Design Standards Document	State Stormwater Construction General Permit <i>(Order WQ 2022-0057-DWQ)</i>	Central Coast Post-Construction Requirements <i>(Resolution R3-2013-0032)</i>	County of San Luis Obispo Public Improvement Standards
Required submittals	Construction Stormwater Pollution Prevention Plan (SWPPP) <i>(Must include with Post-Construction stormwater mitigation.)</i>	Stormwater Control Plan (SWCP) and Application <i>(County of San Luis Obispo Template)</i>	Drainage Report

Critical Project Information

1. What is the area of disturbance for the project as a whole?
2. Is the project located in the County's Stormwater Management Area?
3. What, specifically, is being constructed and permitted?
4. How much impervious surface area is being created or replaced?
