Local Agency Management Program for Onsite Wastewater Treatment Systems

The Department of Planning & Building is hosting two meetings to present information regarding the adoption of a Local Agency Management Program (LAMP) which will update construction standards for Onsite Wastewater Treatment Systems in San Luis Obispo County.

Monday, December 18, 2017 5:00PM - 6:30PM

*County New Government Center, Room 161/162
1055 Monterey Street, San Luis Obispo.*

Tuesday, December 19, 2017 5:00PM - 6:30PM

*Atascadero Library, Polin Community Room
6555 Capistrano, Atascadero.*

The LAMP will apply to septic systems in non-sewered unincorporated areas of San Luis Obispo County, and will go into effect in mid-2018 following approval by the Central Coast Water Board and adoption to County Code by reference.

The Proposed Final LAMP will be available for public review and comment beginning Monday December 18, 2017.
