**County Fire Fees
FY 2025-2026**

County Fire Fee Footnotes

1	The Department of Planning and Building collects this fee for County Fire at time of application submission or occurrence.
2	Includes plan review, one site visit and final inspection.
3	Includes plan review, rough inspection and final inspection.
4	Includes plan review and final inspection. Up to 2.75 hours included in this fee.
5	Includes plan review, one site visit and final inspection. Up to 4 hours included in fee. Fee covers a maximum of 10 parcels. For each parcel in excess of 10, the fee will be increased by the cost of an additional 1/2 hour, as outlined in Footnote 6.
6	Services in excess of those listed above will be billed according to the classification of the individual providing the services. Those rates are equal to the rates noted in the current year's fee calculation schedule.
7	Projects up to 4,999 square feet. For projects 5,000 square feet or larger, base fee plus \$.08 per square foot over 4,999 square feet. Additional per hour charges may also apply - see Footnote 6.
8	County Fire will collect this fee at time of submission, occurrence and/or renewal.
9	County Fire will add this fee to the permit at time of review.
10	The Fire Chief is authorized to waive fees for applicants who are seeking to reconstruct legally constructed homes and other structures, including associated grading, that were destroyed as a result of a natural or manmade disaster, where the Board of Supervisors adopts a resolution declaring
12	County Fire does not charge for residential fire sprinklers and/or residential fire alarm systems.
13	Applies to attached decks more than 500 square feet and/or additions plus alterations 300-499 square feet. Scopes below these thresholds will not be charged a fee. Scopes exceeding these thresholds will be charged Plan Review Fee - General fee (Z08A).
14	Applies to improvements with fewer than 10 new sprinkler heads and less than 250 square feet or change of occupancy. Scopes exceeding these thresholds will be charged Comm/Indus Fire Plan Review - General fee (Z09A).
15	Will apply to new photo voltaic installations on new or existing commercial or industrial facilities. Fee will not be charged for fewer than 10 panels added to an existing photo voltaic installation.
16	Will apply to review done as part of Master Fire Protection Plan. (Note that obtaining plans from a Licensed Fire Protection Engineer is applicant's responsibility.)
17	This fee includes multi-family residential sprinkler systems. This fee does not apply to single family residential, which is reviewed by the County Department of Planning and Building.
18	Minor Operational Permit: Compressed gases; cryogenic fluids; cutting and welding; dry cleaning; fruit and crop ripening; fumigation and insecticidal fogging; hot works operation; industrial ovens; mobile food preparation vehicles; motor fuel-dispensing facilities; open burning; open flames and torches; open flames and candles; repair garages; rooftop heliport; temporary membrane structures and tents; wood products. 2022 CAFC
19	Major Operational Permit: Aviation facilities; exhibits and trade shows; explosives; flammable and combustible liquids; hazardous materials; outdoor assembly event; places of assembly; plant extraction systems; pyrotechnic special effects material; hazardous materials. 2022 CAFC

Public Facility Fees

Footnotes

Note: Fire Fees are paid directly to Templeton Community Services District for Templeton, and Cambria Community Services District for Cambria.

Note: Park fees are composed of Land and Development. Those lots which paid a Quimby Fee are exempt from the land portion.

Note: Applicant may request a deferral for payment of Public Facility Fees until the building is finalized. Should this request be approved, a deposit of 20% is required.

Note: Affordable housing units meeting the definition of extremely low-income, very low-income, and lower-income as set forth in Land Use Ordinance Section 22.12.070 and Coastal Zone Land Use ordinance Section 23.04.094 are exempt from the payment of public facilities fees.

Footnotes FY 2025-2026

- 1) The department wishes to recover the full cost of service (including consultant cost) for all major projects, peer reviews and/or technical reports. This includes all projects for which the fee schedule requires a real Time Billing Deposit. Additionally, if the processing cost of an application, including environmental review or administering the conditions of approval, will be substantially in excess of the fee/deposit, which is collected at intake, the applicant may be notified before the project is scheduled for public hearing that the total processing cost will be determined by full cost recovery techniques and that additional charges (invoices) may be forthcoming. Invoices not paid within 30 days of billing will have all processing of the project stop until the invoice is paid in full. This option can also be used where the department determines that processing costs will be substantially less than the original fee/deposit. In this case, the unused portion of the fee/deposit will be refunded. Billing for Land Use/ Division Applications will be at the Department's hourly rate for Planning (currently \$142/per hour). Billing for Building permit applications will be at the Department's hourly rate for Building (currently \$140/per hour). These rates will be charged at 1.5 times these hourly rates when work is performed during overtime conditions at the applicant's request. The deposit will be collected on applications at intake. Billing for peer review and for consultant review for Planning Cases, excludes projects identified in footnote 39, will be at the actual consultant hourly rate and 15% of consultant invoice amounts to recover the department's cost for consultant project management. Billing for peer review and for consultant review for Building Cases will be at the actual consultant hourly rate and up to 30% of consultant invoice amounts to recover the department's cost for consultation management.
- 2) The Department wishes to recover the full cost of staff time required to resolve land use violation cases that do not require issuance of a land use permit. The Department shall notify the property owner at the time a violation is verified to exist. The total administrative cost of resolving the enforcement case will be determined by full cost recovery techniques, and the property owner will be billed accordingly.
- 3) A refund of any unused portion of fees for withdrawn or partially completed projects shall be determined by the Planning Director based on code requirements and/or an appraisal of the cost of staff work up to the time the project is withdrawn. Any fee erroneously paid or collected will be refunded in full or credited in full to the correct fee. All requests for refunds shall be in writing from the property owner or designee as listed on the application as originally filed with the department, with the refund paid only to that owner.
- 4) The Planning Director is delegated the authority to grant fee waiver requests for land use and construction permits on development projects that are proposed by volunteer, community and nonprofit organizations for the benefit of an entire community when the project satisfies the following criteria. This policy does not apply to requests for general plan amendments.
 - a. The proposed project will be available for use by the public at-large, and it is likely that the project will be used or will benefit more than residents of the immediate vicinity; *and*
 - b. The project will be of obvious public benefit. Evidence of public benefit may include but is not limited to:
 1. The project meets a need previously identified or recognized by the Board of Supervisors.
 2. The project replaces another facility that previously provided benefit.
 3. The project provides a facility not presently available in the community.
 4. The project has generated substantial, obvious community support.
 5. The project would reduce other County costs or increase other County revenues.

- 4) Continued
 - c. The fee(s) to be waived will not exceed a total of \$5,000.
 - d. The Planning Director's decisions may be appealed in writing within ten days to the Board of Supervisors, whose decision will be final.
 - e. Notwithstanding any other provision of this fee schedule, the Board of Supervisors retains the authority to consider other fee waiver requests when it considers such waivers to be equitable and in the public interest.
- 5) The Planning Director is authorized to waive land use, building and environmental review fees for applicants who are seeking to reconstruct legally constructed homes and other structures, including associated grading, that were destroyed as a result of a natural or manmade disaster, where the Board of Supervisors adopts a resolution declaring such a disaster.
- 6) If this fee is collected by the Department, the applicant may elect to appeal the decision directly to the California Coastal Commission at no charge per County Code Section 23.01.043.b.3 and the California Code of Regulations Section 13573 and the Public Resources Code Section 30603.
- 7) Where dis-establishment of an agricultural preserve is requested concurrently with a General Plan Amendment application of the property, this fee will not be collected and the General Plan amendment fee will instead cover the costs.
- 8) The pre-application fee must be paid in advance of the office consultation or site visit. If a subsequent land use or subdivision application is submitted within one year of the pre-application meeting, the Department will credit the L52 pre-application fee toward the land use or subdivision application fees.
- 9) This fee is only applicable to lot line adjustment applications that meet criteria in County Code Section 21.02.030(d)(1).
- 10) Minor Use Permit - Tier I fees are charged for the least complex minor use permit applications that do not require any ordinance modifications, and/or result in less than 100 square-feet of a deck or residential addition.
- 11) Minor Use Permit - Tier II fees are charged for intermediately complex minor use permit applications that require no more than one ordinance modification, involve accessory structures, and/or result in less than 500 square-feet of a deck or residential addition.
- 12) Minor Use Permit - Tier III fees are charged for complex minor use permit applications that require more than one ordinance modification, and/or result in more than 500 square-feet of a deck or residential addition, more than one acre or site disturbance or impervious surfaces, colocation of wireless communications facilities. Includes interim management plans for surface mining operations, multifamily, commercial, and industrial projects.
- 13) Condition Compliance fees cover the costs associated with ensuring compliance with conditions of approval and ordinance/general plan compliance.
- 14) Project Modification Tier I - This fee applies to revisions that meet the criteria in County Code Section 22.64.050 / 23.02.038. Tier I applies to modifications to lot line adjustments and minor use permits.

- 15) Project Modification Tier II - This fee applies to revisions that meet the criteria in County Code Section 22.64.050 / 23.02.038. Tier II applies to modifications to conditional use permits, variances, and parcel and tract maps.
- 16) The Continuance fee is only charged when the applicant requests the continuance.
- 17) The Emergency Permit fee applies to permit applications that are submitted in situations that constitute an "emergency" as defined by County Code Section 23.03.045 and/or 22.62.080.
- 18) The Hazardous Tree Removal fee covers the removal of up to five trees at the same location. Each additional tree at the same location costs an additional \$50.00.
- 19) The Coastal Zone - Tier I add-on fee applies to building permit zoning reviews, lot line adjustment applications, and minor use permit applications in the coastal zone.
- The Coastal Zone - Tier II add-on fee applies to conditional use permit applications, variance applications, parcel and tract map applications, conditional certificates of compliance, major grading permits, and general plan / ordinance amendments in the coastal zone.
- 20) Coastal Zone Property Request and amendments add on fee represent the department costs of processing Local Coastal Plan and Coastal Zone Land Use Ordinance amendments and coastal area plan update property requests through the California Coastal Commission. These are to be fully recovered through this fee using full cost recovery techniques and the property owner will be billed accordingly.
- 21) This add-on fee is collected when a General Plan / Ordinance Amendment also triggers the need to change other general plan elements to maintain internal consistency.
- 22) This fee is collected when an application requires review by Airport Land Use Commission.
- 23) This fee applies to all Requests for Allocation/Allotments for new residential dwelling units submitted in accordance with the Growth Management Ordinances (Title 26). This fee is non-refundable. This fee also applies to applications for "grandfathered" units in Cambria.
- 24) This fee, to be filed concurrently with an application for "Request for Allocation/Allotment" for a new residential dwelling unit, shall be considered a deposit to be credited towards the construction permit fees required by the Building Permit Fees as listed in Section V of this fee schedule. This fee also applies to "grandfathered" units in Cambria.
- 25) Effective January 1, 2018, AB1414 provides for a cap on the permit fees local jurisdictions can collect for solar energy systems. To the extent the Planning and Building Department fees exceed the cap, the amount in excess of the cap will be waived.
- 26) Building permit and inspection fees exclude requests for modification to mobile home standards or residential density standards. Change to approved use is restricted to requests involving either a new or changed use within buildings already authorized by a previously approved development plan.

- 27) Fees collected for other County budget units or Departments and other agencies are subject to a \$ 6.00 administrative processing charge for each such transaction.
- 28) This fee is applicable to activities that qualify for the Alternative Review Program per County Code Section 22.52.080.B.
- 29) This fee is to be collected by the Local Agency Formation Commission (LAFCO) and transferred to the Department of Planning and Building at the time an application is made to LAFCO. The fee will be collected when the LAFCO Executive Director determines that the application needs review by the Department of Planning and Building.
- 30) The Lodge Hill erosion control/forest management fee applies to all permits for new dwelling units within the Cambria Monterey Pine Forest Sensitive Resource Area as defined in the North Coast Area Plan of the General Plan. Fee amount established by the California Coastal Commission.
- 31) Recording fees are collected to cover the costs of document recording when required. The amount is determined by the County Clerk-Recorder and must be paid to the Department of Planning and Building prior to recording of the document.
- 32) Public Facilities Fees are required in accordance with Title 18 of the County Code. The fee amount is determined through an annual review of the program by the Board of Supervisors.
- 33) The Parkland "Quimby" fee is based on the estimated average cost for developing one acre of parkland in the County, as determined by the Board of Supervisors in accordance with the provisions of the Real Property Division Ordinance, Chapter 9: Parkland Dedication and/or Fee (Title 21 of the County Code). This fee is based on the adoption by the Board of Supervisors of the "Quimby" Ordinance that requires either dedication of new parkland or the payment of in-lieu fees for new parkland when new subdivisions are proposed. If this fee is to be paid in-lieu of dedicating parkland, the fee is to be paid prior to recordation of the final map.
- 34) These fees are only applicable to the Transfer Development Credit programs in accordance with County Code Section 22.04.500.
- 35) The record research fee can be used to recover the full cost of services for providing census and statistical information as permitted by the U.S. Bureau of the Census.
- 36) The Annual SMARA Program Fee is for the annual inspection, financial assurances cost estimate review and approval, financial assurances mechanism review and approval, record retention and maintenance, and coordination.
- 37) During the processing of Land Use Permits/Land Division Applications, the California Environmental Quality Act (CEQA) may allow/require an alternative determination, which may increase/decrease the fee.
- 38) The applicant is required by County CEQA Guidelines to pay the entire cost of consultant's services.

- 39) The County wishes to recover the full cost for processing projects. A 30% processing fee will be charged for the processing of a mitigation monitoring program, Environmental Impact Report, or Expanded Initial Study. For projects of unusual size and scope, if the Planning Director and the Environmental Coordinator determine that processing costs will be substantially less than or in excess of the fee, the applicant shall be notified that the cost will be determined by either an adjusted percentage based on estimated costs or by full cost recovery techniques, or a combination of the two, and that additional charges or refunds will be forthcoming. A cost accounting agreement may be required.
- 40) The County Auditor will apply interest earned on deposits held in the Environmental Impact Report Trust Fund for Environmental Impact Reports to the individual trust account, where the project has paid the total estimated cost together with the full 30% administrative fee and the applicant has provided the necessary income tax reporting information. The interest rate will be the rate earned by the County treasury pool.
- 41) Pipeline repair projects which may be statutorily exempt from environmental review pursuant to CA Public Resources Code Section 21080.23. shall be billed at cost in order to recover the full cost of determining and insuring compliance with Section 21083.23. An initial deposit equal to the full environmental fee for the level of permit (Grading Permit, Minor Use Permit, Development Plan/Conditional Use Permit) is required.
- 42) Code Enforcement Violation Minor fees are charged when more than two code enforcement inspections are required to attain corrective action after owner being informed of violation. Major fees are charged when five or more code enforcement inspections are required to attain corrective action after owner being informed of violation. The Department with use full cost recovery techniques and the owner will be informed such additional charges will be forthcoming should adjudication in a court of law be required and the County prevails.
- 43) Effective August 27, 2013, the Planning Director is delegated the authority to grant a fee waiver request for well construction and electrical permit fees for a domestic well based on the following conditions being met:
- a. The well owner shall submit a letter of explanation documenting the failure of the current domestic well to provide adequate water (dry well). Acceptable documentation options include: a licensed and bonded well drilling contractor's letter verifying well failure, the California Department of Water Resources Well Completion Report for the failed well, original well approval construction letter from Environmental Health Services (EHS), or receipts for hauled water to the subject property.
 - b. The well owner shall verify the current domestic well was drawing groundwater from an area that has been certified as Level of Severity III by the Resource Management System by locating said well accurately on a map, and by providing the Assessors Parcel Number, section/township/range, street address, and GPS coordinates of where the well/property is located.
 - c. Submission of a well construction permit by a licensed and bonded well drilling contractor to EHS for a new domestic well (to replace the well that has gone dry).
- Requiring the above information is adequate to verify legitimate permit waiver requests for the replacement of domestic wells that have gone dry within the Basin. A processed EHS well application showing the granting of the well construction permit waiver shall be considered adequate evidence that these conditions have been met. Extending the effective term for waiving well permit fees may be considered by the Board of Supervisors at a future date.

- 44) Permit submittals that exceed two (2) plan reviews will be charged additional fees on an hourly basis.
- 45) Remodel and/or addition permits greater than 1,000 square feet will be calculated using the New Construction, Single Family Dwelling fees.
- 46) Projects requiring a custom water duty factor will require a deposit and be real-time billed.
- 47) Projects exceeding the New Construction Plan Check and Inspection square footage Maximum caps may be subject to real time billing.
- 48) On average, our actual costs for Initial Studies are about \$16,111.
- 49) Amendements to a Minor Use Permit shall be charged original Minor Use Permit Tier fee. Amendements to Conditional Use Permit/Development Plan/Subdivisions shall be charged the applicable R26 or R26cn fee.
