environmental Documents Available for Review - County of San Luis Obispo](#). The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County. You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be addressed to the Environmental Coordinator (address at end of document). For more information about the environmental review process, please visit: [Environmental Review - County of San Luis Obispo](#) .

For the week of March 8, 2026, to March 15, 2026.

1. Mitigated Negative Declaration

Sheriff Nipomo Substation Project, Nipomo (320215 / ED24-150)
Department: Public Works
SCH Number: [2026030614](#)

The purpose of this project is to reduce response times for emergency service calls and provide improved access to law enforcement services to the community. The proposed project is for the construction of a building ranging from 7,000 up to 8,000 square feet. The project will also include a fenced, secured parking lot for Sheriff vehicles and a public parking lot. The project will include a tower located adjacent to the substation building with a maximum height of 40 feet for Land Mobile Radio antennae to support the operations of the essential services facility. Avoidance, minimization, and mitigation measures will be implemented to ensure project impacts are less than significant. The project is located within the South County Inland Subarea of the South County Planning Area, Supervisorial District 4, approximately 7 miles south of the City of Arroyo Grande in the town of Nipomo, an unincorporated area of the county.
