Subject: WRAC Report on Draft Revisions to the Resource Management System (RMS) for Water Supply, Water Systems, and Wastewater

Dear Chairperson Patterson:

County Planning and Building Department Staff provided the Water Resource Advisory Committee (WRAC) with draft revisions to the Resource Management System (RMS), particularly the water supply, water systems, and wastewater sections. On April 4, 2012, the WRAC formed an ad hoc subcommittee whose purpose was to review and comment on draft language for those sections of the RMS. Attached are comments for the Planning and Building Department Staff to consider before the revisions are taken to the September 13, 2012 Planning Commission meeting.

Subcommittee members included Member Winn (Nipomo CSD), Member Luft (Environmental at-Large), Alternate Member Walters (Development at-Large), Alternate Member Larson (City of Paso Robles), Alternate Member Hendrickson (Atascadero Mutual Water Company), and Member Garfinkel (District 2). Member Winn served as chair to the ad hoc subcommittee. The subcommittee met on May 14, 2012, and subsequently developed a subcommittee report.

On June 6, 2012, the WRAC reviewed and revised the ad hoc subcommittee's report and unanimously voted to submit the attached revised RMS language to you for further consideration.

Respectfully,

MICHAEL WINN  
Chairperson, Water Resources Advisory Committee

cc: SLO County Board of Supervisors  
SLO County Planning Commission  
James Caruso, County Department of Planning and Building

Attachments: Recommended Revisions to Draft RMS Language for Water Supply, Water Systems, and Wastewater

#### Purpose of the Committee:

To advise the County Board of Supervisors concerning all policy decisions relating to the water resources of the SLO County Flood Control & Water Conservation District. To recommend to the Board specific water resource programs. To recommend methods of financing water resource programs.
