The committee will review the DRAFT requests for information and direct chair on submission to the County. (**ATTACHMENT 1**)

D. Confirmation of next meeting and adjourn.

**COMMISSION REQUESTS FOR INFORMATION FROM THE COUNTY
[DRAFT]**

1. How does the COUNTY establish the level of support when funding homelessness proposals submitted by CITIES?

For example: is there a formal mechanism for setting the level of funding based on specific parameters?

2. How does the COUNTY establish the level of support when funding homelessness proposals submitted by NGOs/NON PROFITS?

For example: is there a formal mechanism for setting the level of funding based on specific parameters?

3. Who are the COUNTY's points of contact for each CITY for issues on homelessness? Please provide names and contact information.

4. Has the Homeless Division created time specific, measurable objectives that communicate the broad ideas of the Five-Year Plan into achievable actions with specified outcomes?

5. Regarding LOE 2 Part A, what actions have been taken to retain and recruit sufficient staff in service agencies?

6. How are compliance contracts with agency providers ensured?

7. How does closing Oklahoma Safe Parking Site align with the goals of the Five-Year Plan?

8. How have unhoused community members been brought in as stake holders as stipulated in the Five-Year Plan?

9. Please provide the quarterly analysis of existing projects to determine the utilization and need for interim housing based on geography, climate, and population and outcomes of various models. (*see* LOE 1, Item A2)

10. Is there a public facing website providing information on the County's efforts to reduce homelessness? If so, please provide the web address.
