- 

**Event Title:** Professional Branding: Resume & Cover

**Event Description:** Your resume and cover letter are often the first impression you make on a potential employer. In this workshop, you will learn how to build a strong professional brand on paper and in person. We will guide you through different resume styles to find the best fit for your work history, show you how to write a cover letter that stands out, and share tips on putting together a professional wardrobe. Walk away with the tools you need to present your very best self to hiring managers!

**Event Title:** Prep for an Interview

**Event Description:** Get ready for your next job interview! This beginner-friendly class covers everything you need to do before the interview even starts, such as researching a company and dressing for success. Set yourself up for success from the very beginning so you can walk in feeling prepared.

**Event Title:** The Interview Process

**Event Description:** What actually happens during a job interview? In this class, we will walk you through the whole process from start to finish. You will learn how to make a great first impression, what body language to use, and how to properly follow up with the employer after the interview is over. Knowing what to expect will help you feel much more relaxed.

**Event Title:** Answering Difficult Questions & Interview Simulation

**Event Description:** Do you worry about not knowing what to say? This class will teach you how to answer hard interview questions with confidence. We will break down common questions like "tell me about yourself" and "what is your biggest weakness." You will learn simple, proven ways to talk about your skills and past work history without getting stuck.
