Methods: The data presented in this fact sheet were collected as part of the California Healthy Kids Survey in the spring of 2013, 2015 and 2017 at middle and high schools across San Luis Obispo County. The data were collected using a paper and pencil survey administered by school sites and reported to and compiled by WestEd. The Central Coast Coalition for Inclusive Schools requested the dataset from WestEd and the data were analyzed running Chi-Square tests using SPSS statistical software. All differences reported here are statistically significant.

The Central Coast Coalition for Inclusive Schools (CCC4IS) is a network of community partners actively supporting the development of safe and affirming school communities.

Mission: The CCC4IS actively supports the development of safe and affirming school communities. We strive to celebrate diversity, advocate for social justice, and transform educational cultures by empowering youth, families, professionals, and organizations. www.centralcoastinclusiveschools.org

Acknowledgements: The California Healthy Kids Survey was developed by WestEd under contract to the California Department of Education. This fact sheet was prepared by John Elfers, PhD, Kris DePedro, PhD, and Matt Carlton, PhD. for the Central Coast Coalition of Inclusive Schools. These data were acquired through funds provided by the San Luis Obispo County Community Foundation's Growing Together Initiative.
