**WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW (“Courtesy Notice”)**

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that these considerations become a part of the decision-making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator; these weekly Courtesy Notices can be viewed online at [Courtesies Notices, Weekly -- Summary Listing of Environmental Documents Available for Review - County of San Luis Obispo](#). The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County. You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be addressed to the Environmental Coordinator (address at end of document). For more information about the environmental review process, please visit: [Environmental Review - County of San Luis Obispo](#).

**For the week of March 1 , 2026 to March 8, 2026** (*click each individual project title to view the documents on [PermitSLO](#)*)

**1. Mitigated Negative Declaration**

SLO 166 CAPM

California Department of Transportation, District 5 (DOT)

SCH Number: [2026030127](#)

The California Department of Transportation (Caltrans) proposes to preserve approximately 14.2 lane miles of asphalt pavement through an overlay, restore two culverts in poor or critical condition, and upgrade guardrails to current Manual of Assessing Safety Hardware standards. The proposed project is located on State Route 166 in San Luis Obispo County from postmile 8.9 to 16.0. The project limits begin at the junction of U.S. Route 101 / State Route 166 to 0.45 miles west of the Huasna River Bridge.

Additional project information can be found at:

<https://dot.ca.gov/caltrans-near-me/district-5/district-5-current-projects#districtwide>

**2. Mitigated Negative Declaration**

Daphne Cook for a Tentative Parcel Map (CO 24-0055) (N-SUB2025-00034) (ED26-19)

SCH Number: [2026030126](#)

A request by Daphne Cook for a Tentative Parcel Map (CO 24-0055) (N-SUB2025-00034) to subdivide an existing 219 acre parcel into two parcels of 80 acres and 139 acres each for the purpose of sale and/or development. The project does not propose any site disturbance. The proposed project is within the Rural Lands land use category and is located at 1225 La Panza Road Shandon, CA 93461. Project will require Transfer Development Credits per section 22.24.070 B2. The site is in the North County Planning Area Shandon Carrizo Sub area north.

### 3. Mitigated Negative Declaration

Conditional Use Permit N-DRC2025-00017 Verizon Wireless, LLC

SCH Number: [2026030323](#)

A request by Verizon Wireless for a Conditional Use Permit to allow the construction and operation of a 98-foot-tall faux windmill wireless communications facility consisting of the following: 1) nine panel antennas, 2) twelve remote radio units, 3) one microwave antenna, 4) four overvoltage protection boxes, and 5) one GPS antenna. The project also includes associated trenching, equipment, cabinets, hardware, and backup diesel generator. The tower and equipment areas will be enclosed by a six-foot-high chain-link fence with slats within 2,500 square feet. The project will result in an area of disturbance of about 15,000 square feet (0.34 acres) and about 139 cubic yards of cut and fill on a 2.7-acre parcel. The project site is within the Residential Suburban land use category and is within the Carrizo Plain Planning Area, about 4 miles north of the Carrizo Plain National Monument.
